### Principal's Message

The O.B. Whaley School staff believes excellence lies in maintaining high expectations for ourselves and for the 600 students we serve. We collaborate to provide a program of academic excellence in which individual students' strengths, needs, and learning styles are recognized and supported. The O.B. Whaley School was honored in 1989, 1997, and 2004 as a California Distinguished School, and in 1990 as a National Blue Ribbon School of Excellence. In 2004 and 2007, we were also honored as a Title I Achieving School.

Our ethnically diverse school community has a broad socioeconomic base. Through the "Home-School Compact," parents make an annual commitment to participate in their child's education. We recognize that parent involvement is key to student success, and we invite and encourage all parents to actively participate in the educational process.

Through a 21st Century Grant and a partnership with the City of San Jose and the YMCA, we provide an After School Enrichment and Safety (ASES), open to all students. Parents and school administrators are actively involved in San Jose's Strong Neighborhoods Initiative (SNI) and the West Evergreen Neighborhood Association (WENA).

### School Mission Statement

The mission of O.B. Whaley is to provide a challenging educational environment that allows all students to develop their ability to communicate effectively, think critically, analyze, problem solve, and apply what is learned in a technical and global world. A meaningful and effective education shall involve students in a planned program filled with active learning. Excellence shall permeate all learning and shall be reflected in all curricular areas.

Administration and faculty shall strive for professional excellence by staying current with state guidelines. We shall sustain accountability by continuously measuring our achievement against the district's high standards and our established yearly goals. School leaders shall provide staff access to the best thinking about curriculum and instruction through extensive staff development activities and inspire them through a collaborative environment to analyze and implement strategies that allow all students to reach their maximum physical and intellectual potential. A primary premise shall be that all students can and will be successful learners. By working with educational support services, emphasizing learning styles, and simultaneously involving parents in the process of educating their children, we shall strive for all students to experience success the first time around. Student success shall be measured by student performance. Students not achieving grade level proficiency will be identified early and offered assistance with early intervention and a program of accelerated learning.

We shall seek to give children a caring environment that maximizes self-esteem and inspires children's intrinsic desire to learn. We use the University of Oregon's research-based Building Effective Schools Together (B.E.S.T) plan to promote student's ethical behavior, responsibility for self and concern for others. The O.B Whaley staff believes and expects that all students can and will behave in a reasonable manner to assure an optimum learning environment. Children shall feel valued for their unique talents and recognition shall be given when students have achieved academic and civic milestones. Above all, our environment shall be safe.

O.B. Whaley shall provide opportunities for parent and community collaboration that allows them involvement in the decision making process. We will provide educational opportunities that promote life-long learning for students and their families. We will welcome and encourage our families and community to embrace the value and responsibility of education to make every child's learning experience a successful one.

O.B. Whaley leaders shall inspire staff, parents and students to accomplish our mission through open communication, opportunities for everyone to be heard, their ideas respected, and responsiveness to individual concern. The resulting environment shall be one that celebrates diversity and provides everyone with a sense of satisfaction, well being, academic and social success.

### Community & School Profile

Evergreen School District, located in the City of San Jose, is comprised of fifteen elementary schools and three middle schools. Once a small farming city, San Jose became a magnet for suburban newcomers between the 1960s and the 1990s, and is now the third largest city in California. The city is located in Silicon Valley, at the southern end of the San Francisco Bay Area, and is home to more than 973,000 residents.

O.B. Whaley Elementary School is located on the western side of the district's borders. In the 2012-13 school year, the school served 625 students in grades K-6 on a traditional calendar schedule. The chart displays school enrollment broken down by ethnicity.

The school provides a family-oriented, nurturing, and safe place for students to learn, grow, and develop intellectually. Teachers, staff, and administrators continue to act on the principle that students come first.

### About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school at (408) 270-6759.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2014-15)**

Evergreen School District held a Public Hearing on October 9, 2014, and determined that each school within the district has sufficient and good quality textbooks and instructional materials pursuant to the settlement of Williams vs. the State of California.

All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. All textbooks and instructional materials used within the district must be aligned with the California State Content Standards and Frameworks, with final approval by the Board of Trustees. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. The table displays information collected in September 2014 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. The district does not have a formal textbook adoption for Health or for Visual and Performing Arts.

**School Facility Conditions and Planned Improvements (Most Recent Year)**

O.B. Whaley Elementary School, originally constructed in 1965, is currently comprised of 35 permanent classrooms, 16 portable classrooms, two Head Start classrooms, two computer labs, a library, a cafeteria/multipurpose room, a staff lounge, an ASES office, and two playgrounds.

Over the past few years, the school’s new library was constructed, teaching walls and air conditioning units were installed in several classrooms, and lighting and roofing upgrades were completed. The athletic field was also completely reconstructed in December 2008. The chart displays the results of the most recent facilities inspection.

**Cleaning Process:**

O.B. Whaley Elementary School provides a safe and clean environment for students, staff, and volunteers. The district has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with the school’s custodial staff to develop sanitation schedules that ensure a clean, safe, and functional learning environment.

**Maintenance & Repair:**

A scheduled maintenance program is administered by O.B. Whaley Elementary School’s custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by the district to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received.

**Deferred Maintenance Budget:**

The State School Deferred Maintenance Program provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. In the Budget Act of July 2009, the State Legislature provided school districts with flexibility in using these funds to meet general fund needs. In an effort to mitigate the effects of declining state revenues, the Evergreen School District has taken advantage of this flexibility. The district will utilize bond funds and other appropriate sources to ensure its facilities are clean, safe and in good repair.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its successor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### Opportunities for Parental Involvement

Parents and the community are very supportive of the educational program at Whaley Elementary School. Parents are encouraged to become involved in their child's education by volunteering at the school, participating in activities, and joining school committees and councils such as the English Learner Advisory Committee and School Site Council. A newly formed PTA enthusiastically supports the school community.

Throughout the year, parent/family participation activities are discussed in the principal's weekly newsletter. The school offers several parent-student workshops throughout the year and an annual Family Literacy Mini-Conference in October.

The school also receives support from numerous local businesses and community organizations. Contributions from West Evergreen Neighborhood Association have greatly added to the quality of instruction and overall school environment.

### Contact Information

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact the school at (408) 270-6759.

### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan

The safety of students and staff is a primary concern of O.B. Whaley Elementary School. Students are supervised before school, during recess, and after school by teachers and administrators. Lunch supervision is provided by noon-duty aides and parent volunteers. All visitors to the campus must sign in at the main office and wear a visitor's pass at all times during their stay on school grounds. There is also a designated area for student drop-off and pick-up at the front of the school.

The school site is able to be locked along the full perimeter, and all visitors must pass through the front office in order to access the campus during student hours.

The School Site Safety Plan was last reviewed and updated in January 2013 by the Emergency Response Team (ERT). Any and all revisions to the plan are immediately communicated to classified and certificated staff. Key elements of the Safety Plan focus on the following:

- School rules & procedures
- Sexual harassment policy
- Current status of school crime
- Notification to teachers
- Child abuse reporting procedures
- Schoolwide dress code
- Policies related to suspension/expulsion
- Disaster procedures/routine & emergency drills
- Safe ingress & egress of pupils, parents, & school employees

The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, disaster, and lockdown drills are conducted on a rotating basis throughout the school year.

**Types of Services Funded at O. B. Whaley Elementary School**

In addition to general state funding, all schools within Evergreen School District received state and federal categorical funding for the following support programs:

- Economic Impact Aid
- School & Library Improvement Program
- Title I, Targeted Assistance (for these schools: Cadwallader, Dove Hill, Holly Oak, Katherine Smith, Montgomery, and O.B. Whaley)
- Title II, Staff Development
- Title III, Limited English Proficient

**Professional Development provided for Teachers at O. B. Whaley Elementary School**

Staff members build teaching skills and concepts through participation in conferences and workshops throughout the year. For the past three years, the district has sponsored three staff development days annually where teachers are offered a broad-based variety of professional growth opportunities in curriculum, teaching strategies, and methodologies.

A curriculum coach will provide school-wide and teacher specific staff development, with a focus on implementing the Common Core approach to teaching and learning.

Selected Wednesdays and Thursdays will be scheduled for short staff development activities and planning.
