School Description

De Portola Elementary School, in partnership with staff and community, provides a challenging and nurturing learning environment for students. Our continued goal is for all students to master the California Content Standards appropriate for their grade levels. We also know that every child is unique, so we offer enrichment and intervention experiences that expand their intellectual and emotional capacities. In addition to our academic strengths, we work closely with parents to ensure that when students complete their studies at our school, they possess the intellectual, physical, and emotional tools to be successful in the years ahead. We are proud to have been named a California Distinguished School in 2004 and again in 2008.

About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school at (949) 586-5830.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2014-15)

We choose textbooks and instructional materials that are aligned to state-adopted content standards consistent with state-adopted curriculum framework content and cycles. This report includes a list of some of the textbooks and instructional materials we use at our school. We have also reported additional facts about our textbooks called for by the Williams legislation of 2004. This report shows whether each student in each core course had sufficient textbooks or instructional materials that are consistent with the content and cycles of the state-adopted curriculum frameworks for those subjects.

School Facility Conditions and Planned Improvements (Most Recent Year)

De Portola Elementary School opened in 1972. The campus was modernized in 2000–2001. A new heating and cooling system was installed and the staff and student bathrooms were remodeled at that time. Overall, the facilities are in excellent condition. In 2004 voters passed a bond measure that enabled us to add a playground structure, multiuse building, storage cabinets in the multipurpose room, field renovations, a security system, field rest rooms, and other improvements.

More facts about the condition of our school buildings are available in an online supplement to this report called for by the Williams legislation of 2004. What you will find is an assessment of more than a dozen aspects of our buildings: their structural integrity, electrical systems, heating and ventilation systems, and more. The important purpose of this assessment is to determine if our buildings and grounds are safe and in good repair. If anything needs to be repaired, this assessment identifies it and targets a date by which we commit to make those repairs. The guidelines for this assessment were written by the Office of Public School Construction (OPSC) and were brought about by the Williams legislation. You can look at the six-page Facilities Inspection Tool used for the assessment on the Web site of the OPSC.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its successor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

* "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

De Portola has a very supportive parent community. Parent volunteers work in classrooms, accompany students on field trips, prepare materials at home, and more. The PTA assists our school by providing numerous enrichment programs and by raising funds for schoolwide causes, such as technology, cultural assemblies, our Art Masters program, Reflections art contest, family fun nights, and school spirit events.

To learn more about becoming involved in our school, contact our principal, Tom Turner, at (949) 586-5830.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

We revise our school's safety plan annually. It covers safe entrances and exits, a safe and orderly school environment, disaster procedures, building and safety standards, and student behavior. We consistently enforce effective school rules to ensure student safety. In addition, we follow a positive behavior system with clear student expectations. All visitors to the school must sign in at the office. We have provided selected campus supervisors with training in first aid and emergency procedures.

Suspensions and Expulsions			
School	11-12	12-13	13-14
Suspensions Rate	0.5	0.8	0.5
Expulsions Rate	0.0	0.0	0.0

State	11-12	12-13	13-14
Suspensions Rate	5.7	5.1	4.4
Expulsions Rate	0.1	0.1	0.1

* The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment x 100.

Types of Services Funded at De Portola Elementary School

The federal law known as No Child Left Behind requires that all schools and districts meet all three of the following criteria in order to attain Adequate Yearly Progress (AYP):

- (a) a 95-percent participation rate on the state's tests
- (b) a CDE-mandated percentage of students scoring Proficient or higher on the state's English/language arts and mathematics tests
- (c) an API of at least 740 or growth of at least one point.

Professional Development provided for Teachers at De Portola Elementary School

Our school participates in staff training programs. Training focuses on core academic subjects as well as the diagnosis and assessment of students' learning needs and the use of technology. Teachers, curriculum specialists, and administrators plan and implement teacher-training activities.
