School Description

Serrano Intermediate School maintains a strong school culture that supports achievement for all students. Our goal as a professional learning community is to remain dedicated to student success. We strive to maintain high expectations for each member of our community; foster a safe, positive, and caring culture that respects and values students; engage students in a rigorous curriculum based on the Common Core State Standards; and appreciate the diversity and talents of our community members. Our high achieving student population is a direct reflection of our collective and determined efforts. We value parent and community involvement in the education of our students.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school at (949) 586-3221 or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2015-16)

We choose textbooks and instructional materials that are aligned to state-adopted content standards consistent with state-adopted curriculum framework content and cycles. This report includes a list of some of the textbooks and instructional materials we use at our school. We have also reported additional facts about our textbooks called for by the Williams legislation of 2004. This report shows whether each student in each core course had sufficient textbooks or instructional materials that are consistent with the content and cycles of the state-adopted curriculum frameworks for those subjects.

School Facility Conditions and Planned Improvements (Most Recent Year)

Our campus sits on a 52-acre plot in a eucalyptus grove. Our facility consists of three classroom wings, a gym complete with a stage and a learning center, a state-of-the-art library with 40 computers, and 12 portable classrooms. We house 1,230 students in 59 classrooms. The campus includes four computer labs, two locker rooms, and the elective wing, which houses art, instrumental music, wood shop, drama, STEAM Academy, and multimedia classrooms. In addition, Serrano has a Good Morning Serrano daily video broadcast show that uses state-of-the-art video and audio equipment. The campus has recently undergone modernization, and every classroom was renovated and brought into the 21st century. New construction includes a gym with an attached classroom and stage, six additional modular classrooms, additional student and staff rest rooms, and a new food service area complete with additional covered seating for the students. In addition, the parking lot was redesigned to increase student safety and traffic flow. Both our upper and lower fields were renovated and the blacktop was resurfaced. Funding for the modernization and new construction comes from the Measure B bond.

More facts about the condition of our school buildings are available in an online supplement to this report called for by the Williams legislation of 2004. What you will find is an assessment of more than a dozen aspects of our buildings: their structural integrity, electrical systems, heating and ventilation systems, and more. The important purpose of this assessment is to determine if our buildings and grounds are safe and in good repair. If anything needs to be repaired, this assessment identifies it and targets a date by which we commit to make those repairs. The guidelines for this assessment were written by the Office of Public School Construction (OPSC) and were brought about by the Williams legislation. You can look at the six-page Facilities Inspection Tool used for the assessment on the Web site of the OPSC.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

Serrano is fortunate to have parents who play an active role in school activities. Volunteers chaperone dances and field trips, help with fund-raisers, and participate in school events such as the Civil War Exhibition and International Week. Three parents serve on our School Site Council, which meets to review the school plan and budgets. Five parents participate on the English Language Advisory Committee. Our active Parent, Teachers, Student Association (PTSA) meets on a regular basis to support school activities and student academic success. We encourage all parents to call our main office at (949) 586-3221 for additional information about volunteering or check our Web page for the contact person from the PTSA.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates, pupil expulsion rates; and other local measures on the sense of safety.

School Safety Plan

Serrano has positive and proactive polices in place that establish expected behaviors for our students and enhance the classroom learning environment. In addition to our part-time campus supervisor, the entire staff maintains both general and direct supervision of our closed campus. We update Serrano's emergency plan yearly, and we conduct emergency drills, including fire, earthquake, and lock-downs.

Professional Development provided for Teachers

The major area of focus for staff development is on student and teacher accountability through the data team process. Serrano teachers attended the School Accountability for Instruction, Learning, and Leadership (SAILL) district staff training. Teachers further enhance their instructional leadership by participating in data team process training. This process informs instructional decisions with an emphasis on the effective use of materials for core curriculum areas and a review of student progress using student engagement

Types of Services Funded

Saddleback Valley USD has identified Goals and Actions/Services to support students to be college and career ready and to demonstrate the 21st century skills of critical thinking, communication, collaboration, and creativity.

Goal 1- Improve literacy in all content areas.

Goal 2- Improve student proficiency in all subject areas: English/Language Arts, mathematics, social sciences, science, visual and performing arts, health, physical education, world languages, and career technical education.

Goal 3- Improve access to, enrollment in and completion of a rigorous course of study.

Goal 4- Increase student engagement and parent involvement.

The District has implemented the following Actions and Services to support each Goal identified above:

- * Develop and implement school site literacy goals for all students and specific goals for students in significant subgroups.
- * Expand literacy intervention programs including prevention and early systematic intervention, appropriate materials, professional development and extended learning time options; provide focused support for students in grades 4-12 at the Intermediate Level of Proficiency at all school sites.
- * Provide appropriate, current instructional materials.
- * Provide staffing to support classrooms with Literacy Coaches/Academic Coach and ELD Coach.
- * Support continued implementation of strategies for Designated and Integrated ELD.
- * Expand intervention programs for at-risk students to prepare them for "a-g" courses.
- * Expand Advancement Via Individual Determination (AVID).
- * Increase the number of "a-g" approved courses and Advanced Placement/International Baccalaureate courses.
- * Expand Counseling Services.
- * Provide parent education regarding course pathways, graduation requirements, post-secondary opportunities, current academic standards; support parent participation and involvement in parent and advisory groups.

* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at www.cde.ca.gov/ds/fd/cs/.
