School Description

Silverado High School embraces the motto "Everybody Is Somebody". For the past 40 years, we have supported students who come to us needing a chance to start over or catch up with their coursework. We take the time to recognize the individual worth and needs of each student who enters our program. We are also the only continuation school in California to offer a Partnership Academy, a grant-funded program for students to explore career opportunities in health, graphics, and communications. In collaboration with adult education, Silverado also offers one of the most comprehensive arrays of technology training in our district. Students can earn graduation credits through a variety of diverse programs. During the 2011-2012 school year, we transitioned to a trimester grading calendar and five 55-minute academic periods per day. Adult Education opportunities provide another avenue for students to earn graduation credit. Regional Occupational Programs and community colleges offer many other opportunities for career training. This provides students with a better opportunity to master difficult subjects while still having the opportunity to earn a higher number of graduation credits per year than at a comprehensive high school. During the 2013-2014 school year, we worked hard to prepare for full implementation of the Common Core State Standards (CCSS) and focusing on academic vocabulary and non-fiction writing across the curriculum. Silverado High School continues to focus on bringing new opportunities for success to our students. The 2014-2015 school year saw the implementation of Edgenuity virtual learning. These online course offerings provide yet another opportunity for students to earn credits. The 2016/2017 school year we will focus on performance task and alternative assessments that allow students to demonstrate how they can utilize what they have learned.

David Gordon, PRINCIPAL

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

2015-16 Student Enrollment by Grade Level	
Grade Level	Number of Students
Grade 10	6
Grade 11	79
Grade 12	123
Total Enrollment	208

2015-16 Student Enrollment by Group	
Group	Percent of Total Enrollment
Black or African American	2.9
American Indian or Alaska Native	0.5
Asian	2.4
Filipino	0.5
Hispanic or Latino	56.7
Native Hawaiian or Pacific Islander	0.5
White	32.7
Two or More Races	3.8
Socioeconomically Disadvantaged	47.6
English Learners	13
Students with Disabilities	3.4
Foster Youth	0.5

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials			
Silverado High School	14-15	15-16	16-17
With Full Credential	17	15	15
Without Full Credential	0	0	0
Teaching Outside Subject Area of Competence	0	0	0

Teacher Misassignments and Vacant Teacher Positions at this School			
Silverado High School	14-15	15-16	16-17
Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

* "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Core Academic Classes Taught by Highly Qualified Teachers

2015-16 Percent of Classes In Core Academic Subjects Core Academic Classes Taught by Highly Qualified Teachers		
Location of Classes	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers
This School	100.0	0.0
Districtwide		
All Schools	100.0	0.0
High-Poverty Schools	100.0	0.0
Low-Poverty Schools	100.0	0.0

* High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2016-17)

We choose textbooks and instructional materials that are aligned to state-adopted content standards consistent with state-adopted curriculum framework content and cycles. This report includes a list of some of the textbooks and instructional materials we use at our school. We have also reported additional facts about our textbooks called for by the Williams legislation of 2004. This report shows whether each student in each core course had sufficient textbooks or instructional materials that are consistent with the content and cycles of the state-adopted curriculum frameworks for those subjects. This report also shows whether sufficient laboratory science equipment applicable to science laboratory courses is available to all students at our school.

School Facility Conditions and Planned Improvements (Most Recent Year)

Silverado was built in 1975. We have added three new buildings in recent years. During the 2006–2007 school year we constructed a new building that provides a central office for our Adult Education program, Mira Monte High School (independent study), and three additional classrooms. We completed our modernization during the summer of 2009, including remodeling the front office and several classrooms throughout the school. During the 2011-2012 school year, Silverado built a basketball court on campus and converted a surplus building into a fitness center. Our site is well maintained, with attractive grounds, modern facilities, and state-of-the-art technology. A solar power project converted our parking lot into an energy source. Our solar panels produce more energy than we consume. Part of the project included an emergency generator that ensures we will not be without power for an extended period of time. The structure supporting the solar panels also provides a lighting system that keeps the parking lot very well lit at night.

More facts about the condition of our school buildings are available in an online supplement to this report called for by the Williams legislation of 2004. What you will find is an assessment of more than a dozen aspects of our buildings: their structural integrity, electrical systems, heating and ventilation systems, and more. The important purpose of this assessment is to determine if our buildings and grounds are safe and in good repair. If anything needs to be repaired, this assessment identifies it and targets a date by which we commit to make those repairs. The guidelines for this assessment were written by the Office of Public School Construction (OPSC) and were brought about by the Williams legislation. You can look at the six-page Facilities Inspection Tool used for the assessment on the Web site of the OPSC.

School Facility Good Repair Status (Most Recent Year)
Year and month in which data were collected: 10-12-16

System Inspected	Repair Status				Repair Needed and Action Taken or Planned
	Good	Fair	Poor		
Systems: Gas Leaks, Mechanical/HVAC, Sewer	X				
Interior: Interior Surfaces	X				Stained/broken ceiling tile, to be replaced by custodian.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	X				
Electrical: Electrical	X				Burnt out light bulb to be replaced by custodian. Missing light lens, to be replaced by electrician. Exposed low voltage wiring, to be repaired by electrician.
Restrooms/Fountains: Restrooms, Sinks/ Fountains	X				
Safety: Fire Safety, Hazardous Materials	X				
Structural: Structural Damage, Roofs	X				
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	X				
Overall Rating	Exemplary X	Good	Fair	Poor	Our school meets most or all of the standards for good repair, established by the Office of Public School Construction. If we have any deficiencies, they are not significant. We scored between 99 and 100 percent on the 15 categories of our evaluation.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2015-16 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	14-15	15-16	14-15	15-16	14-15	15-16
ELA	17	18	61	65	44	48
Math	0	3	48	50	34	36

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Results for All Students - Three-Year Comparison									
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)								
	School			District			State		
	13-14	14-15	15-16	13-14	14-15	15-16	13-14	14-15	15-16
Science	8	46	28	80	79	77	60	56	54

* Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	2015-16 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2015-16 CAASPP Results by Student Group Science (grades 5, 8, and 10)				
Group	Number of Students		Percent of Students	
	Enrolled	with Valid Scores	w/ Valid Scores	Proficient or Advanced
All Students	30	29	96.7	27.6
Male	23	22	95.7	22.7
Hispanic or Latino	21	20	95.2	30.0
Socioeconomically Disadvantaged	22	21	95.5	19.1

* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

School Year 2015-16 CAASPP Assessment Results - English Language Arts (ELA) Disaggregated by Student Groups, Grades Three through Eight and Eleven					
Student Group	Grade	Number of Students		Percent of Students	
		Enrolled	Tested	Tested	Standard Met or Exceeded
All Students	11	127	125	98.4	18.0
Male	11	88	88	100.0	18.6
Female	11	39	37	94.9	16.7
Hispanic or Latino	11	72	71	98.6	14.5

**School Year 2015-16 CAASPP Assessment Results - English Language Arts (ELA)
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Student Group	Grade	Number of Students		Percent of Students	
		Enrolled	Tested	Tested	Standard Met or Exceeded
White	11	39	38	97.4	24.3
Socioeconomically Disadvantaged	11	65	63	96.9	11.5
English Learners	11	15	15	100.0	

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**School Year 2015-16 CAASPP Assessment Results - Mathematics
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Student Group	Grade	Number of Students		Percent of Students	
		Enrolled	Tested	Tested	Standard Met or Exceeded
All Students	11	126	124	98.4	3.3
Male	11	88	88	100.0	4.6
Female	11	38	36	94.7	
Hispanic or Latino	11	72	71	98.6	
White	11	38	37	97.4	5.4
Socioeconomically Disadvantaged	11	64	62	96.9	
English Learners	11	15	15	100.0	

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-17)

We introduce parents to our program through our orientation for new students, which we hold every five weeks. We encourage parents to keep in contact with the school through our Web site at www.silveradohighschool.com. We have parent representation on our School Site Council and invite parents to participate in our student activities, such as dances, and graduation night at Disneyland. Parents also volunteer as classroom speakers and mentors in our Partnership Academy program. Parents should contact the principal or office manager at (949) 586-8800 to become more involved in our school.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Silverado has two campus supervisors who continually monitor the campus. The entire staff monitors the school grounds during passing periods and break. We have a closed campus and require all visitors to register in the office. We hold quarterly fire drills and biannual earthquake and disaster drills. We annually review our safety plan with staff and our School Site Council. The campus has a comprehensive security camera system that covers virtually the entire campus. We adjust the plan to include structural modifications to the facility as well as staffing and technological changes.

Suspensions and Expulsions			
School	2013-14	2014-15	2015-16
Suspensions Rate	1.3	7.3	10.5
Expulsions Rate	14.1	1.0	1.2
District	2013-14	2014-15	2015-16
Suspensions Rate	1.9	1.7	1.8
Expulsions Rate	0.2	0.2	0.1
State	2013-14	2014-15	2015-16
Suspensions Rate	4.4	3.8	3.7
Expulsions Rate	0.1	0.1	0.1

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2016-17 Federal Intervention Program		
Indicator	School	District
Program Improvement Status		In PI
First Year of Program Improvement		2013-2014
Year in Program Improvement		Year 1
Number of Schools Currently in Program Improvement		6
Percent of Schools Currently in Program Improvement		66.7

Academic Counselors and Other Support Staff at this School	
Number of Full-Time Equivalent (FTE)	
Academic Counselor	1
Counselor (Social/Behavioral or Career Development)	0
Library Media Teacher (Librarian)	0
Library Media Services Staff (Paraprofessional)	.75
Psychologist	0
Social Worker	0
Nurse	0
Speech/Language/Hearing Specialist	0
Resource Specialist	0
Other	0
Average Number of Students per Staff Member	
Academic Counselor	300

* One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Average Class Size and Class Size Distribution (Secondary)												
Subject	Average Class Size			Number of Classrooms*								
				1-22			23-32			33+		
	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16
English	10	9	9	22	26	26						
Mathematics	14	7	7	7	16	16						
Science	8	6	6	16	29	29						
Social Science	12	9	9	19	26	26						

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development provided for Teachers

Every week staff members meet to discuss school issues and work on areas of established need, including technology skills, curriculum development, and classroom organization and discipline. We send staff to workshops and conferences in specific areas of interest. For the 2013–2014 school year, we focused on preparing students to pass the California High School Exit Exam (CAHSEE), and improving reading and math scores, increasing academic vocabulary, and non-fiction writing skills across the curriculum. Additionally, Partnership Academy funding allows a team of teachers to work collaboratively during the summer on planning and curriculum development. Several teachers participated in the district School Accountability for Instruction, Learning and Leadership (SAILL) program, a shared leadership program which focuses on student achievement through data analysis. We have added professional development days to the teachers' work calendar. Silverado has a rotational meeting schedule that includes professional development every three weeks. Staff has input as to what topics are presented during professional development opportunities.

FY 2014-15 Teacher and Administrative Salaries		
Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$30,000	\$45,092
Mid-Range Teacher Salary	\$73,082	\$71,627
Highest Teacher Salary	\$98,840	\$93,288
Average Principal Salary (ES)	\$119,997	\$115,631
Average Principal Salary (MS)	\$128,306	\$120,915
Average Principal Salary (HS)	\$136,764	\$132,029
Superintendent Salary	\$285,286	\$249,537
Percent of District Budget		
Teacher Salaries	43%	37%
Administrative Salaries	5%	5%

* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at www.cde.ca.gov/ds/fd/cs/.

Types of Services Funded

Saddleback Valley USD has identified Goals and Actions/Services to support students to be college and career ready and to demonstrate the 21st century skills of critical thinking, communication, collaboration, and creativity.

Goal 1- Improve literacy in all content areas.

Goal 2- Improve student proficiency in all subject areas: English/Language Arts, mathematics, social sciences, science, visual and performing arts, health, physical education, world languages, and career technical education.

Goal 3- Improve access to, enrollment in and completion of a rigorous course of study.

Goal 4- Increase student engagement and parent involvement.

The District has implemented the following Actions and Services to support each Goal identified above:

- * Develop and implement school site literacy goals for all students and specific goals for students in significant subgroups.
- * Expand literacy intervention programs including prevention and early systematic intervention, appropriate materials, professional development and extended learning time options; provide focused support for students in grades 4-12 at the Intermediate Level of Proficiency at all school sites.
- * Provide appropriate, current instructional materials.
- * Provide staffing to support classrooms with Literacy Coaches/Academic Coach and ELD Coach.
- * Support continued implementation of strategies for Designated and Integrated ELD.
- * Expand intervention programs for at-risk students to prepare them for "a-g" courses.
- * Expand Advancement Via Individual Determination (AVID).
- * Increase the number of "a-g" approved courses and Advanced Placement/International Baccalaureate courses.
- * Expand Counseling Services.
- * Provide parent education regarding course pathways, graduation requirements, post-secondary opportunities, current academic standards; support parent participation and involvement in parent and advisory groups.

Career Technical Education Programs

Our Partnership Academy is a school-to-career program that provides training and exploration in several areas: health occupations, communications, law, and graphics. This program offers job shadowing and business mentors for participants, and it provides a strong link between academic preparation in the classroom and developing necessary job skills. Many of our students enroll in classes through the Regional Occupational Program and adult education programs. Counselors talk to classes about career exploration and provide informational field trips for students as well as workshops for staff that acquaint them with careers. In 2011-2012 we introduced an orientation course for all students who are new to Silverado High School. This orientation course has a school-to-careers component which includes a student inventory of skills needed for a particular career. With the skills inventory, students are able to chart a course to their chosen career. During the 2014/2015 school year we took this basic career exploration and beefed it up. We began a program we refer to as 5,5,5. Five hours, five days, five possible career choices. We also have a career pathway day twice a year. Representatives from many different career fields come to Silverado, present information about the work they do and students plot a course to gain the degrees, certifications, or training they need for that career. Students review career options and education/training needed for these careers and create a plan to get the education/training needed to be able to enter the career of choice. This course may include college or technical training. Our high school offers courses intended to help students prepare for the world of work. These career technical education (CTE) courses, formerly known as vocational education, are open to all students. Over 200 Silverado students last year participated in career technical education courses either at Silverado or their home school. CTE courses are offered through the ROP program. CTE courses on the Silverado high school campus include graphics, game design, video production and art design. Recently, online courses offered through Edgenuity became available for Silverado students and expand the CTE course offerings. You can find information about our school's CTE courses and advisors in the Data Almanac at the end of this School Accountability Report Card. Information about career technical education policy is available on the CDE Web site.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
