### About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. All data are reported for the 2012-13 school-year, unless otherwise indicated. For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/). For additional information about this school, please contact the school administration at (510) 618-4360.

### School Description

#### Principal's Message

Hello. Welcome to Washington School. "Community" is a word that comes to mind when students, parents, and staff think about our school. We are a caring community of life-long learners, who are dedicated to the academic, social and emotional growth of our 445 students, in Kindergarten through Fifth Grade. A key aspect of our academic program is strong adherence to California's Instructional Standards with a focus on Math and Language Arts.

We serve a diverse student body with both a mainstream. English Only and a Spanish bilingual program of instruction.

Our students come first! Our primary goal is to support students in reaching high academic standards, without ever losing sight of the particular needs of each developing child. We recognize that parents are a child's first teacher and are valued members of our school community. Parents and guardians are encouraged to participate actively in their child's education. Many avenues are created for parents to become integrated in the everyday functioning of the school. Parents are encouraged to join one of several parent groups: PTA, Dad's Club, ELAC, African American Parent Advisory Committee, or School Site Council. The contributions made by our parent groups are immeasurable. Communication is key to fostering and maintaining supportive relationships. Our parents look forward to school-wide updates via a weekly parent bulletin. Teachers can also be reached via Internet access, or through classroom and office phones.

Washington School prides itself on fostering a learning environment that is accessible to all students and families. We truly believe in the greatness of each child and strive to live out this motto each day.

Please contact me if I can support you or your child in any way, [tlantz@sanleandro.k12.ca.us](mailto:tlantz@sanleandro.k12.ca.us) or (510) 618-4360.

#### District Vision Statement

The mission of the San Leandro Unified School District is to educate students to achieve and demonstrate academic excellence and become confident, collaborative and competitive in a global society, by utilizing state-of-the-art technologies and innovative teaching strategies within a well-maintained, secure learning environment, in a region rich in heritage and diverse in culture, where we value our traditions while welcoming change.

### School Mission Statement

The Washington School Community is dedicated to providing equal access to learning for all students, where race, gender or socio-economic status does not predict which students achieve at school. Through culturally sensitive instructional practices we recognize the varied learning styles and intelligences of all students while maintaining high expectations. We strive to provide a nurturing, respectful, and safe learning environment that will empower children with skills and knowledge that will lead to their success in a changing world. Our commitment to the implementation of state standards through the use of board-adopted curricula will ensure that all students achieve to high levels of proficiency as determined by grade level, school, district, and state measures.

### District Profile

San Leandro Unified School District is located in the City of San Leandro, which is situated 20 miles southeast of San Francisco. San Leandro is a friendly and diverse city with a colorful heritage and numerous cultural amenities including a 450-berth Marina, two golf courses and a large community library center. San Leandro is well-known for its quiet, well-defined neighborhoods full of charming and unique older houses on tree-lined streets. San Leandro residents are proud of both their neighborhoods and their city, which can be seen in their active involvement in the city's numerous neighborhood and homeowner's associations.

### **Opportunities for Parental Involvement**

Parents and the community are very supportive of the education program at Washington Elementary School. Parents may participate in the Parent Teacher Association (PTA), African American Parent Advisory Committee, School Site Council (SSC), ELAC, Dad's Club, Coffee Klatch, and may volunteer in the classroom, library, and for various school events and field trips.

### Contact Information

Parents who wish to participate in Washington Elementary School's leadership teams, school committees, school activities, or become a volunteer may contact the main office at (510) 618-4360.

## School Safety Plan

This section provides information about the school's comprehensive safety plan, including the dates on which the safety plan was last reviewed, updated, and discussed with faculty; as well as a brief description of the key elements of the plan.

The safety of students and staff is a primary concern at Washington Elementary School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan was last updated in fall of 2012 by the school leadership team and the School Site Council. The key elements of the School Site Safety Plan entail counseling support for students, student discipline, yard supervision, maintaining a secure campus, and internal phones for all classrooms. Fire, earthquake, and intruder drills are conducted on a regular basis throughout the school year.

To ensure student safety, staff members supervise students at all times before and after school, and during recess and lunch. Any visitors to the campus are required to check in and check out at the school's office and wear the proper identification badge at all times.

The designated area for student dropoff and pickup is along Breed, Dutton, or Euclid Streets.

## School Facility Conditions and Planned Improvements (School Year 2013-14)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Description of the safety, cleanliness, and adequacy of the school facility
- Description of any planned or recently completed facility improvements
- The year and month in which the data were collected
- Description of any needed maintenance to ensure good repair

**Year and month in which data were collected:** 1/15/2013

### Maintenance & Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority to emergency repairs. At the time of publication 100% of the restrooms on campus were in good working order. The table displays the results of the most recent school facilities inspection provided by the district. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been scheduled for repair or are in the process of remediation.

With the passage of Measure B, modernization and renovation of the San Leandro schools has begun. For more information about Measure B, please visit the district's web site: [www.sanleandro.k12.ca.us](http://www.sanleandro.k12.ca.us).

### Age & Condition of Facilities

Washington Elementary School was originally constructed in 1917 and is currently comprised of 21 permanent classrooms, a library, a computer lab, a staff lounge, an auditorium, and a playground. Recent renovations to Washington Elementary School included the installation of a California Nature Garden and butterfly plants.

### Cleaning Process

The principal works daily with one full-time and one part-time custodial staff members to ensure that the cleaning of the school is maintained to provide for a clean and safe school.

### Deferred Maintenance Budget

The State School Deferred Maintenance Budget Program provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating/air conditioning, interior/exterior painting, electrical systems, and flooring. For the 2012-2013 school year, the district allocated \$164,000 for the deferred maintenance program. This represents .22% of the district's general fund budget.

### School Facility Good Repair Status (School Year 2013-14)

## Professional Development

This section provides information on the number of days provided for professional development and continuous professional growth in the most recent three year period.

Teachers have been trained in various strategies to meet the needs of our population. Teachers have received training such as GLADD, Arts Integration, Language Objectives, Edusoft, CCRTL, Soul Shoppe, PLCs and DIEBLS.

Staff development is supported for classroom implementation through site coaching, BTSA (Beginning Teachers Support and Assessment) Support Providers and District Literacy Coaches.

The district supports staff development through three Professional Growth Days each year.

## Core Academic Classes Taught by Highly Qualified Teachers

The Federal Elementary and Secondary Education Act (ESEA), also known as No Child Left Behind (NCLB), requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. For more information, see the CDE *Improving Teacher and Principal Quality* webpage at: [www.cde.ca.gov/nclb/sr/tq/](http://www.cde.ca.gov/nclb/sr/tq/)

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2013-14)

This section describes whether the textbooks and instructional materials used at the school are from the most recent adoption; whether there are sufficient textbooks and instruction materials for each student; and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

**Year and month in which data were collected:** December, 2012

San Leandro Unified School District sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school's instructional program. San Leandro Unified School District held a public hearing on September 20, 2011 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, and science lab equipment pursuant to the settlement of Williams vs. The State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks are adopted by the Board of Trustees after review by teachers and parents according to the timeline established by the State of California. All district-adopted textbooks are State Board adopted and aligned to the Academic Content Standards established by the California Board of Education. The most recent textbooks are illustrated in the chart.

#### Textbooks and Instructional Materials

## Student Performance Data

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- **California Standards Tests (CSTs)**, which include English-language arts (ELA) and mathematics (Math) in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science (H-SS) in grades eight, and nine through eleven.
- **California Modified Assessment (CMA)**, an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.
- **California Alternate Performance Assessment (CAPA)**, includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the Percent of Students not tested, see the CDE STAR Results Web site at [star.cde.ca.gov](http://star.cde.ca.gov).

STAR Results for All Students - Three-Year Comparison (A Composite of CST, CMA and CAPA)

Science	34	48	37	53	49	52	57	60	59
H-SS				39	37	40	48	49	49

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible. Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2013 STAR Results by Student Group (A Composite of CST, CMA and CAPA)

Group	Percent of Students Scoring at Proficient or Advanced			
	ELA	Math	Science	H-SS
All Students in the LEA	46	37	52	40

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## California Physical Fitness Test Results

The California Physical Fitness Test (PFT) is administered to students in grades five, seven, and nine only. This table displays by grade level the Percent of Students meeting the fitness standards for the most recent testing period. For detailed information regarding this test, and comparisons of a school's test results to the district and state, see the CDE PFT webpage at [www.cde.ca.gov/ta/tg/pf/](http://www.cde.ca.gov/ta/tg/pf/).

Grade Level	Percent of Students Meeting Fitness Standards

## DataQuest

DataQuest is an online data tool located on the CDE DataQuest webpage at [dq.cde.ca.gov/dataquest/](http://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

### Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. For detailed information about the API, see the CDE API webpage at [www.cde.ca.gov/ta/ac/ap/](http://www.cde.ca.gov/ta/ac/ap/).

API Growth by Student Group – Three-Year Comparison			
Group	Actual API Change		
	10-11	11-12	12-13
All Students at the School	42	-11	-33
Black or African American			
American Indian or Alaska Native			
Asian			
Filipino			
Hispanic or Latino	29	-14	-23
Native Hawaiian/Pacific Islander			
White			
Two or More Races			
Socioeconomically Disadvantaged	38	-8	-30
English Learners	37	0	-30
Students with Disabilities			

### Academic Performance Index Ranks - Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The **statewide API rank** ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state. The **similar schools API rank** reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

Academic Performance Index Ranks - Three-Year Comparison			
API Rank	2010	2011	2012
Statewide	2	3	2
Similar Schools	1	2	1

### Federal Intervention Program (School Year 2013-14)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE PI Status Determinations webpage: [www.cde.ca.gov/ta/ac/ay/tidetermine.asp](http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp).

Indicator	School	District

### Adequate Yearly Progress

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, can be found at the CDE Adequate Yearly Progress (AYP) webpage at [www.cde.ca.gov/ta/ac/ay/](http://www.cde.ca.gov/ta/ac/ay/).
