Principal's Message

Roosevelt is a community of learners who share a committed focus of ensuring that every child who comes into our school receives a fair and equitable education within a nurturing and safe environment. The work of our staff, PTA, and Dads' Club is a testament to what we can and have achieved toward making Roosevelt a model for other schools.

We are currently implementing the new Common Core Standards which require our students to learn concepts deeply and be able to explain their thinking. Our classroom instruction is rich and engaging with a strong focus on 21st Century Skills: Collaboration, Critical Thinking, Creativity and Communication. By ensuring that our students are proficient in the 4 C's, we move closer to closing the achievement gap and helping all students reach their full potential. We continue to engage in courageous conversations about race and its impact on students. Closing the achievement gap will take time, energy, and a commitment by all as we restructure how we've done things and realign resources to support success. This year, we have made a huge push towards integrating technology into our classrooms. This blended learning model will help ensure that our children are college and career ready when they leave SLUSD. For me, every child has a face and a name. For me, every child has the potential to achieve, to learn, and to excel.

District Vision Statement

The mission of the San Leandro Unified School District is to educate students to achieve and demonstrate academic excellence and become confident, collaborative and competitive in a global society, by utilizing state-of-the-art technologies and innovative teaching strategies within a well-maintained, secure learning environment, in a region rich in heritage and diverse in culture, where we value our traditions while welcoming change.

School Mission Statement

Roosevelt's mission is to provide a safe environment where high expectations, standards-based differentiated curriculum, and life-long learning are the norm for all students, as well as adults. We are working towards improving all students' scores on the high-stakes assessments, as well as narrowing and eventually closing the achievement gap through culturally responsive teaching, a rigorous academic program, and equitable practices. We believe this can be accomplished through a practice of open and honest communication, high expectations for every child, courageous conversations around race, partnerships with our families, and a commitment by all that values each child's voice. We invite our families and community members to partner with us and join us on this exciting journey.

District Profile

San Leandro Unified School District is located in the City of San Leandro, which is situated 20 miles southeast of San Francisco. San Leandro is a friendly and diverse city with a colorful heritage and numerous cultural amenities including a 450-berth Marina, two golf courses and a large community library center. San Leandro is well-known for its quiet, well-defined neighborhoods full of charming and unique older houses on tree-lined streets. San Leandro residents are proud of both their neighborhoods and their city, which can be seen in their active involvement in the city's numerous neighborhood and homeowner's associations.

About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school at (510) 667-3584.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2014-15)

San Leandro Unified School District sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school’s instructional program. San Leandro Unified School District held a public hearing on September 20th, 2011 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, and science lab equipment pursuant to the settlement of Williams vs. The State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks are adopted by the Board of Trustees after review by teachers and parents according to the timeline established by the State of California.

All district-adopted textbooks are State Board adopted and aligned to the Academic Content Standards established by the California Board of Education. The most recent textbooks are illustrated in the chart.

School Facility Conditions and Planned Improvements (Most Recent Year)

Age & Condition of Facilities

Roosevelt Elementary School was originally constructed in 1937 and is currently comprised of 23 permanent classrooms, a library, a staff lounge, multi-purpose/cafeteria, a computer lab, two playgrounds, a preschool SDC room, a third through fifth grade SDC room, a music room, an art room, a speech room, a RSP room, a counseling room, and an ACE room. Recent renovations include the installation of a new outdoor classroom shade structure and a new reading garden..

Cleaning Process

The principal works daily with two full-time custodial staff members to ensure that the cleaning of the school is maintained to provide for a clean and safe school.

Maintenance & Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and the highest priority to emergency repairs.

Deferred Maintenance Budget

The State School Deferred Maintenance Budget Program provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating/air conditioning, interior/exterior painting, electrical systems, and flooring. For the 2012-2013 school year, the district allocated \$164,000 for the deferred maintenance program. This represents .22% of the district's general fund budget.

At the time of publication 66% of Roosevelt Elementary School’s restrooms were in good working order. The chart displays the results of the mostrecent school facilities inspection provided by the district. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been scheduled for repair or are in the process of remediation.

With the passage of Measure B, modernization and renovation of the San Leandro schools has begun. Measure B allowed renovations to the lighting, paint, and bathrooms in the Summer of 2011. For more information about Measure B, please visit the district's web site: www.sanleandro.k12.ca.us.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its successor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

Parents and the community are very supportive of the educational program at Roosevelt Elementary School. Parents may participate in many committees, such as the Parent Teacher Association (PTA), Dad's Club, ELAC (English Language Advisory Committee), DELAC (District English Language Advisory Committee), our SSC(School Site Council), our LGBTQS Alliance, the AAPAG (African American Parent Advisory Group), Voces Unidas, and After School Enrichment programming. Parents are invited to attend monthly Coffee and Conversation meetings with the principal, beautification days, and the ACE group. Parents are also involved in volunteering in classrooms, for field trips and fundraisers, and within the school garden. Roosevelt Elementary thanks the PTA for its support in the recent creation of a new state-of-the-art outdoor classroom for the school.

Contact Information

Parents who wish to participate in Roosevelt Elementary School's leadership teams, school committees, school activities, or become a volunteer may contact the main office at (510) 618-4350.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The safety of students and staff is a primary concern at Roosevelt Elementary School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan is updated biannually at the beginning and end of the school year by the School Site Council and staff. This year's plan was reviewed, discussed and updated by the faculty in October 2014. The key element of the School Site Safety Plan encompasses student safety and evacuation procedures, if necessary. Fire, earthquake and lock down drills are conducted on a regular basis throughout the school year, and intruder drills are conducted twice a year. Emergency parent information brochures are handed out each year to families and can also be found in the office upon request.

To ensure student safety, staff members supervise students at all times before and after school, and during recess and lunch. Any visitors to the campus are required to check in at the school's office and wear the proper identification badge at all times. The designated areas for student drop off and pick up are at the front of the school and in the back of the school with a crossing guard.

Professional Development provided for Teachers at Roosevelt Elementary School

Staff development is focused on becoming a Professional Learning Community and building capacity around the use of technology in the classroom. Our teachers meet regularly in PLCs, Mills Teacher Scholars, and a fully developed Leadership Team to lead our staff in collaborative work. We have a four-page instructional focus plan that provides the guidance for our work. We continue to focus on Equity as staff development.

Staff development is supported for classroom implementation through BTSA (Beginning Teachers Support and Assessment) Support Providers and District Instructional Coaches.

The district supports staff development through three Professional Growth Days each year. Almost the entire Roosevelt staff participated in the District's Teaching, Learning and Innovation Conference in August 2014 to learn about Project Based Learning.

Highly Qualified Teachers

The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "Highly Qualified" no later than the end of the 2006-07 school year. Minimum qualifications include: possession of a Bachelor's Degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects.
