Principal's Message

Hello. Welcome to Washington School. "Community" is a word that comes to mind when students, parents, and staff think about our school. We are a caring community of life-long learners, who are dedicated to the academic, social and emotional growth of our 445 students, in Kindergarten through Fifth Grade. A key aspect of our academic program is strong adherence to California's Instructional Standards with a focus on Math and Language Arts.

We serve a diverse student body with both a mainstream. English Only and a Spanish bilingual program of instruction.

Our students come first! Our primary goal is to support students in reaching high academic standards, without ever losing sight of the particular needs of each developing child. We recognize that parents are a child's first teacher and are valued members of our school community. Parents and guardians are encouraged to participate actively in their child's education. Many avenues are created for parents to become integrated in the everyday functioning of the school. Parents are encouraged to join one of several parent groups: PTA, Dad's Club, ELAC, African American Parent Advisory Committee, or School Site Council. The contributions made by our parent groups are immeasurable. Communication is key to fostering and maintaining supportive relationships. Our parents look forward to school-wide updates via a weekly parent bulletin. Teachers can also be reached via Internet access, or through classroom and office phones.

Washington School prides itself on fostering a learning environment that is accessible to all students and families. We truly believe in the greatness of each child and strive to live out this motto each day.

Please contact me if I can support you or your child in any way, tlantz@sanleandro.k12.ca.us or (510) 618-4360.

District Vision Statement

The mission of the San Leandro Unified School District is to educate students to achieve and demonstrate academic excellence and become confident, collaborative and competitive in a global society, by utilizing state-of-the-art technologies and innovative teaching strategies within a well-maintained, secure learning environment, in a region rich in heritage and diverse in culture, where we value our traditions while welcoming change.

School Mission Statement

The Washington School Community is dedicated to providing equal access to learning for all students, where race, gender or socio-economic status does not predict which students achieve at school. Through culturally sensitive instructional practices we recognize the varied learning styles and intelligences of all students while maintaining high expectations. We strive to provide a nurturing, respectful, and safe learning environment that will empower children with skills and knowledge that will lead to their success in a changing world. Our commitment to the implementation of state standards through the use of board-adopted curricula will ensure that all students achieve to high levels of proficiency as determined by grade level, school, district, and state measures.

District Profile

San Leandro Unified School District is located in the City of San Leandro, which is situated 20 miles southeast of San Francisco. San Leandro is a friendly and diverse city with a colorful heritage and numerous cultural amenities including a 450-berth Marina, two golf courses and a large community library center. San Leandro is well-known for its quiet, well-defined neighborhoods full of charming and unique older houses on tree-lined streets. San Leandro residents are proud of both their neighborhoods and their city, which can be seen in their active involvement in the city's numerous neighborhood and homeowner's associations.

About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school at (510) 618-4360.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2014-15)

San Leandro Unified School District sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school's instructional program. San Leandro Unified School District held a public hearing on September 20, 2011 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, and science lab equipment pursuant to the settlement of Williams vs. The State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks are adopted by the Board of Trustees after review by teachers and parents according to the timeline established by the State of California. All district-adopted textbooks are State Board adopted and aligned to the Academic Content Standards established by the California Board of Education. The most recent textbooks are illustrated in the chart.

School Facility Conditions and Planned Improvements (Most Recent Year)

Maintenance & Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority to emergency repairs. At the time of publication 100% of the restrooms on campus were in good working order. The table displays the results of the most recent school facilities inspection provided by the district. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been scheduled for repair or are in the process of remediation.

With the passage of Measure B, modernization and renovation of the San Leandro schools has begun. For more information about Measure B, please visit the district's web site: www.sanleandro.k12.ca.us.

Age & Condition of Facilities

Washington Elementary School was originally constructed in 1917 and is currently comprised of 21 permanent classrooms, a library, a computer lab, a staff lounge, an auditorium, and a playground. Recent renovations to Washington Elementary School included the installation of a California Nature Garden and butterfly plants.

Cleaning Process

The principal works daily with one full-time and one part-time custodial staff members to ensure that the cleaning of the school is maintained to provide for a clean and safe school.

Deferred Maintenance Budget

The State School Deferred Maintenance Budget Program provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating/air conditioning, interior/exterior painting, electrical systems, and flooring. For the 2012-2013 school year, the district allocated \$164,000 for the deferred maintenance program. This represents .22% of the district's general fund budget.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its successor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

Parents and the community are very supportive of the education program at Washington Elementary School. Parents may participate in the Parent Teacher Association (PTA), African American Parent Advisory Committee, School Site Council (SSC), ELAC, Dad's Club, Coffee Klatch, and may volunteer in the classroom, library, and for various school events and field trips.

Contact Information

Parents who wish to participate in Washington Elementary School's leadership teams, school committees, school activities, or become a volunteer may contact the main office at (510) 618-4360.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The safety of students and staff is a primary concern at Washington Elementary School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan was last updated in fall of 2012 by the school leadership team and the School Site Council. The key elements of the School Site Safety Plan entail counseling support for students, student discipline, yard supervision, maintaining a secure campus, and internal phones for all classrooms. Fire, earthquake, and intruder drills are conducted on a regular basis throughout the school year.

To ensure student safety, staff members supervise students at all times before and after school, and during recess and lunch. Any visitors to the campus are required to check in and check out at the school's office and wear the proper identification badge at all times.

The designated area for student dropoff and pickup is along Breed, Dutton, or Euclid Streets.

Professional Development provided for Teachers at Washington Elementary School

Teachers have been trained in various strategies to meet the needs of our population. Teachers have received training such as GLADD, Arts Integration, Language Objectives, Edusoft, CCRTL, Soul Shoppe, PLCs and DIEBLS.

Staff development is supported for classroom implementation through site coaching, BTSA (Beginning Teachers Support and Assessment) Support Providers and District Literacy Coaches.

The district supports staff development through three Professional Growth Days each year.
