School Accountability Report Card

Reported Using Data from the 2015-16 School Year

Published During 2016-17

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2016-17)

MOTTO:

SGMS Students will:

BE Safe

BE Respectful

BE Responsible

BE College and Career Ready

VISION:

Inspiring students to make the dream of COLLEGE and CAREER READINESS a reality.

MISSION:

Getting students COLLEGE and CAREER ready through the school-wide implementation of AVID and PBIS strategies.

San Geronio Middle school will strive to provide a high quality educational opportunity to all students in a safe and secure learning environment through a shared commitment between home, school and community.

- We will inspire students to make the dream of college and career a reality.
- We will get students college and career ready through the school-wide implementation of AVID strategies.
- We will successfully transition students from elementary school to middle school, and from middle school to high school, providing the organizational tools, emotional support; and goal setting strategies they require.
- We will continue the process of preparing students for success beyond secondary education by providing them with the academic and social tools they need in order to become accomplished members of society.
- We will teach students the importance of using technology responsibly and proficiently.
- We will supply academic support to assist all students in achieving proficiency on the state standards.
- We will continually analyze school wide needs, providing students, parents, and staff with opportunities to strengthen the academic programs, provide for social growth, and a positive school climate.
- We will provide resources to all students to aid them in their emotional, academic and physical growth.
- We will provide a safe and secure learning environment, with emphasis on: the dangers of drug, alcohol, and tobacco abuse; bullying and conflict resolution; and violence prevention.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2016-17)**Year and month in which data were collected:** 09/27/2016

Beaumont Unified held a public hearing on September 27, 2016, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom. Textbooks and other standards-aligned instructional materials are adopted according to a cycle developed by the California Department of Education, making the textbooks and standards-aligned instructional materials used in the school the most current available.

School Facility Conditions and Planned Improvements (Most Recent Year)

San Gorgonio Middle was originally constructed in 1960 as the home of Beaumont High School and is comprised of 40 classrooms, 1 gym, 1 multipurpose room/cafeteria, 1 library, 1 staff lounge, 2 computer labs, and several athletic fields. Cleaning Process: The principal works daily with the custodial staff of 4 (3 full-time and 1 part-time) to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards are available at the district office for review.

Maintenance and Repair: District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority are given to emergency repairs. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

Deferred Maintenance Budget: The district participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar-for-dollar basis to assist school districts with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2015-16)

Grade Level	Percent of Students Meeting Fitness Standards

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-17)

San Geronio Middle School greatly benefits from its supportive parents. The school has a strong base of parent volunteers who assist with school activities and chaperone field trips. Parents are also involved in School Site Council (SSC), English Learners Advisory Committee (ELAC) and participate in Learning Walks with school personnel.

Contact Information

Parents or community members who wish to participate in School Site Council, English Learners Advisory Council, school committees, school activities, or become a volunteer may contact the San Geronio Middle School office at (951) 769-4391.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

School Safety Plan (School Year 2016-17)

Safety of students and staff is a primary concern of San Gorgonio Middle. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan was last reviewed and updated on September 1, 2016 by the School Site Council. All revisions were communicated to both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a regular basis throughout the school year. Lock-down drills are held as needed. Students are supervised before school, after school, during lunch, and during passing periods by certificated staff and classified staff. There is a designated area for student drop off and pick up. Visitors must check in at the Attendance Office before entering school grounds. Student expectations are taught through the successful implementation of PBIS.

Professional Development (Most Recent Three Years)

As part of the growth process, opportunities for training and staff development are provided at both the district and individual school sites to administrators, teachers, and classified staff. The district offers two Professional Development days annually where staff members are offered professional growth opportunities in curriculum, teaching strategies, and methodologies.

SGMS is continuing the implementation of the AVID program school-wide which requires extensive professional development. 36 of our 40 certificated staff members have been trained in AVID through Summer Institute and Pathway Training. All certificated staff members will have multiple opportunities to attend AVID training's throughout the 2016-17 school year. All math teachers attended AVID Content Tutorial Training in 2015-2016 so they can utilize those skills in their classrooms.

All staff, certificated and classified, have either been trained, or is scheduled to be trained, in PBIS strategies.

Math and ELA teachers receive continuous training in curriculum implementation and Common Core State Standards (CCSS)..

Ongoing Professional Development is provided by District Instructional Coaches, contracting with outside consultants such as the Riverside County Office of Education and frequent classroom visits and feedback. Teachers collaborate weekly to review student progress and plan instructional activities.
