Superintendent's Message

Our School Accountability Report Card (SARC) is designed to provide an important view of the academic progress and a reflection of the collective education community, which includes all our most valued stakeholders: students, parents/guardians, teachers, support staff and administrators in the Rialto Unified School District. Not all school districts post DARCS, but we feel, in the Rialto Unified School District, that through transparency and open communication we must provide the community the proper tools to access all our schools' finding.

From the School Accountability Report Card (SARC) you will acknowledge that our District is transitioning from the California State Standards to the California Common Core Standards, in English Language Arts and mathematics. Our teachers and administrators are working diligently to make the "shifts" towards the Common Core implementation. For the greater cause of success for all our students, our vision for excellence must continue through positive and proactive relationships among staff, students and parent/guardians. With knowledgeable, capable and compassionate staff, we will also continue to strengthen and align our core curriculum and assessment to the highest level of academic attainment and assist students to be college and career ready.

Our high school students are given various opportunities to complete the required credits for graduation and earn their high school diplomas. All students will also be offered rigorous, honors and Advanced Placement classes. We want to help produce responsible citizens in our richly diverse communities, who can compete in a global workforce. Through cutting edge technology, with an emphasis on career pathways, our students have more opportunities to be career ready. We are excited to introduce higher educational partnerships with our community college to some of our high school students, who will be able to proudly walk with a high school diploma and an associate's degree, through the Middle College High School Program. Our tremendously awesome task of developing young minds must always be the focal point of our responsibilities. We will do our part in making sure our students are provided quality education in the Rialto Unified School District.

On behalf of the Board of Education, it is my honor to serve as Interim Superintendent of the Rialto Unified School District. Students do not learn alone, they depend on the ingredients of nurturing parents, supportive staff, an eager mind and an atmosphere that welcomes quality instruction. We will always do our best in making sure our students are provided the tools they need to succeed in school and in life.

Sincerely,

Mohammad Z. Islam, Interim Superintendent

Principal's Message

Building on a rich tradition of pride and spirit of community, Kolb Middle School strides confidently into 21st century learning. We offer our students competitive programs within project-based and hands-on learning environments including AVID strategies school wide, flipped classrooms, Coding Club/Activities, Newspaper, Robotics, Yearbook, Speech/Debate, STEM, MESA, and Advanced Art/Graphic Art. These unique and content-rich courses provide our students with innovative opportunities to explore and learn Common Core academics as well as college and career skills that will prepare them for high school, college and beyond.

Tops in the district amongst middle schools, Kolb continues a steady growth with an accumulated score of 761 on the last California Academic Index (API) measurement. We value the dedication, commitment and collaboration of our students, staff and parents for this academic achievement.

Kolb Middle School has a highly efficient and structured Professional Learning Community (PLC) model that we continue to strengthen. Our teachers focus on positive outcomes for student performance using Accountable Talk, Sheltered instruction Observation Protocol (SIOP) for lesson planning, Positive Behavior Intervention System (PBIS), depth of knowledge questioning, and high order thinking skills in their instruction all striving towards full of implementation of Common Core standards.

The teachers of Kolb Middle School devote staff development time to the areas of building a positive culture, academic vocabulary development in all content areas, student engagement, writing across the curriculum, higher order thinking, structured student-to-student interaction, and research writing. Our staff continues to refine its professional practices, especially the use of collaborative teams to develop common lesson plans for students with similar and/or specialized academic needs.

At Kolb Middle School, parent/guardian participation is encouraged through our participation on School Site Council (SSC), English Learner Advisory Council (ELAC), Parent Teacher Student Association (PTSA), Parent Volunteer Programs, and by use of the Parent Portal and school website. Additional information regarding Kolb's policies and procedures can be found in the Student Handbook and on our regularly updated website.

Community & School Profile: Nestled below the San Bernardino Mountains, the City of Rialto lies in the west portion of the San Bernardino Valley, due west of the County Seat. Rialto is sixty miles to the east of Los Angeles and 103 miles north of San Diego.

About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school at (909) 820-7849.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2014-15)

Pursuant to the settlement of Williams vs. the State of California, Rialto Unified School District held a public hearing to determine whether or not each school had sufficient and good quality textbooks, instructional materials, and/or science laboratory equipment. The date of the most recent resolution of the sufficiency of textbooks is September 11, 2013.

All students, including English Learners, are given their own individual textbooks and/or instructional materials (in core subjects), for use in the classroom and to take home if necessary. Additionally, all textbooks and instructional materials used within the district are aligned with the California State Content Standards and frameworks, with final approval by the Board of Education. The table displays information collected in November 2013 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements (Most Recent Year)

Kolb Middle School, originally constructed in 1965, was thoroughly modernized in 2004. The campus is currently comprised of 39 permanent classrooms, 12 portable classrooms, a cafeteria/multipurpose room, a library, a computer lab, a staff room, an athletic field, and administrative offices. As of January 2012, the school renovated six science labs, equipped with state-of-the-art technology to assist students. The chart displays the most recent facilities inspection as of December 2012. Any deficiencies listed in the chart are added to the work order process when time and funding is available.

School Safety

The safety of students and staff is a primary concern of Kolb Middle School. All visitors to the campus must sign in at the office and wear a visitor's pass at all times. Supervision is provided to ensure the safety of each student before school, during breaks, at lunch, and after school. Supervision is a responsibility shared among parent/guardian volunteers, teachers, and administrators. To further safeguard the well-being of students and staff, a comprehensive School Site Safety Plan has been developed by the School Site Council. The Safety Plan was most recently updated in March 2012; any revisions and updates are reviewed immediately with the staff. Key elements of the Safety Plan focus on the following:

- School rules & procedures
- Disaster procedures/routine & emergency drills
- Current status of school crime
- Notification to teachers
- Child abuse reporting procedures
- School-wide dress code
- Policies related to suspension/expulsion
- Sexual harassment policy
- Safe ingress & egress of pupils, parents/guardians, & school employees

The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Safety drills, including fire, earthquake, and code yellow are held monthly.

Cleaning Process

The school provides a safe and clean environment for students, staff, and volunteers. The District's Board of Education has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with the school's custodial staff to develop sanitation schedules that ensure a clean, safe, and functional learning environment.

Maintenance & Repair

A scheduled maintenance program is administered by the school's custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by Rialto Unified School District to ensure that school grounds and facilities remain in excellent repair. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received.

Facility Improvements / Deferred Maintenance

The district has a five year, Deferred Maintenance Plan designed to address expenditures for major repair or replacement of existing school building components and any needed Facility Improvements. Typically this includes roofing, plumbing, heating electrical systems, interior or exterior painting, and floor systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its successor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Opportunities for Parental Involvement

Parents/Guardians and the community are very supportive of the educational program at Kolb Middle School. Parents/Guardians are encouraged to become involved in their child’s education by volunteering at the school, participating in school activities, and joining the School Site Committee (SSC) or English Learner Advisory Committee (ELAC). Currently, the school is working with feeder schools to create an easier transition from elementary to middle school and from middle to high school.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The safety of students and staff is a primary concern of every School site. All visitors to the campus must sign in at the office and wear a visitor’s pass at all times. Supervision is provided to ensure the safety of each student before school, during breaks, at lunch, and after school. Supervision is a responsibility shared among parent/guardian volunteers, teachers, and administrators.

To further safeguard the well-being of students and staff, a comprehensive School Site Safety Plan has been developed by the School Site Council. The Safety Plan was most recently updated in March 2015; any revisions and updates are reviewed immediately with the staff. Key elements of the Safety Plan focus on the following:

- School rules & procedures
- Current status of school crime
- Notification to teachers
- Child abuse reporting procedures
- School-wide dress code
- Policies related to suspension/expulsion
- Sexual harassment policy
- Safe ingress & egress of pupils, parents/guardians, & school employees
- Disaster procedures/routine & emergency drills

The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Safety drills, including fire, earthquake, and intruder on campus are held monthly.

Suspensions and Expulsions			
School	11-12	12-13	13-14
Suspensions Rate	18.1	18.3	15.4

Professional Development provided for Teachers at Ben F. Kolb Middle School

A constructive evaluation process promotes quality instruction and is a fundamental element in a sound educational program. Evaluations and formal observations are designed to encourage common goals and to comply with the state’s evaluation criteria and district policies. Temporary and probationary teachers are evaluated twice a year and tenured teachers are evaluated every other year.

Evaluations are conducted by the principal, who has been trained and certified for competency to perform teacher evaluations. Evaluations are based on the “California Standards for the Teaching Profession,” which include the following: Engaging and Supporting all Students in Learning; Understanding and Organizing Subject Matter for Student Learning; Assessing Student Learning; Creating and Maintaining Effective Environments for Student Learning; Planning Instruction and Designing Learning Experiences for all Students; and Developing as a Professional Educator.

Due to the state fiscal crisis, additional funding from the State of California that would provide an opportunity to offer district-wide professional development through “Buy Back Days” has not been available for the past three years. Rialto Unified School District (RUSD) has worked within the state fiscal crisis to provide an alternative plan of action for staff development, and has established a comprehensive District-wide Professional Development Center (PDC). The PDC provides ongoing staff development in a variety of formats throughout the school year (i.e. during the school day with substitutes provided, after school, on-site, weekends, and during instructional breaks). In collaboration with the PDC, teachers have access to online videos and resources as additional professional development support.

District Mission Statement

The mission of the Rialto Unified School District is to provide high levels of learning for all students and to inspire people to set goals that maximize their potential.

District Vision:

The Rialto Unified School District will be a leader in providing a quality education that prepares all students for their future.

District Core Values:

EXCELLENCE: We strive towards excellence in our pursuit of student achievement.

ACCOUNTABILITY: We are responsible for unleashing the maximum potential of each student, recognizing that our roles are critical in their success.

DIVERSITY: We embrace and celebrate the diversity, history and collective cultures in our community.

INTEGRITY: We respect and value our relationships based on honesty and compassion, and we are transparent in our actions.

COMMUNITY: We build positive partnerships for the benefit of our students and community.

SAFETY: We provide a safe educational environment.
