## 2013-14 School Accountability Report Card

### Superintendent's Message

Our School Accountability Report Card (SARC) is designed to provide an important view of the academic progress and a reflection of the collective education community, which includes all our most valued stakeholders: students, parents/guardians, teachers, support staff and administrators in the Rialto Unified School District. Not all school districts post DARCS, but we feel, in the Rialto Unified School District, that through transparency and open communication we must provide the community the proper tools to access all our schools' finding.

From the School Accountability Report Card (SARC) you will acknowledge that our District is transitioning from the California State Standards to the California Common Core Standards, in English Language Arts and mathematics. Our teachers and administrators are working diligently to make the "shifts" towards the Common Core implementation. For the greater cause of success for all our students, our vision for excellence must continue through positive and proactive relationships among staff, students and parent/guardians. With knowledgeable, capable and compassionate staff, we will also continue to strengthen and align our core curriculum and assessment to the highest level of academic attainment and assist students to be college and career ready.

Our high school students are given various opportunities to complete the required credits for graduation and earn their high school diplomas. All students will also be offered rigorous, honors and Advanced Placement classes. We want to help produce responsible citizens in our richly diverse communities, who can compete in a global workforce. Through cutting edge technology, with an emphasis on career pathways, our students have more opportunities to be career ready. We are excited to introduce higher educational partnerships with our community college to some of our high school students, who will be able to proudly walk with a high school diploma and an associate's degree, through the Middle College High School Program. Our tremendously awesome task of developing young minds must always be the focal point of our responsibilities. We will do our part in making sure our students are provided quality education in the Rialto Unified School District.

On behalf of the Board of Education, it is my honor to serve as Interim Superintendent of the Rialto Unified School District. Students do not learn alone, they depend on the ingredients of nurturing parents, supportive staff, an eager mind and an atmosphere that welcomes quality instruction. We will always do our best in making sure our students are provided the tools they need to succeed in school and in life.

Sincerely,  
**Mohammad Z. Islam**, Interim Superintendent

## Principal's Message

Zupanic High School is a fully accredited independent study high school. When the traditional high school setting or attendance requirements do not meet the special needs of students, Zupanic High School offers alternative educational options. At Zupanic, students receive one-on-one instruction in all courses. The curriculum for each discipline meets The Common Core Standards and is aligned with district guidelines. The personal touch extends beyond the curriculum, with our teachers and administrator working closely with students and their parents/guardians to meet our students' educational and personal needs. Zupanic has a dedicated staff that is determined to graduate young men and women who will be prepared for life after high school, whether on a College or Career Education.

## Community & School Profile

Nestled below the San Bernardino Mountains, the City of Rialto lies in the west portion of the San Bernardino Valley. Rialto is sixty miles to the east of Los Angeles and 103 miles north of San Diego.

Rialto Unified School District served 25,957 students in grades kindergarten through twelve during the 2013-14 school year. Comprised of 19 elementary schools, five middle schools, three traditional high schools, one alternative high school, one continuation high school, and a community day school, the district offers instruction on a traditional schedules.

Located in southern Rialto, Zupanic High School operates on a traditional calendar schedule. Instructional delivery is provided through independent study, with students on campus only one to two hours each week.

## About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school at (909) 820-8120.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2014-15)**

Pursuant to the settlement of Williams vs. the State of California, Rialto Unified School District held a public hearing to determine whether or not each school had sufficient and good quality textbooks, instructional materials, and/or science laboratory equipment. The date of the most recent resolution of the sufficiency of textbooks is September 11, 2013.

All students, including English Learners, are given their own individual textbooks and/or instructional materials (in core subjects), for use in the classroom and to take home if necessary. Additionally, all textbooks and instructional materials used within the district are aligned with the California State Content Standards and frameworks, with final approval by the Board of Education. The table displays information collected in November 2013 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

**School Facility Conditions and Planned Improvements (Most Recent Year)**

Zupanic High School, originally constructed in 1981, shares its facilities with Milor Continuation High School. While the program functions out of two classrooms, students have access to all facilities. The campus is currently comprised of three permanent classroom buildings, eight portable classrooms, an outside lunch area, a break area, a library, two computer labs, a staff lounge, an athletic field, a basketball court, and administrative offices. The chart displays the most recent facilities inspection as of December 2014. Any deficiencies listed in the chart are added to the work order process when time and funding is available.

**School Safety**

The safety of students and staff is a primary concern of Zupanic High School. All visitors to the campus must sign in at the office and wear a visitor's pass at all times. Supervision is provided to ensure the safety of each student before school, during breaks, at lunch, and after school. Supervision is a responsibility shared among parent/guardian volunteers, teachers, and administrators. To further safeguard the well-being of students and staff, a comprehensive School Site Safety Plan has been developed by the School Site Council. The Safety Plan was most recently updated in March 2012; any revisions and updates are reviewed immediately with the staff. Key elements of the Safety Plan focus on the following:

- School rules & procedures
- Disaster procedures/routine & emergency drills
- Current status of school crime
- Notification to teachers

- Child abuse reporting procedures
- School-wide dress code
- Policies related to suspension/expulsion
- Sexual harassment policy
- Safe ingress & egress of pupils, parents/guardians, & school employees

The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Safety drills, including fire, earthquake, and code yellow are held monthly.

#### Cleaning Process

The school provides a safe and clean environment for students, staff, and volunteers. The District's Board of Education has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with the school's custodial staff to develop sanitation schedules that ensure a clean, safe, and functional learning environment.

#### Maintenance & Repair

A scheduled maintenance program is administered by the school's custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by Rialto Unified School District to ensure that school grounds and facilities remain in excellent repair. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received.

#### Facility Improvements / Deferred Maintenance

The district has a five year, Deferred Maintenance Plan designed to address expenditures for major repair or replacement of existing school building components and any needed Facility Improvements. Typically this includes roofing, plumbing, heating electrical systems, interior or exterior painting, and floor systems.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its successor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### Opportunities for Parental Involvement

Parents/Guardians and the community are very supportive of the educational program at Zupanic. Parents/Guardians are encouraged to become involved in their child's education by volunteering at the school, chaperoning events, participating in school activities, and joining the School Site Council and English Learner Advisory Committee.

Parents/Guardians are required to attend an enrollment conference with a school official before their student is admitted to Zupanic High School. The school offers counseling sessions for parents/guardians so that they may more closely monitor their student's progress.

### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan

The safety of students and staff is a primary concern of every School site. All visitors to the campus must sign in at the office and wear a visitor's pass at all times. Supervision is provided to ensure the safety of each student before school, during breaks, at lunch, and after school. Supervision is a responsibility shared among parent/guardian volunteers, teachers, and administrators.

To further safeguard the well-being of students and staff, a comprehensive School Site Safety Plan has been developed by the School Site Council. The Safety Plan was most recently updated in March 2015; any revisions and updates are reviewed immediately with the staff. Key elements of the Safety Plan focus on the following:

- Safe ingress & egress of pupils, parents/guardians, & school employees
- Disaster procedures/routine & emergency drills

The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Safety drills, including fire, earthquake, and intruder on campus are held monthly.

### Professional Development provided for Teachers at Zupanic High School

A constructive evaluation process promotes quality instruction and is a fundamental element in a sound educational program. Evaluations and formal observations are designed to encourage common goals and to comply with the state’s evaluation criteria and district policies. Temporary and probationary teachers are evaluated twice a year and tenured teachers are evaluated every other year.

Evaluations are conducted by the principal, who has been trained and certified for competency to perform teacher evaluations. Evaluations are based on the “California Standards for the Teaching Profession,” which include the following: Engaging and Supporting all Students in Learning; Understanding and Organizing Subject Matter for Student Learning; Assessing Student Learning; Creating and Maintaining Effective Environments for Student Learning; Planning Instruction and Designing Learning Experiences for all Students; and Developing as a Professional Educator.

Due to the state fiscal crisis, additional funding from the State of California that would provide an opportunity to offer district-wide professional development through “Buy Back Days” has not been available for the past three years. Rialto Unified School District (RUSD) has worked within the state fiscal crisis to provide an alternative plan of action for staff development, and has established a comprehensive District-wide Professional Development Center (PDC). The PDC provides ongoing staff development in a variety of formats throughout the school year (i.e. during the school day with substitutes provided, after school, on-site, weekends, and during instructional breaks). In collaboration with the PDC, teachers have access to online videos and resources as additional professional development support.
