### **Principal's Message**

Eisenhower High School is committed to educating our students to the highest standard. The faculty and staff are dedicated professionals and paraprofessionals who work diligently to educate the total student. Our wonderful team is dedicated to providing a safe, productive atmosphere with high expectations for success. We will continue to develop the focus on learning for all students. Our staff makes every effort to maintain positive, open communication with parents/guardians and the surrounding community. Through our use of the automated Parent Link phone system, we can communicate with our entire school community clearly and effectively in both English and Spanish.

Eisenhower will continue to develop effective, productive PLC's (Professional Learning Communities) in all core areas. Teachers in each subject area will work collaboratively to develop effective instructional strategies and assessments in order to improve the instructional program and increase student achievement. We will continue building strong positive relationships with both students and parents to maximize the effectiveness of our efforts. The importance of increasing students' readiness to be college and career ready is emphasized. We provide students opportunities with a plethora of Advanced Placement classes as well as career technical classes. Interventions are also provided for students who are having difficulty academically or behaviorally.

### **Community & School Profile**

Nestled below the San Bernardino Mountains, the City of Rialto lies in the west portion of the San Bernardino Valley, due west of the County Seat. Rialto is sixty miles to the east of Los Angeles and 103 miles north of San Diego.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2016-17)**

Pursuant to the settlement of Williams vs. the State of California, Rialto Unified School District held a public hearing to determine whether or not each school had sufficient and good quality textbooks, instructional materials, and/or science laboratory equipment. The date of the most recent resolution of the sufficiency of textbooks is January 11, 2017.

All students, including English Learners, are given their own individual textbooks and/or instructional materials (in core subjects), for use in the classroom and to take home if necessary. Additionally, all textbooks and instructional materials used within the district are aligned with the California State Content Standards and frameworks, with final approval by the Board of Education.

### **School Facility Conditions and Planned Improvements (Most Recent Year)**

Eisenhower High School, originally constructed in 1959, has been thoroughly modernized over the past several decades. The campus is currently comprised of 112 permanent classrooms, 44 portable classrooms, a cafeteria, a band/choir room, a theater, a library, four computer labs, three staff rooms, tennis courts, a pool, four athletic fields, a gymnasium, and administrative offices. Currently, the science buildings are being renovated, and four science rooms are being revamped.

#### **School Safety**

The safety of students and staff is a primary concern of Eisenhower High School. All visitors to the campus must sign in at the office and wear a visitor's pass at all times. Supervision is provided to ensure the safety of each student before school, during breaks, at lunch, and after school. Supervision is a responsibility shared among parent/guardian volunteers, teachers, and administrators. To further safeguard the well-being of students and staff, a comprehensive School Site Safety Plan has been developed by the School Site Council. The Safety Plan was most recently updated in March 2012; any revisions and updates are reviewed immediately with the staff. Key elements of the Safety Plan focus on the following:

- School rules & procedures
- Disaster procedures/routine & emergency drills
- Current status of school crime
- Notification to teachers
- Child abuse reporting procedures
- School-wide dress code
- Policies related to suspension/expulsion
- Sexual harassment policy
- Safe ingress & egress of pupils, parents/guardians, & school employees

The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Safety drills, including fire, earthquake, and code yellow are held monthly.

#### **Cleaning Process**

The school provides a safe and clean environment for students, staff, and volunteers. The District's Board of Education has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with the school's custodial staff to develop sanitation schedules that ensure a clean, safe, and functional learning environment.

#### **Maintenance & Repair**

A scheduled maintenance program is administered by the school's custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by Rialto Unified School District to ensure that school grounds and facilities remain in excellent repair. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received.

#### **Facility Improvements / Deferred Maintenance**

The district has a five year, Deferred Maintenance Plan designed to address expenditures for major repair or replacement of existing school building components and any needed Facility Improvements. Typically this includes roofing, plumbing, heating electrical systems, interior or exterior painting, and floor systems.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2015-16 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)

ELA	48	45	29	31	44	48
Math	21	17	17	18	34	36

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Science	39	30	35	54	49	43	60	56	54

\* Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	2015-16 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
9	23.8	20	24.4

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2015-16 CAASPP Results by Student Group Science (grades 5, 8, and 10)				
Group	Number of Students		Percent of Students	
	Enrolled	with Valid Scores	w/ Valid Scores	Proficient or Advanced
All Students	650	608	93.5	34.7
Male	329	307	93.3	34.9
Female	321	301	93.8	34.6
Black or African American	69	61	88.4	26.2

English Learners	144	136	94.4	4.4
Students with Disabilities	74	67	90.5	7.5

\* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2015-16 CAASPP Assessment Results - English Language Arts (ELA)  
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Student Group	Grade	Number of Students		Percent of Students	
		Enrolled	Tested	Tested	Standard Met or Exceeded
All Students	11	528	514	97.3	45.0
Male	11	254	243	95.7	39.8
Female	11	274	271	98.9	49.6

Socioeconomically Disadvantaged	11	468	457	97.7	43.1
English Learners	11	89	84	94.4	4.8
Students with Disabilities	11	47	44	93.6	4.7
Foster Youth	11	--	--	--	--

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. ### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### Opportunities for Parental Involvement (School Year 2016-17)

Parents and the community are very supportive of the educational program at Eisenhower High School. Parents are encouraged to become involved in their child’s education by volunteering at the school, chaperoning events, participating in school activities, and joining the School Site Council, English Learner Advisory Committee, and Parent Teacher Student Association (PTSA).

School-to-home communication is a primary focus of the school which provides opportunities for discussion regarding the educational program, as well as open forums to address parental concerns and the needs of the students. The school also offers Parent Meetings, which provide training for parents who wish to better assist their child’s academic success.

Numerous programs at the school have been enhanced due to generous contributions and donations from the following local businesses and service organizations: Kiwanis, Lions Club, Rotary, Target, Grocery Warehouse, Wal Mart, Superior Market, Office Depot and Office Max.

#### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### School Safety Plan

The safety of students and staff is a primary concern of every School site. All visitors to the campus must sign in at the office and wear a visitor’s pass at all times. Supervision is provided to ensure the safety of each student before school, during breaks, at lunch, and after school. Supervision is a responsibility shared among parent/guardian volunteers, teachers, and administrators.

To further safeguard the well-being of students and staff, a comprehensive School Site Safety Plan has been developed by the School Site Council. The Safety Plan was most recently updated in March 2015; any revisions and updates are reviewed immediately with the staff. Key elements of the Safety Plan focus on the following:

- School rules & procedures
- Current status of school crime
- Notification to teachers
- Child abuse reporting procedures
- School-wide dress code
- Policies related to suspension/expulsion
- Sexual harassment policy
- Safe ingress & egress of pupils, parents/guardians, & school employees
- Disaster procedures/routine & emergency drills

The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Safety drills, including fire, earthquake, and Intruder on campus are held monthly.

\* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

### Professional Development provided for Teachers

A constructive evaluation process promotes quality instruction and is a fundamental element in a sound educational program. Evaluations and formal observations are designed to encourage common goals and to comply with the state's evaluation criteria and district policies. Temporary and probationary teachers are evaluated twice a year and tenured teachers are evaluated every other year.

Evaluations are conducted by the principal, who has been trained and certified for competency to perform teacher evaluations. Evaluations are based on the "California Standards for the Teaching Profession," which include the following: Engaging and Supporting all Students in Learning; Understanding and Organizing Subject Matter for Student Learning; Assessing Student Learning; Creating and Maintaining Effective Environments for Student Learning; Planning Instruction and Designing Learning Experiences for all Students; and Developing as a Professional Educator.

Due to the state fiscal crisis, additional funding from the State of California that would provide an opportunity to offer district-wide professional development through "Buy Back Days" has not been available for the past four years. Rialto Unified School District (RUSD) has worked within the state fiscal crisis to provide an alternative plan of action for staff development, and has established a comprehensive District-wide Professional Development Center (PDC). The PDC provides ongoing staff development in a variety of formats throughout the school year (i.e. during the school day with substitutes provided, after school, on-site, weekends, and during instructional breaks). In collaboration with the PDC, teachers have access to online videos and resources as additional professional development support.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
