### Principal's Message

Building on a rich tradition of pride and spirit of community, Kolb Middle School strides confidently into 21st century learning. We offer our students competitive programs within project-based and hands-on learning environments including AVID strategies school wide, flipped classrooms, Coding Club/Activities, Newspaper, Robotics, Yearbook, Speech/Debate, STEM, MESA, and Advanced Art/Graphic Art. These unique and content-rich courses provide our students with innovative opportunities to explore and learn Common Core academics as well as college and career skills that will prepare them for high school, college and beyond.

Tops in the district amongst middle schools, Kolb continues a steady growth with an accumulated score of 761 on the last California Academic Index (API) measurement. We value the dedication, commitment and collaboration of our students, staff and parents for this academic achievement.

Kolb Middle School has a highly efficient and structured Professional Learning Community (PLC) model that we continue to strengthen. Our teachers focus on positive outcomes for student performance using Accountable Talk, Sheltered instruction Observation Protocol (SIOP) for lesson planning, Positive Behavior Intervention System (PBIS), depth of knowledge questioning, and high order thinking skills in their instruction all striving towards full of implementation of Common Core standards.

The teachers of Kolb Middle School devote staff development time to the areas of building a positive culture, academic vocabulary development in all content areas, student engagement, writing across the curriculum, higher order thinking, structured student-to-student interaction, and research writing. Our staff continues to refine its professional practices, especially the use of collaborative teams to develop common lesson plans for students with similar and/or specialized academic needs.

At Kolb Middle School, parent/guardian participation is encouraged through our participation on School Site Council (SSC), English Learner Advisory Council (ELAC), Parent Teacher Student Association (PTSA), Parent Volunteer Programs, and by use of the Parent Portal and school website. Additional information regarding Kolb's policies and procedures can be found in the Student Handbook and on our regularly updated website.

Community & School Profile: Nestled below the San Bernardino Mountains, the City of Rialto lies in the west portion of the San Bernardino Valley, due west of the County Seat. Rialto is sixty miles to the east of Los Angeles and 103 miles north of San Diego.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)**

Pursuant to the settlement of Williams vs. the State of California, Rialto Unified School District held a public hearing to determine whether or not each school had sufficient and good quality textbooks, instructional materials, and/or science laboratory equipment. The date of the most recent resolution of the sufficiency of textbooks is January 11, 2017.

All students, including English Learners, are given their own individual textbooks and/or instructional materials (in core subjects), for use in the classroom and to take home if necessary. Additionally, all textbooks and instructional materials used within the district are aligned with the California State Content Standards and frameworks, with final approval by the Board of Education.

**School Facility Conditions and Planned Improvements (Most Recent Year)**

Kolb Middle School, originally constructed in 1965, was thoroughly modernized in 2004. The campus is currently comprised of 39 permanent classrooms, 12 portable classrooms, a cafeteria/multipurpose room, a library, a computer lab, a staff room, an athletic field, and administrative offices. As of January 2012, the school renovated six science labs, equipped with state-of-the-art technology to assist students. The chart displays the most recent facilities inspection as of August 2018. Any deficiencies listed in the chart are added to the work order process when time and funding is available.

**School Safety**

The safety of students and staff is a primary concern of Kolb Middle School. All visitors to the campus must sign in at the office and wear a visitor’s pass at all times. Supervision is provided to ensure the safety of each student before school, during breaks, at lunch, and after school. Supervision is a responsibility shared among parent/guardian volunteers, teachers, and administrators. To further safeguard the well-being of students and staff, a comprehensive School Site Safety Plan has been developed by the School Site Council. The Safety Plan was most recently updated in March 2018; any revisions and updates are reviewed immediately with the staff. Key elements of the Safety Plan focus on the following:

- School rules & procedures
- Disaster procedures/routine & emergency drills
- Current status of school crime
- Notification to teachers
- Child abuse reporting procedures
- School-wide dress code
- Policies related to suspension/expulsion
- Sexual harassment policy
- Safe ingress & egress of pupils, parents/guardians, & school employees

The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Safety drills, including fire, earthquake, and code yellow are held monthly.

**Cleaning Process**

The school provides a safe and clean environment for students, staff, and volunteers. The District’s Board of Education has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with the school’s custodial staff to develop sanitation schedules that ensure a clean, safe, and functional learning environment.

**Maintenance & Repair**

A scheduled maintenance program is administered by the school’s custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by Rialto Unified School District to ensure that school grounds and facilities remain in excellent repair. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received.

**Facility Improvements / Deferred Maintenance**

The district has a five year, Deferred Maintenance Plan designed to address expenditures for major repair or replacement of existing school building components and any needed Facility Improvements. Typically this includes roofing, plumbing, heating electrical systems, interior or exterior painting, and floor systems.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	27.0	27.0	30.0	33.0	48.0	50.0
Math	16.0	17.0	18.0	20.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)

Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
7	21.9	18.3	13.6

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### **C. Engagement**

#### **State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### **Opportunities for Parental Involvement (School Year 2018-19)**

Parents/Guardians and the community are very supportive of the educational program at Kolb Middle School. Parents/Guardians are encouraged to become involved in their child's education by volunteering at the school, participating in school activities, and joining the School Site Committee (SSC) or English Learner Advisory Committee (ELAC). Currently, the school is working with feeder schools to create an easier transition from elementary to middle school and from middle to high school.

#### **State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### **School Safety Plan**

The safety of students and staff is a primary concern of every School site. All visitors to the campus must sign in at the office and wear a visitor's pass at all times. Supervision is provided to ensure the safety of each student before school, during breaks, at lunch, and after school. Supervision is a responsibility shared among parent/guardian volunteers, teachers, and administrators.

To further safeguard the well-being of students and staff, a comprehensive School Site Safety Plan has been developed by the School Site Council. The Safety Plan was most recently updated in March 2018; any revisions and updates are reviewed immediately with the staff. Key elements of the Safety Plan focus on the following:

- |   |  |
|---|--|
| <ul style="list-style-type: none"> <li>• School rules &amp; procedures</li> <li>• Current status of school crime</li> <li>• Notification to teachers</li> <li>• Child abuse reporting procedures</li> <li>• School-wide dress code</li> </ul> | <ul style="list-style-type: none"> <li>• Policies related to suspension/expulsion</li> <li>• Sexual harassment policy</li> <li>• Safe ingress &amp; egress of pupils, parents/guardians, &amp; school employees</li> <li>• Disaster procedures/routine &amp; emergency drills</li> </ul> |
|---|--|

The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Safety drills, including fire, earthquake, and intruder on campus are held monthly.

#### Professional Development provided for Teachers

A constructive evaluation process promotes quality instruction and is a fundamental element in a sound educational program. Evaluations and formal observations are designed to encourage common goals and to comply with the state's evaluation criteria and district policies. Temporary and probationary teachers are evaluated twice a year and tenured teachers are evaluated every other year.

Evaluations are conducted by the principal, who has been trained and certified for competency to perform teacher evaluations. Evaluations are based on the "California Standards for the Teaching Profession," which include the following: Engaging and Supporting all Students in Learning; Understanding and Organizing Subject Matter for Student Learning; Assessing Student Learning; Creating and Maintaining Effective Environments for Student Learning; Planning Instruction and Designing Learning Experiences for all Students; and Developing as a Professional Educator.

Due to the state fiscal crisis, additional funding from the State of California that would provide an opportunity to offer district-wide professional development through “Buy Back Days” has not been available for the past four years. Rialto Unified School District (RUSD) has worked within the state fiscal crisis to provide an alternative plan of action for staff development, and has established a comprehensive District-wide Professional Development Center (PDC). The PDC provides ongoing staff development in a variety of formats throughout the school year (i.e. during the school day with substitutes provided, after school, on-site, weekends, and during instructional breaks). In collaboration with the PDC, teachers have access to online videos and resources as additional professional development support.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
