### **School Description**

The Morgan Elementary School staff continues to emphasize the importance of a well-balanced academic program. We are dedicated to provide every student with opportunities for success and doing what is best for each of them. Parents/Guardians and community members are essential to our school program. We encourage our parents/guardians to participate actively in their children's education by attending school functions, volunteering in the classroom, communicating regularly with their children's teacher, joining our PTO, and making sure their children get to school on time. We encourage all parents/guardians to read with their children on a daily basis. Research shows that children who read at home everyday with their parent/guardian are more successful in school. Community & School Profile Nestled below the San Bernardino Mountains, the City of Rialto lies in the west portion of the San Bernardino Valley, due west of the County Seat. Rialto is sixty miles to the east of Los Angeles and 103 miles north of San Diego. Rialto Unified School District served over 25,000 students in grades kindergarten through twelve during the 2018-19 school year. Comprised of 19 elementary schools, five middle schools, three traditional high schools, one alternative high school, one continuation high school, and a community day school, the district offers instruction on both traditional and year-round schedules. Located in northern Rialto, Morgan Elementary School operates on a year-round, single-track schedule.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)**

Pursuant to the settlement of Williams vs. the State of California, Rialto Unified School District held a public hearing to determine whether or not each school had sufficient and good quality textbooks, instructional materials, and/or science laboratory equipment. The date of the most recent resolution of the sufficiency of textbooks is September 12, 2018.

All students, including English Learners, are given their own individual textbooks and/or instructional materials (in core subjects), for use in the classroom and to take home if necessary. Additionally, all textbooks and instructional materials used within the district are aligned with the California State Content Standards and frameworks, with final approval by the Board of Education.

### School Facility Conditions and Planned Improvements (Most Recent Year)

Morgan Elementary School, originally constructed in 1961, was thoroughly modernized in 1999. The campus is currently comprised of 21 permanent classrooms, seven portable classrooms, a conference room, an administrative office building, a cafeteria/multipurpose room, a library, one staff lounge, one staff workroom, a parent center, and two playgrounds. At the time of publication, 100% of all restrooms were in working condition. The chart displays the results of the most recent school facilities inspection as of September 2018. Any deficiencies listed in the chart are added to the work order process when time and funding is available.

#### School Safety

The safety of students and staff is a primary concern of Morgan Elementary School. All visitors to the campus must sign in at the office and wear a visitor's pass at all times. Supervision is provided to ensure the safety of each student before school, during breaks, at lunch, and after school. Supervision is a responsibility shared among parent/guardian volunteers, teachers, and administrators. To further safeguard the well-being of students and staff, a comprehensive School Site Safety Plan has been developed by the School Site Council. The Safety Plan was most recently updated in March 2018; any revisions and updates are reviewed immediately with the staff. Key elements of the Safety Plan focus on the following:

- School rules & procedures
- Disaster procedures/routine & emergency drills
- Current status of school crime
- Notification to teachers
- Child abuse reporting procedures
- School-wide dress code
- Policies related to suspension/expulsion
- Sexual harassment policy
- Safe ingress & egress of pupils, parents/guardians, & school employees

The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Safety drills, including fire, earthquake, and code yellow are held monthly.

#### Cleaning Process

The school provides a safe and clean environment for students, staff, and volunteers. The District's Board of Education has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with the school's custodial staff to develop sanitation schedules that ensure a clean, safe, and functional learning environment.

#### Maintenance & Repair

A scheduled maintenance program is administered by the school's custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by Rialto Unified School District to ensure that school grounds and facilities remain in excellent repair. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received.

#### Facility Improvements / Deferred Maintenance

The district has a five year, Deferred Maintenance Plan designed to address expenditures for major repair or replacement of existing school building components and any needed Facility Improvements. Typically this includes roofing, plumbing, heating electrical systems, interior or exterior painting, and floor systems.

**School Facility Good Repair Status (Most Recent Year)**

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	36	45	33	36	50	50
Math	22	34	20	22	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

### 2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	14.6	13.5	6.2

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2019-20)

Parents/Guardians and the community are very supportive of the educational program at Morgan Elementary School. Parents/Guardians are encouraged to become involved in their child's education by volunteering at the school, participating in school activities, and joining school committees and councils. Morgan Elementary School also receives support and donations from various local businesses and service organizations including, but not limited to: WalMart, Target, Hometown Buffet, Carl's Jr., Jack-in-the-Box and Sizzler.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### School Safety Plan

The safety of students and staff is a primary concern of every School site. All visitors to the campus must sign in at the office and wear a visitor's pass at all times. Supervision is provided to ensure the safety of each student before school, during breaks, at lunch, and after school. Supervision is a responsibility shared among parent/guardian volunteers, teachers, and administrators.

To further safeguard the well-being of students and staff, a comprehensive School Site Safety Plan has been developed by the School Site Council. The Safety Plan was most recently updated in March 2018; any revisions and updates are reviewed immediately with the staff. Key elements of the Safety Plan focus on the following:

- School rules & procedures
- Current status of school crime
- Notification to teachers
- Child abuse reporting procedures
- School-wide dress code
- Policies related to suspension/expulsion
- Sexual harassment policy
- Safe ingress & egress of pupils, parents/guardians, & school employees
- Disaster procedures/routine & emergency drills

The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Safety drills, including fire, earthquake, and Intruder on campus are held monthly.

### Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement			

A constructive evaluation process promotes quality instruction and is a fundamental element in a sound educational program. Evaluations and formal observations are designed to encourage common goals and to comply with the state's evaluation criteria and district policies. Temporary and probationary teachers are evaluated twice a year and tenured teachers are evaluated every other year.

Evaluations are conducted by the principal, who has been trained and certified for competency to perform teacher evaluations. Evaluations are based on the "California Standards for the Teaching Profession," which include the following: Engaging and Supporting all Students in Learning; Understanding and Organizing Subject Matter for Student Learning; Assessing Student Learning; Creating and Maintaining Effective Environments for Student Learning; Planning Instruction and Designing Learning Experiences for all Students; and Developing as a Professional Educator.

Due to the state fiscal crisis, additional funding from the State of California that would provide an opportunity to offer district-wide professional development through "Buy Back Days" has not been available for the past four years. Rialto Unified School District (RUSD) has worked within the state fiscal crisis to provide an alternative plan of action for staff development, and has established a comprehensive District-wide Professional Development Center (PDC). The PDC provides ongoing staff development in a variety of formats throughout the school year (i.e. during the school day with substitutes provided, after school, on-site, weekends, and during instructional breaks). In collaboration with the PDC, teachers have access to online videos and resources as additional professional development support.
