School Description

Welcome to Escalona Elementary School, where students soar on the wings of success! Escalona Elementary is a kindergarten through grade five neighborhood school in La Mirada, California where staff and community take pride in enriching the lives of our students.

At Escalona School we take strong action to positively influence a quality instructional program that promotes student success and focuses on improving student learning. We provide an education that is based on the Common Core State Standards and that encourages creativity, communication, collaboration and critical thinking. Our school culture is one of diversity, inclusion, and possibility; qualities that provide support for student learning. Our culture sets the tone for our students' success and achievement and provides the rallying point for our staff, students, parents, businesses, and neighbors.

Teachers, students, parents, and the community all work together to foster an appreciation of each child's uniqueness as a member of a diverse multiethnic, multicultural society. To increase our effectiveness as teachers, administrators, and staff, we share leadership, promote collegiality, continuously learn and apply new strategies, establish standards of professional performance, and take risks to try new ideas.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school at (714) 521-0970 or the district office.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

Escalona maintains two active parent/teacher support groups: the PTA and the School Site Council. Parents and community members are actively involved with teachers and staff in decision making. Our school encourages parent and community involvement in the classroom in order to serve our students. Parents and community members regularly volunteer in the classroom, supervise field trips, and provide supplementary instruction for students. Escalona’s monthly Parent Newsletter, weekly grade-level newsletters, and the Web site help keep parents informed of schoolwide activities and programs.

Through fund-raisers, Escalona’s PTA has brightened Escalona with colorful murals, a double-sided marquee, backpack racks for each classroom, playground equipment in the kindergarten yard, and a permanent shade structure over the lunch area. The PTA also funds the Meet the Masters art appreciation program, the Reading Eagles are Dynamite (READ) Home Reading Program, various school assemblies and transportation for field trips.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates, pupil expulsion rates; and other local measures on the sense of safety.

School Safety Plan

Staff and parent volunteers monitor the school grounds for 15 minutes before and after school as well as at all recesses and at lunch time. Teachers regularly review the rules for safe and responsible behavior in school and on the playground. We have a closed campus that is fully fenced and visitors must enter the school through the school office to sign in and obtain a visitor badge that must be worn throughout their stay.

Escalona's School Safety Committee updates the School Safety Plan annually each October and trains the staff on safety procedures at that time. The plan includes information on disaster drills, evacuation routes, disaster teams, and the location of first-aid supplies. The School Site Council reviews, revises, and approves the School Safety Plan annually. It is available for review in the school's main office. We practice fire drills each month, lockdown drills each trimester and Earthquake drills twice each year. We maintain a storage shed that houses school-wide disaster supplies. Additionally, each classroom is equipped with a bucket that holds emergency equipment. Supply and equipment inventories are conducted annually by the School Safety Committee. The emergency supply of food and water is replaced per their expiration dates.

Types of Services Funded

Escalona teachers provide in class academic interventions to assist students in attaining grade level achievement. These interventions include the use of several computer based, computer adapted programs including Raz-Kids (K-2), iReady (K-5) and Study Island (4-5). Other in-class interventions include small group instruction and guided reading.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Professional Development provided for Teachers

During the 2014-2015 school year, Escalona staff participated in professional development opportunities designed to clarify and facilitate the transition from curriculum and instruction based on California State Standards to the new curriculum and instructional strategies based on Common Core Standards. Common Core is a set of standards developed by the federal government in the hopes of unifying educational standards nationwide. The professional development at Escalona highlighted the instructional shifts in English Language Arts, Mathematics, Writing and the Integration of Technology Skills within the instructional content. On site professional development was conducted two times per month. In addition, Escalona teachers were supported by district common core coaches and on site common core lead teachers.
