### **School Description**

John Glenn is one of three comprehensive high schools in the Norwalk-La Mirada Unified School District and serves 1400 students on the main campus and 250 students at the Southeast Military Academy campus.

The following is the school's mission: To graduate students who are active, contributing members of society and who have unlimited career opportunities." Student achievement, active involvement in extracurricular activities and program, safety, parent involvement, and readiness after high school are top priorities at John Glenn.

Our goal is to help each student develop the academic, social, and lifelong skills to reach their highest potential to navigate uncharted territory. To achieve this, we provide equal access to standards-based instruction and extracurricular activities in an environment that is rigorous and relevant. Extracurricular activities for athletes include cross country, basketball, football, golf, soccer, tennis, volleyball, softball, track, and wrestling. Clubs include Drama Club, CSF, Yearbook, Latino Club, Salsa Club, Ecology Club, and our award-winning Band and Drama Program. Our Advancement Via Individual Determination (AVID) program motivates students to attend college and our education (ACE) and transportation (TCAP) academies prepare students for post-secondary options. We also offer a Film and TV Production Pathway.

Safety is a critical component of student achievement, and our staff is committed to ensure a safe and orderly environment. Our goal is to ensure that our students know that we care about each of them and that they feel welcome. We are united in our expectations and apply the code of conduct and dress code consistently in and out of the classroom. Every student is dignified and respected but we hold them responsible for their actions; our aim is for students to understand their role and responsibility for their own learning and the learning of others.

It is our hope that students leave John Glenn HS knowing they were valued and cared for in an optimal learning environment that prepared them for postsecondary education or a career pathway. We recognize that to create a culture of possibilities, adults and parents need to work together to inspire our students and to instill the idea that education is an equalizer.

Parent involvement is a priority. We continue to foster opportunities for parents to be involved in monthly meetings for the English Language Advisory Committee (ELAC), School Site Council, and PTSA. In addition, our band, drama, AVID, academies, and sports have strong parental support and opportunities for parent involvement. Our goal is to increase parent participation, because there is strong positive correlation between parent involvement and student academic success.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

English Learners	46	45	97.8	4.4
Students with Disabilities	46	42	91.3	21.4
Students Receiving Migrant Education Services	14	14	100.0	42.9

\* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2015-16 CAASPP Assessment Results - English Language Arts (ELA)  
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Student Group	Grade	Number of Students		Percent of Students	
		Enrolled	Tested	Tested	Standard Met or Exceeded
All Students	11	339	328	96.8	37.8
Male	11	175	171	97.7	33.3

Students with Disabilities	11	54	52	96.3	7.7
Students Receiving Migrant Education Services	11	--	--	--	--
Foster Youth	11	--	--	--	--

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### Opportunities for Parental Involvement (School Year 2016-17)

John Glenn High School recognizes the need to increase parent involvement. Parents will receive regular communications from the school sharing opportunities for involvement in PTSA, ELAC, SSC and other social events such as student performances and activities. We will continue to work with our parents who wish to be involved at Glenn HS.

Parents are encouraged to participate in site based leadership groups to work collaboratively with teachers, students, and staff during various monthly meetings to address issues that support student achievement, including school climate, discipline policies and dress code, supplemental educational materials, and the budget. ELAC also meets on the second Friday of the month at 9:15am. More information regarding ELAC can be obtained by calling the school at 868-0431, extension 5123 and/or by visiting our school Web site.

All parents are invited to our Back-to-School Night in September, when teachers share the standards, syllabus, and expectations for the year; a community fair is also held on this evening to connect with parents beyond the classroom in more family-like setting.

In order to support positive home-school communication on a daily basis, John Glenn students are provided with a student agenda/planner. Students are required to record both class work and homework each day and have it checked and signed by a parent each night. Our principal also uses a telecommunications system regularly to inform parents of important events. Additionally, the Parent Portal Communication System is another resource to increase communication between the home and the school.

For more information about volunteering at John Glenn High School you can call our principal, Greg Puccia at (562) 868-0431 ext. 5110 or access the John Glenn Web site ([www.jghs.org](http://www.jghs.org)).

#### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### School Safety Plan

The site administrators, Head of Plant Protection, and school security aides monitor the arrival of students before school begins. The administration uses the arrival time of students to greet students with the goal of establishing relationships with the students and make certain that students know that all adults involved in supervision care about their safety and welfare.

Students are dismissed at 3 p.m. School security monitors the gates to ensure that students exit campus in a safe and orderly manner, and administration monitors foot traffic in front of the administration building and at the corner of Shoemaker Avenue and Foster Road. Administration also uses this time to connect with students through conversations about their day and experience at school.

John Glenn High School is a closed campus and the arrival of visitors is strictly monitored. Visitors must enter through the main office building located on Shoemaker Avenue. Visitors sign in at the front office and report to office personnel the nature of the visit. Visitors are given a visitor's pass to allow monitored movement on campus. When the visit is over, visitors are required to sign out through the main office. School security and administration are diligent in monitoring school visitors.

Our School Safety Plan is reviewed annually. This plan includes procedures for emergencies, exit routes, and inventories of emergency supplies. The School Safety Plan is made available to our parents through the main office and is also on file at the district office. This plan is shared with all staff during a school-wide staff meeting. Fire and earthquake drills are practiced as required by law. The administration provides information to the staff on newly revised practices to make certain that students and staff are informed in order to ensure safety for all.

In compliance with the Williams Settlement, an annual facilities inspection is held with LA County Office of Education personal. This year our site received good and excellent in all areas. Our goal is to receive excellent marks in all areas

### Professional Development provided for Teachers

Glenn High School prides itself on the amount of professional development that it provides its teachers and staff, and has implemented a comprehensive approach through the development of its Single Plan for Student Achievement.

The key focus of the professional development plan is the improvement of instruction.

Teachers in each department receive support and resources to collaborate on a regular basis. Each team is responsible for working together to develop common assessments, lesson plans, assignments and projects. Teachers also use this time to compare performance data that is used to improve teaching and identify students for support. Teachers within John Glenn's Linked Learning pathways also collaborate frequently to support students who articulate through their programs.

The Norwalk-La Mirada Unified School District also supports Glenn High School by providing a tremendous amount of professional development. Glenn High has developed a Common Core Leadership Team that attends district trainings, and is responsible for bringing the information back to their colleagues. The district also provides teachers in each department training specific to their curricular and instructional needs on a regular basis.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
