### **School Description**

Welcome to D.D. Johnston Elementary School, where we focus on Building Great Character One Pillar At A Time. Currently we have just completed the second year of state testing using the new Smarter Balanced Assessment on the California Common Core Standards. The state of California has yet to release guidance in expected growth and status expectations. Our academic program is called ExCEL, which stands for Excellence: A Commitment to Every Learner. Students are assessed on a consistent basis and parents are provided progress reports on a regular basis. Students in Kindergarten through 5th grade take a diagnostic assessment at least twice a year (Kindergarten) and three times (1st through 5th grade).

D.D. Johnston Elementary supports our districtwide literacy initiative and teachers collaborate to provide our students the best instruction possible. Our School Site Council (SSC) provides resources to support this initiative. We also provide students the opportunity to many online resources at no cost to our families. Students have free access to an online academic support computer program (iREADY) in ELA and Math both at school and at home. Students are awarded points and can earn an award each month for attaining the most points.

Our school's motto is Building Great Character One Pillar At A Time. We enrich our students with education in the Six Pillar of Character, which include Trustworthiness, Respect, Responsibility, Caring, Fairness, and Citizenship. Each month, we focus on a pillar and discuss it in assemblies, classrooms, and Student of the Month awards. In addition, we are a Playworks school. We have a full-time coach that teaches all of our students the Power of Play.

Here at Johnston, our community is very important to us. We keep our parents informed of their child's progress through our schoolwide report cards. We include important information on our website and send flyers and calendars/events through our Thursday Folders. Every Friday, parents are welcomed to have lunch with their child during their regular lunch period.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2016-17 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	15-16	16-17	15-16	16-17	15-16	16-17
ELA	37	40	46	44	48	48
Math	23	35	29	30	36	37

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2015-16 CAASPP Results by Student Group Science (grades 5, 8, and 10)				
Group	Number of Students		Percent of Students	
	Enrolled	with Valid Scores	w/ Valid Scores	Proficient or Advanced
All Students	74	73	98.7	57.5
Male	37	36	97.3	61.1
Female	37	37	100.0	54.1
Hispanic or Latino	64	63	98.4	52.4

English Learners	17	17	100.0	35.3
Students with Disabilities	13	12	92.3	66.7

\* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	14-15	15-16	14-15	15-16	14-15	15-16
Science	61	58	52	47	56	54

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Grade Level	2016-17 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	13.7	24.7	21.9

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

<b>Students Receiving Migrant Education Services</b>	--	--	--	--
<b>Foster Youth</b>	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### **C. Engagement**

#### **State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### **Opportunities for Parental Involvement (School Year 2017-18)**

We have many ways for parents to participate in the life of our school, and we depend on parents to keep our programs running smoothly. Parents can join our School Site Council, which works with administration to help make financial decisions. Parents of English learners are vital to our ELAC and to our outreach efforts. Parent volunteers help with special projects in the classroom and chaperone on field trips. The PTA sponsors annual fund-raisers and has raised funds to purchase two playground structures and playground benches and tables. We invite all parents to attend Back-to-School Night in the fall, Open House in the spring, and parent-teacher conferences in November and March. Our school uses the Blackboard Connect communication system to notify families of important school events. We always need new volunteers!

In addition, we are always looking for ways to enhance our parental involvement program. Annually, our parents are provided a survey where they can inform us on specific areas. This information is important to us and we take great pride in our results.

#### **State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan

Staff monitors the school grounds for 15 minutes before and after school as well as at all recesses and at lunchtime. Teachers regularly review the rules for safe, responsible behavior in school and on the playground. A schoolwide assembly to review school rules and conduct is presented twice a year (September and January). Visitors must enter the school through the main gate after being buzzed in for clearance and sign in at the office, where they receive a visitor's badge to wear throughout their stay.

We revise our School Safety Plan annually.. The plan includes procedures for emergencies, exit routes, and inventories of emergency supplies. We make the plan available on our school Web site and keep copies in the office for parents. We share the plan with all staff during a schoolwide staff meeting. We conduct monthly schoolwide and districtwide drills three times a year. In addition we hold an annual training for staff on emergency preparedness. In addition, the school has a safety committee that is comprised of staff and parents in order to update the plan.

## Professional Development provided for Teachers

### Professional Development

#### On-site Professional Development:

Every first and third Wednesday of the month, teachers are provided professional development in the areas of instruction, assessment, and collaborative culture. On-site professional development is mirrored to the district plan for instruction and assessment.

A minimum of one day a month, instructional support staff collaborates with the principal to ensure they are clear on the expectations and their role in supporting student achievement.

#### Off-site Professional Development:

The school district provides ongoing professional development at the District to teachers. This PD is provided to support teachers with the implementation of district wide initiatives.

Teachers and administrator attend conferences that support the growth in Professional Learning Communities and Interventions.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
