### **School Description**

Welcome to Sanchez Elementary School. We are proud of our students and the academic progress they have made in reading, language arts, English language development, science and mathematics. Through our combined efforts and focused instruction, Sanchez Elementary students continue to transition to the new Common Core State Standards and are learning technology skills to ensure their success in the 21st Century. Our school community continues to be committed to each student in their quest for academic achievement.

Our school mission, We are a school that prepares our students for future by helping them become active learners, responsible citizens, and critical thinkers, is evident in every classroom and in every other area around the campus.

We take pride in our professional development and professional learning community. Teachers have time to plan strategically for the needs of each of their students. Through teacher collaboration and frequent reflection on learning, our students will continue to gain the access and support needed to become proficient in all academic areas. We also want to ensure that our students become citizens of character. As a school, we highlight a character theme each month from the Character Counts themes of Trustworthiness, Respect, Responsibility, Fairness, Caring and Citizenship. Students are frequently recognized for displaying these traits. In addition, we implement the use of PlayWorks during our recess time so that students learn to engage positively during unstructured activities and, should they choose to, they can take on a leadership role as a Junior PlayWorks Coach.

In an effort to continue to strive toward providing a balanced program for students, we continually incorporate the arts during the academic day. All our students, from our pre-K special day classes to our general education fifth grade classes, receive music instruction. The PTA has also provided arts opportunities for our students by bringing in performers for our students to experience and enjoy and by participating in the Reflections Program each year.

We are fortunate to have an after school program at Sanchez: ASES Prep Academy. The program provides a safe and nurturing enrichment program to students after school for free.

We believe that a meaningful partnership between home and school only serves to strengthen a child's academic experience. Parents are invited and encouraged to be part of the school by participating in our PTA, ELAC, and School Site Council.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	32.0	26.0	44.0	46.0	48.0	50.0
Math	24.0	20.0	30.0	32.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	20.0	23.6	14.5

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2017-18 CAASPP Assessment Results - English Language Arts (ELA)  
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

<b>Student Group</b>	<b>Total Enrollment</b>	<b>Number Tested</b>	<b>Percent Tested</b>	<b>Percent Met or Exceeded</b>
<b>All Students</b>	166	164	98.80	26.22

<b>Students Receiving Migrant Education Services</b>	--	--	--	--
<b>Foster Youth</b>	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The achievement level percentages are calculated using only students who received scores.

### **C. Engagement**

#### **State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### **Opportunities for Parental Involvement (School Year 2018-19)**

At Sanchez, we encourage and foster parent participation through out PTA, ELAC and SSC. Parents are an integral part of our School Site Council, which works with school staff to make financial decisions and monitors student learning that impacts student achievement. Parents of English Learners are vital to our ELAC and to our outreach efforts on behalf of new families. The PTA fund raises and organizes fun events for students. They also bring in activities to enrich the academic program, such as performance assemblies.

Parents are invited to join us in various activities throughout the year such as our Read Across America picnic, Muffins with Mom, our yearly schoolwide Bar-B-Que, attendance at the high school football game, training relative to social/emotional and academic success, field trips, volunteering in the classroom, at home and around campus as well as others. We welcome all parents to Back-to-School Night in the fall, Open House in the spring, and parent-teacher conferences in December and March. Parents are invited to attend our monthly awards assemblies, our monthly flag assemblies as well as our trimester awards assemblies. Parents can also receive recognition during our trimester awards. Between one and three parents are awarded for their contributions to the school and/or classroom. In addition, surveys are sent home three times a year to parents to ask for input on how to continue to make parents feel welcome and to facilitate their involvement.

To ensure frequent communication, parents receive flyers as well as phone messages to inform them of any upcoming events. We also have a website, where parents can look at our calendar and other information.

We continue to work toward building a strong parent and school partnership in the effort to support our academic program.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan**

We go to great lengths to guarantee the safety of our students on campus. Staff members, such as the principal, and supervision aides, monitor the school grounds for 30 minutes before school as well as at all recesses, at lunchtime, and after school. Teachers regularly review the rules for safe, responsible behavior in school and on the playground. We have a closed campus that is fully fenced. Visitors must enter the school and sign in through the main office, where they receive a visitor's pass to wear throughout their stay.

We revise our School Safety Plan annually. The plan is reviewed with all staff during a school wide staff meeting. The School Site Council Team makes final revisions and a plan is submitted to the district's Security Office. A plan is posted in every building throughout the school that includes procedures for emergencies. We've also created exit routes, and inventories of emergency supplies. A copy of the School Safety Plan is in each classroom along with an emergency supplies backpack. Copies of the plan are available in the office for parents to review. Teachers instruct the students on safety procedures during emergencies. We conduct school wide fire, earthquake, and shelter in place drills monthly, and we run through a couple districtwide disaster drills annually.

Any visitors must sign in at the school office to ensure students are safe.

### Professional Development provided for Teachers

The team at Sanchez Elementary is working diligently to transition to the Common Core State Standards and are working on becoming a Professional Learning Community.

The team decided, after much analysis of academic data and professional discussion, to focus our professional development on math. District coaches, as well as our Common Core Math Leads, are providing the staff with trainings focused on math once a month.

In addition to receiving training at least once a month in math, teachers are being trained to become a Professional Learning Community as well as to learn about the district's Instructional Practice Priorities. These trainings occur once a month as well. The teachers receive at least professional development afternoons twice a month. In addition to this training, teachers meet twice a week to collaborate and one to two days in the summer to plan.

Individual teachers, as well as grade level teams, call on district trainers to model lessons. Teachers also observe each other's lessons to learn from each other. These practices occur one to four times a year.

### Types of Services Funded

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
