School Description

Welcome to La Pluma Elementary School where our mission is developing students to lead, think, problem-solve, care, and create! With 480 students, our school encourages children to develop a love for learning in a safe, engaging, and academically challenging environment. Students, parents, and staff team together to provide a positive campus where we shape academic, physical, emotional, social and artistic development of our students. We partner closely with families and our surrounding community to create a supportive environment that recognizes the individual differences and needs of our children. We work to support one child at a time as we help students grow and develop with 21st century skills. Preparing your child for the future is our primary goal and we welcome you as our partners in this important journey.

The elementary years are the foundation for development of strong, positive attitudes, capabilities, habits, and academic skills. With this responsibility in mind, our curriculum is rigorous, motivating, and creative. Learning is challenged and supported through standards-based instruction, unified units of study, small group and whole group learning, technology, problem solving, inquiry, and enrichment opportunities such as art, music, and choir. Our classroom learning environments promote intellectual curiosity, encourage creativity, and provide a balance between teamwork and independence. Our hope is to celebrate learning as a lifelong experience.

As part of our commitment to the community, parent involvement at La Pluma continues to soar! On any given day, visitors to our campus will see parents working together with teachers in classrooms, on the playground, and in our parent center, providing that key ingredient found in highly effective schools. At La Pluma, we share a unified vision to increase student achievement, address the needs of the whole child through the arts and character education, and to cultivate responsible, respectful, and productive citizens.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	46.0	52.0	44.0	46.0	48.0	50.0
Math	42.0	45.0	30.0	32.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	26.4	16.1	19.5

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2017-18 CAASPP Assessment Results - English Language Arts (ELA)
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

English Learners	27	27	100.00	51.85
Students with Disabilities	46	44	95.65	18.18
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

La Pluma stands with a committed and active PTA. Our PTA prides itself on strengthening the school by providing many programs and enrichment opportunities for our students and families. Parents in our school are encouraged to volunteer in various capacities, including classroom helpers, library volunteers, mentors, field trip chaperones, office projects, room parents, playground helpers, gardeners, G.A.T.E. program enrichment, and, of course, involvement with our PTA. Many of our parents are involved in our district PTA Council meetings and special events. In addition, parents play a key role on our School Site Council Committee. They are involved with our English Language Advisory Committee, and they serve as liaisons to several district committees. PTA leadership has always encouraged parents to be highly involved in their child's education. Parents create wonderful partnerships by sharing their time and talents.

Many special events are planned in partnership with our parents and staff: Kindergarten Meet & Greet, First Day Welcome Reception, Teacher Welcome Luncheon, Back-to-School Night, Harvest Carnival, Silent Auction, Holiday Program, McTeacher's Night, Grandparents' Day, Founders' Day, Science Camp for 5th grade, Jog-A-Thon, Talent Show, Open House, Fifth Grade Activities, Promotion Ceremonies for Kindergarten and Fifth Grades, and Teacher Appreciation. Our high level of parental involvement is the key to making our school a great place to be! We are working together to "team up" for the success for all of our students!

We strive for a community-like atmosphere. Frequent communication provides parents with many ways to get involved and gain knowledge about their child's education. Each month, the PTA produces an award winning newsletter, The Panther Paws News. This monthly publication keeps parents updated on upcoming events and opportunities for involvement. All of our school events and important information can be found on our school website by visiting www.laplumaelementary.org.

For information about participating at our school, please contact our PTA President, through the school office.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Supervision staff and volunteers monitor the school grounds for 15 minutes before and after school as well as at all recesses and at lunch time. As part of our Positive Behavior Support Program, teachers regularly review the rules for safe, responsible, and respectful behavior in school, on the playground, and about campus. We have a closed campus that is fully fenced. Visitors must enter the school through the school office and sign in, where they receive a visitor's badge to wear throughout their stay.

We revise our School Safety Plan annually in February. The plan includes procedures for emergencies, exit routes, and inventories of emergency supplies. We share the plan with all staff during a school wide staff meeting. We practice fire and earthquake drills ten times a year and hold mock trainings for staff and students on emergency preparedness in October and late April. We have an earthquake shed where we store emergency supplies for every student and faculty member as well as for the 10-20 parent and community volunteers who can be found at La Pluma on any given day.

Professional Development provided for Teachers

As part of the professional evaluation process, each staff member sets professional growth goals in the fall. Goals are met through college courses, workshops and conferences, professional reading, classroom and site visitations, and collaborative work with other educators. Staff members demonstrate a sincere commitment to on going professional development. A comprehensive list of school wide professional development includes the following:

1. Teacher collaboration for the purpose of analyzing data, planning Common Core units, daily lesson planning, and planning for intervention
2. Training on the new Common Core State Standards and curriculum resources for math
3. Training on the new Common Core State Standards (CCSS) and curriculum resources for Writer's Workshop
4. Training on the new CCSS for Reading and resources
5. Training on the new CCSS for English Language Development (ELD) and resources
6. Training on the new CCSS for word study and resources
7. Training on differentiation of Instruction using technology with emphasis on ELD
8. Training on Positive Behavior Intervention Support (PBIS) and development of school implantation plan
9. Continued training and progress toward developing as a Professional Learning Community (PLC)
10. Participate in biweekly grade level articulation meetings

Types of Services Funded

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
