School Description

Lampton Elementary School serves almost 700 students in kindergarten through fifth grade. Our school has received several honors for our exemplary instructional program, Our awards include the California Distinguished School award, Title 1 Academic Achievement Award, and the California Businesses for Education Star School Award. Lampton's campus is always well cared for, and our classrooms are positive and productive places to learn. The school is adorned with State achievement award emblems, three dolphin murals, a beautiful tiled entrance area, and a three-dimensional wall sculpture done by a local artist. It is our mission to develop the personal skills and academic abilities of each individual student.

Our students receive a well-rounded education at Lampton. Teachers engage students in interesting lessons, utilizing many effective teaching strategies. Literacy centers, flexible skill groupings, and active learning strategies abound. Instruction is designed around state and district standards and infused with experiences that integrate subjects and enhance understanding for students. The curricular program is enriched by a strong relationship with the Cerritos Performing Arts Center. They provide teacher training and free tickets for classes to attend live theater, dance and music productions. Most students have had the opportunity to attend at least one free performance each year. Lampton's school wide Positive Behavior Support system has also increased positive behavior on campus. In 2013-14 we began implementing Playworks on our playground. A Playworks "Team Up" Coach has organized and supervised positive play activities for students during recess and lunch. This program has greatly decreased conflict and bullying on our campus.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	40.0	48.0	44.0	46.0	48.0	50.0
Math	33.0	38.0	30.0	32.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	27.1	15.3	9.3

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

At Lampton, parents are partners with the school in the education of our students. We have many ways for parents to participate in the life of our school. Parents can help their children succeed by holding high expectations, reading to them, monitoring their homework, providing encouragement, and ensuring that they attend school regularly. Lampton offers several parent education programs each school year, examples include sessions such as Cyber Safety, Latino Family Literacy, Family Math and Family Reading events, and "Mom & Me" Intervention sessions.

Parents can run for election for our School Site Council, which works with the principal and elected staff members to help make financial and program decisions. Parents of English Learners are invited to attend ELAC meetings. Many parents volunteer to help with special projects in the classroom and chaperone on field trips. Still others help by doing supportive tasks at home, like cutting things out for kindergarten students or sewing costumes for a class performance. Our PTA runs at least two annual fund-raisers, as well as several school events, and they always need an extra hand. We ask all parents to attend Back-to-School Night in the fall, Open House in the spring, and parent-teacher conferences at the end of the first and second trimesters.

We always need new volunteers, so stop in and see what you can do. Lampton Elementary School has an open door policy. We are happy to answer questions and provide information or references to anyone seeking assistance. For information about getting involved at our school, please call us at (562) 462-9273.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Lampton has a monitored security gate at the main entrance of the school. Once classes have started for the day, parents and visitors must use the gate entry panel to gain authorization to enter the campus. Visitors must enter the school through the security gate and sign in at the office, where they receive a visitors badge to wear throughout their stay.

Supervision aides monitor the school grounds for 15 minutes before and after school, as well as at all recesses and at lunchtime. A full time Playworks coach organizes positive play during student recess breaks. Lampton's Positive Behavior expectations are explicitly taught at the beginning and middle of each school year. Teachers regularly review the rules for safe, responsible behavior in school and on the playground.

The School Safety Plan is updated annually and shared with the staff at that time. It was last updated in January 2018 and will be revised again in 2019. The plan includes information on disaster drills, evacuation routes, disaster teams, and the location of first aid supplies. The Safe School Plan is reviewed, revised, and approved annually by the School Site Council. The School Safety Plan is available for review in the school's main office. We hold practice drills for emergencies such as fire, earthquake, or lock-down situations.

Professional Development provided for Teachers

Professional development for teachers focuses on strategies to support the successful implementation of common core standards. Our school focused on learning our new math series called "Math Expressions", Multi-Tiered Systems of Support, and Professional Learning Communities. Additionally, 11 teachers attended special training for the Next Generation Science Standards.

Professional development for teachers is conducted two times per month, during after school workshops. Teachers were supported during implementation by an instructional coach shared with another school. Additionally, Lampton had access to district coaches who were able to provide demonstration and coaching to teachers.

Lampton continued training for implementation of Professional Learning Communities. Representative teachers attended a regional conference on PLC and shared information with their colleagues. We developed a master schedule to allow a common release time for all grade level teams to work on identifying and planning for essential standards, designing and analyzing common assessments, and planning and assessing the success of team interventions & enrichment. Additionally, intervention personnel were allocated to each team to support their intervention process. Additional staff members attended PLC leadership training. Lampton has continued implementing grade level Professional Learning Community (PLC) structures and schedules since Fall 2016. Grade levels now meet once every two weeks for 45 minutes to work on the above noted PLC tasks.

- Translation services for parent-teacher conferences
- After-school Dolphin Academy that provides 3 hours of standards based instruction, homework support and enrichment for eligible students
- Sub release for professional development and planning
- Conference attendance - Professional Learning Communities

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
