### School Description

At Benton Middle School, our Visual and Performing Arts (VAPA) magnet program is the premier program in our area for students interested in exploring the arts! We offer courses in Guitar, Orchestra, Band, Choir, World Percussion, Piano, Dance, Theatre Arts (Drama), Stagecraft, Media Arts, Studio Art, 3D Art, Cartooning, Video Productions, and Photography. We also offer French as a World Language. Trained professionals support students through a challenging academic program while supporting them during their adolescent years. Our teachers participate in professional development regularly to enhance our understanding of teaching and learning strategies focused on instructional practices proven to work especially well with middle school students.

Currently, the school and district are immersed in Common Core initiatives designed to train teachers on the latest techniques and strategies to create an enriched learning environment and to implement the new curriculum. Teachers in all subject areas have been trained to support comprehension of their respective subjects and higher levels of engagement and inquiry.

Benton students are well-equipped for the rigorous coursework required in high school. Our focus is to prepare students to meet the Common Core outcomes of college and career readiness.

Mission Statement: Benton Middle School inspires and empowers all students to achieve academic excellence in a creative visual and performing arts environment.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

All textbooks meet the content standards for each of their curricular areas. These materials are supplemented with instructional materials aligned with the California Common Core State Standards.

Textbooks and Instructional Materials Year and month in which data were collected: September 2018	
Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption

### School Facility Conditions and Planned Improvements (Most Recent Year)

Benton has recently undergone a 10-million dollar modernization project. As a result, we have state-of-the art classrooms and buildings fully equipped with new lighting, air conditioning, plumbing, paint, and flooring to provide an excellent environment for teaching and learning. Our new Visual and Performing Arts classrooms offer our students a second-to-none learning experience. These classrooms include, new music classrooms, a large theatre room with space for stagecraft building and prop design, an expanded art and ceramics room, a media arts room with space for stop motion animation, and a photography room with studio space. In addition, two new computer labs, four new science labs, and a new library offer space for inquiry and exploration.

Our school is kept clean by students and staff who care about their environment and a hard-working custodial team.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	48.0	44.0	44.0	46.0	48.0	50.0
Math	26.0	20.0	30.0	32.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
7	24.5	20.9	14.1

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2017-18 CAASPP Assessment Results - English Language Arts (ELA)

<b>Students with Disabilities</b>	67	64	95.52	18.75
<b>Students Receiving Migrant Education Services</b>	--	--	--	--
<b>Foster Youth</b>	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### **C. Engagement**

#### **State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### **Opportunities for Parental Involvement (School Year 2018-19)**

Parental involvement at Benton is paramount to all that we do. Parents are invited and encouraged to partner with us to provide an enriched learning experience for every student. Parents are involved in decision-making processes at various levels

Parents elect three representatives who participate on our School Site Council (SSC). The SSC makes recommendations regarding our school calendar, schedules, school-wide goals and priorities, annual school plan, incentive programs, and budget. Parents of English Learners are vital to our English-Learner Advisory Committee and assist in supporting students who are in the process of acquiring the English language

Our Parent-Teacher-Student-Association (PTSA) works with teachers to host Back-to-School Night in the fall and Open House in the spring. In addition to these popular events, the Benton PTSA facilitates a number of special programs and enrichment opportunities for our students. Parents, along with student leaders, help to organize field trips, dances, and our 8th grade promotion ceremony. Parents also serve on our production teams for all of our theatre and musical performances, as well as our visual arts exhibits. They sponsor annual fundraisers to help enhance the learning experience, and our school environment. Parent education nights are held in conjunction with PTSA meetings to better communicate and educate parents in the community. Volunteer sign-ups are ongoing. There are a variety of ways in which parents can be involved. To find out more about becoming involved in the school, call our school office at (562) 210-2500, or contact our PTSA President or our PTA Volunteer Coordinator via our website at [www.bentonms.org](http://www.bentonms.org).

#### **State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan

Our School Safety Plan is revised annually. The plan includes procedures for emergencies, exit routes, communication systems, and inventories of emergency supplies. We make the plan available at our school site and keep copies in the office for review. We share the plan with all staff during schoolwide staff meetings. We practice fire and earthquake drills regularly and review procedures with staff as needed. Teachers regularly review with students the rules and expectations for safe, responsible behavior in school. A Student Handbook has been developed to provide clear expectations for a safe and appropriate learning environment.

Although we welcome and encourage parent/community involvement, we strive to ensure our campus is safe. As such, Benton is a closed campus. Visitors must enter the school through the main door and sign in at the office. Volunteers who work directly with our students must be cleared by the school district. Parents who assist as chaperones on our travel excursions must be willing to undergo a national background check. Students are not allowed off campus during the school day, except for study field trips and travel excursions under the direction of their teachers. Supervision and the custodial staff routinely monitor gates and exits throughout the day.

Social Science	29.0	24.0	28.0	2	5	3	2	3	2	6	7	5

\* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

### Professional Development provided for Teachers

Benton Middle School provides professional development for staff on an ongoing basis. Teachers are provided time every Wednesday to plan, collaborate, and receive professional development on the latest curriculum and instructional shifts. Instructional support is provided by administration, common core coaches, common core leads, and intervention coaches. We continue to strengthen our analysis of data and best practices in order to increase student achievement.

### Types of Services Funded

Benton Middle School provides an array of support services for students. Services include, Special Education, Gifted and Talented Education (GATE), Visual and Performing Arts, and academic and behavioral interventions. We strive to identify students who require additional support and implement targeted resources to meet their individual needs.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
