School Description

California Distinguished Elementary School and Three Time Winner of California Business for Education Excellence Award. The California School Recognition Program identifies and honors the State's most exemplary and inspiring public schools with the California Distinguished School Award. The award is highly sought after by schools in all areas of the State. We are very proud of this award, which recognizes our efforts to close the academic achievement gap and our strong commitment to two complementary signature practices: balanced approach to reading instruction and systematic English Language Development program. These two practices are designed to increase listening, speaking, reading, and writing skills through high level questioning and active student engagement. Standard based instruction is organized to include whole group modeling, small group guided practice, individualized conferring, and academic discourse. All students have daily access to technology and other high interest instructional level materials and resources and are given several project-based experiences throughout the instructional year.

With the support of our PTA, Eastwood students have many opportunities to express themselves creatively as they are exposed to the visual and performing arts standards. All students participate in the Meet the Masters visual arts program, and they take field trips to the Cerritos Performing Arts Center and the La Mirada Civic Theater. In addition to our visual arts programs, we have added instrumental music instruction to our K-5 visual and performing arts curriculum, which includes a drum room filled with a variety of drums and percussion instruments. Our fifth grade students experience our long tradition of African drums and dance unit of study along with four days of science camp. We have a well-organized, hands-on science curriculum that is enriched by assemblies, field trips, in-school gardening, and family STEAM nights. All parents are highly encouraged to attend all of our Common Core Math Parent Education Nights. We are proud of our "We Care Wednesday" program. Each month students, staff, and families support a local, national, or global charity through donations of change or items. Donations include can goods, toys, and friendly notes for Meals on Wheels.

We are fully implementing Common Core State Standards in math, reading, and writing. You will see technology, math walls, classroom libraries, whole group, small group, academic discourse and differentiation in every classroom. You will notice our students' thinking captured on charts. You will hear students in deep conversations as they make meaning of stories and text of varying genres. We are strengthening our writing program for all grades by increasing daily writing opportunities, and teaching to a school wide curriculum. Students are routinely engaged in problem solving activities and are encouraged to explain their thinking using pictures, diagrams, number sentences, and in writing.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Vacant Teacher Positions	0	0	0

* Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

All textbooks meet the content standards for each of their curricular areas. These materials are supplemented with instructional materials aligned with the California Common Core State Standards.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	68	67	46	47	50	50
Math	58	58	32	35	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	18.9	20.3	9.5

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Parents are an integral part of the school decision making process and student support system. Elected parents serve on the School Site Council and English Language Advisory Committee. Both have the responsibility of identifying and prioritizing school needs and insuring that the school plan reflects the identified needs the school.

Volunteers working in the classrooms, the computer lab and library, as well as coordinating PTA and classroom events log countless number of hours. Our wonderful PTA plays a vital part in organizing parent volunteers to help with special classroom projects, field trips, and school wide events. The PTA supports the instructional program by sponsoring field trips, assemblies, art programs, after school classes, Family STEAM Nights, Red Ribbon Week, annual spring luau, and our Read Across America celebration. Our PTA plans a very successful College Week. The goals of this weeklong event are for students to understand how significant learning is beyond high school provide parents with information on college planning, and most importantly, for each Eastwood student to feel that they are college bound.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The school has a Positive Support Intervention Plan (PBIS) that clearly articulates student behavior expectations, character traits development, and school wide recognition program. Teachers teach to the behavior expectations of Be Safe, Be Responsible, and Be Respectful. A character trait is highlighted each month. Students are recognized for behavior, school and community spirit, and academic accomplishments in a variety of ways. Students have many opportunities to earn Golden Eagle Tickets for demonstrating positive character traits and for following the school rules. Monthly Student of the Month awards and trimester awards are given in recognition of positive behavior and meeting attendance and academic expectations.

We revise our School Safety Plan annually during the month of January. The plan includes procedures for emergencies, exit routes, and inventories of emergency supplies. We make the plan available on our school Web site and keep copies in the office for parents. We share the plan with all staff during a school wide staff meeting. We practice monthly fire drills and earthquake drills monthly and lockdown drills three times a year.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	16	18	18

As part of the professional evaluation process, each staff member sets professional growth goals in the fall. Goals are met through college courses, workshops and conferences, professional reading, classroom and site visitations, and collaborative work with other educators. Staff members demonstrate a sincere commitment to on going professional development. A comprehensive list of school wide professional development includes the following:

1. Teacher collaboration for the purpose of analyzing data, planning Common Core units, daily lesson planning, and planning for intervention
2. Training on the new Common Core State Standards and curriculum resources for Math
3. Training on the new Common Core State Standards (CCSS) and curriculum resources for Writer's Workshop
4. Training on the new CCSS for Reading and resources
5. Training on the new CCSS for English Language Development (ELD) and resources
6. Training on the new CCSS for word study and resources
7. Training on differentiation of Instruction using technology with emphasis on ELD
8. Training on Positive Behavior Intervention Support (PBIS) and development of school implantation plan
9. Continued training and progress toward developing as a Professional Learning Community (PLC)
10. Participate in biweekly grade level articulation meetings
