School Description

Welcome to New River Elementary School! In 2019-2019 our staff, students, and parents continue to create a climate and curriculum that ensures academic rigor and consistency across the grade levels. New River Elementary is on the forefront of using technology as a learning tool. Our modernized computer labs are used by Kinder through fifth grades to learn technology skills and strengthen learning. Students have access to web-based programs to help them master Common Core State Standards in language arts and math. Teachers use computers to create lessons and presentations, and students use computers during the instructional day in small groups. Classrooms use document cameras and LCD projectors to facilitate learning. In addition, we have iPads that students use for instructional purposes and for taking the SBAC.

In addition to our core instruction, New River offers a "second dose" of reading instruction. In first and second grades, students are challenged to reach their fullest potential as readers in our Knights Achieving Reading Excellence (KARE) program. In third, fourth, and fifth grades extra support is offered to students who need additional work on reading skills through our Leveled Literacy Intervention (LLI) program. Our Intervention TOSA coordinates these programs. Our school also offers after school support to our second through fifth grade students in our Knight's Academy Program. In addition to teaching academics, New River also believes that character education is critical to helping a child develop positive behavioral skills for life. We teach the traits of trustworthiness, respect, responsibility, fairness, and caring through the Character Counts curriculum. Our Elementary Student Support Specialist assists with our character education. We also have a music program that teaches students in Kinder through fifth grades about the fundamentals of music. Our hope is to engage students more deeply in all areas and spark their love of learning. Please come and visit your child's classroom. We always welcome parents and volunteers.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

* Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

All textbooks meet the content standards for each of their curricular areas. These materials are supplemented with instructional materials aligned with the California Common Core State Standards.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	34	40	46	47	50	50
Math	27	26	32	35	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	30.1	23.3	6.8

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

We have many ways for parents to participate in school activities, and we depend on parents to provide input on how our programs can best support our students. Parents can join our School Site Council, which works with staff and administration to help make financial decisions that affect student achievement. Parents of English learners are vital to our ELAC committee and to our outreach efforts for new families. Parent workshops are held throughout the year on a variety of topics, including academics and other areas as requested by parents. Parent volunteers help with special projects in the classroom and to chaperone field trips and other school activities. We ask for parents' support with our PTA activities and fund-raisers that are held throughout the year. In addition, we ask all parents to attend Back-to-School Night in the fall, Open House in the spring, and parent-teacher conferences twice yearly. We are always in need of more volunteers! For information about participating at our school, please contact our Parent Liaison in the school office at (562) 210-3770.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Safety is a priority at all times at New River. Supervision Aides monitor the school grounds for thirty minutes before school and twenty minutes after school, as well as, at all recess and lunchtimes. Teachers regularly review the rules for safe, responsible behavior in school and on the playground. Through Playworks, our Recess Coach provides structured play activities that promote pro-social behavior and that get our students physically active. Students are provided ample play equipment, and we reward them for respectful behavior with Knightly Notes and other positive incentives. Visitors must enter the school through the main gate and sign in at the office, where they receive a visitor's badge to wear throughout their stay.

We revise our Safe School Plan annually. The plan includes procedures for emergencies, exit routes, and inventories of emergency supplies. We keep a copy in the office for parents to view. We share the plan with all staff during a school-wide staff meeting. We practice fire, earthquake and lock-down drills on a regular basis and hold training for staff on an as-needed basis. We also participate in the annual California Shakeout emergency drill.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	16	18	18

This year the teaching staff at New River continue to focus their staff development to further their understanding of the California Common Core State Standards in the content areas of Language Arts, Math, and English Language Development (for students who are second language learners).

Teachers work in collaborative grade-level teams to dive deeper into the content standards two times per month. Administration and Common Core Teachers lead the majority of staff meetings. Teacher release time is offered to all grade level teams to develop expertise in their subjects.

In addition to the site professional development, the district offers training for teachers from grades Kinder through fifth grades in the areas of Language Arts, Math, and Writing. The training is on-going through out the school year.
