School Description

Hutchinson Math, Science Technology Magnet is located in a residential neighborhood in La Mirada, California. Recently awarded the California Distinguished School status as well as a School of Excellence by the California Business for Education Excellence, Hutchinson continues to raise student achievement for all students as well close the achievement gap for students who are below grade level. Our motto, Hawks, Soaring with Pride, reminds us of our College Bound focus for all students.

The focus at Hutchinson Middle School is student achievement, the guiding purpose for all of our actions. Our Math, Science, Technology Magnet provides a project-based learning environment for students interested in excelling in STEM (Science, Technology, Engineering, Math). Our coursework integrates Science, Technology, Engineering and Math (STEM) principles while focusing on career exploration within the field of engineering. Through classroom activities, project-based learning, collaboration, digital simulations and multimedia presentations, students develop communication, leadership and interpersonal skills. Students explore Environmental Science, Structural Design, Med-Tech, Aeronautics, Computer Science, Robotics and Electronics. Field trips, competitions, and guests from the field of engineering assist students in broadening their awareness of the career opportunities in the fields of STEM.

Our 1 to 1 iPad Academy, utilizes iPads for researching, creating, collaborating, organization, and text access. Schoology, an online classroom management platform, supports instruction and learning. Our Pre-AP, Accelerated, and Honors courses support those students who are looking for a more rigorous learning environment.

In addition to our STEM Magnet and Honors program, Hutchinson offers a variety of enrichment opportunities, including orchestra and three levels of band, ranging from beginning through our award winning performance band. We also offer guitar classes, world percussion classes, and music technology classes. Students can join our Leadership class, Yearbook, Speech and Debate, AVID, or one of our many math and reading support classes. Students with an interest in the legal system join Mock Trial, competing in a courtroom setting in the LA County courthouse. Students may also participate in Academic Pentathlon, NJHS, Builder's Club, Running Club, or one of our many sports teams. A variety of field trips enhance student learning, including Knott's Physics Fun Day, the Getty Museum, the Holocaust Museum, JPL, and a variety of local universities. 6th and 7th graders may attend Science Camp while 8th graders may join American Heritage and travel to the East Coast to explore historical landmarks and government institutions.

When a student is identified with an academic need, before and after school tutoring is available for all grade levels as well as intervention classes providing even greater support. In addition to our strong academic programs, Hutchinson is committed to the development of the social and emotional qualities of our students. Through our WEB program, (Where Everybody Belongs), we support our students in making a successful transition from elementary to middle school. We believe that positive relationships between staff and students will help students become connected and contributing members of our school community. In addition, two full time counselors provide our students with additional supports.

Knowledgeable and caring teachers engage students in rich and relevant learning experiences and prepare them to meet the challenges of their future. We maintain high standards for student learning and behavior and value positive communication between school and home.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

All textbooks meet the content standards for each of their curricular areas. These materials are supplemented with instructional materials aligned with the California Common Core State Standards.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	57	N/A	47	N/A	50	N/A
Math	48	N/A	35	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parents are partners with the school in educating our students. Parents support our teachers by attending conferences, monitoring homework, and encouraging students to get involved in school activities. The student planner/agenda, school website, email access, school Facebook page, phone dialer and our Internet based Parent Portal is designed to support home-school communication by enabling parents and teachers to communicate about homework assignments, due dates, upcoming tests and quizzes and student grades.

Parent representatives are elected to our School Site Council each fall, which is made up of administrators, teachers, parents, and students. Our SSC addresses issues affecting the school budget, school climate, supplemental instructional materials, school attendance and discipline issues. Parents of English Learners are also vital to our ELAC and to our outreach efforts on behalf of new families. The ELAC committee meets four times per year to support the needs of our English Language Learners.

Our active PTSA supports teachers and students by supporting our incentive programs, Hawk of the Month Breakfasts, Gold Card Raffles, field trips as well as other enrichment activities. We encourage all parents to attend these events. Parents also participate on district level committees and forums, and volunteer to chaperone field trips, dances, band performances, and end-of-year activities. Parents also support our Academic Pentathlon teams, sports teams, and field trip opportunities. Student Study Teams are scheduled regularly to support parent involvement in their child's education. Our Back To School Night, fall and winter Parent Conferences and spring Open House encourage the participation of parents in their children's education. PIQE (Parent Institute for Quality Education) and other Parent Education opportunities encourage the involvement of parents in the school as well as student's educational experience. The district as well as the PTA offers parenting classes, seminars on Common Core standards, use of technology, and language classes in order to support parent involvement in the lives of their children.

For more information about volunteering at Hutchinson Middle School, please contact our principal, Robin Padget, at (562) 944-3268 for more information.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Hutchinson is a closed campus, where visitors must enter the school through the main security gate and sign in at the office. Students are not allowed off campus during the school day.

Our campus supervision aides monitor the school grounds for 30 minutes before and 15 minutes after school and during break and at lunchtime. Additional staff and administration help monitor the campus before and after school, Nutrition and Lunch breaks, and passing periods. Teachers regularly review the school rules for safe, responsible behavior in school and on the school grounds with their students on an ongoing basis.

Our School Safety Plan is revised annually and includes procedures for school crime and safety assessments, our child abuse policy, disaster and emergency procedures, ingress and egress routes, inventories of emergency supplies, our suspension and expulsion policy and data, our sexual harassment as well as bullying policy, and our procedures for ensuring a safe and orderly learning environment. The plan is submitted to our School Site Council for approval and then made available in the school office for parents and community members to review. The strategic elements of the School Safety Plan are shared with all staff members during a school wide staff meeting. Fire drills are practiced quarterly, and earthquake and lockdown drills are conducted three times a year.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions			
Expulsions			

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Ratio of Pupils to Academic Counselor (School Year 2019-2020)

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	18	18	37

Hutchinson Middle School provides regular professional development that is focused on the implementation of Common Core Standards as well as effective instructional strategies. Teachers focus on strategies to support reading and writing as well as effective instructional strategies for teaching mathematics. School site professional development is supported through professional learning communities where analysis of formative assessment data is conducted and adjustments to instruction are implemented accordingly.

Ongoing professional development for teachers is also provided throughout the school year by the district's Curriculum and Instruction Department. Implementation of Common Core Standards within each content area is addressed as well as the integration of technology. Common Core Leads provide professional development, and serve as resources, supporting their content area team.

On-going instructional support is provided by site administration, common core district coaches, and intervention coaches. Side by side coaching, modeling of lessons, and common planning time is provided to teachers.
