### School Description

California Distinguished Elementary School and Three Time Winner of California Business for Education Excellence Award. The California School Recognition Program identifies and honors the State's most exemplary and inspiring public schools with the California Distinguished School Award. The award is highly sought after by schools in all areas of the State. We are very proud of this award, which recognizes our efforts to close the academic achievement gap and our strong commitment to two complementary signature practices: balanced approach to reading instruction and systematic English Language Development program. These two practices are designed to increase listening, speaking, reading, and writing skills through high level questioning and active student engagement. Standard based instruction is organized to include whole group modeling, small group guided practice, individualized conferring, and academic discourse. All students have daily access to technology and other high interest instructional level materials and resources and are given several project-based experiences throughout the instructional year.

With the support of our PTA, Eastwood students have many opportunities to express themselves creatively as they are exposed to the visual and performing arts standards. All students participate in the Meet the Masters visual arts program, and they take field trips to the Cerritos Performing Arts Center and the La Mirada Civic Theater. In addition to our visual arts programs, we have added instrumental music instruction to our K-5 visual and performing arts curriculum, which includes a drum room filled with a variety of drums and percussion instruments. Our fifth grade students experience our long tradition of African drums and dance unit of study along with four days of science camp. We have a well-organized, hands-on science curriculum that is enriched by assemblies, field trips, in-school gardening, and family STEAM nights. All parents are highly encouraged to attend all of our Common Core Math Parent Education Nights. We are proud of our "We Care Wednesday" program. Each month students, staff, and families support a local, national, or global charity through donations of change or items. Donations include can goods, toys, and friendly notes for Meals on Wheels.

We are fully implementing Common Core State Standards in math, reading, and writing. You will see technology, math walls, classroom libraries, whole group, small group, academic discourse and differentiation in every classroom. You will notice our students' thinking captured on charts. You will hear students in deep conversations as they make meaning of stories and text of varying genres. We are strengthening our writing program for all grades by increasing daily writing opportunities, and teaching to a school wide curriculum. Students are routinely engaged in problem solving activities and are encouraged to explain their thinking using pictures, diagrams, number sentences, and in writing.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	67	N/A	47	N/A	50	N/A
Math	58	N/A	35	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2020-21)

Parents are an integral part of the school decision making process and student support system. Elected parents serve on the School Site Council and English Language Advisory Committee. Both have the responsibility of identifying and prioritizing school needs and insuring that the school plan reflects the identified needs the school.

Volunteers working in the classrooms, the computer lab and library, as well as coordinating PTA and classroom events log countless number of hours. Our wonderful PTA plays a vital part in organizing parent volunteers to help with special classroom projects, field trips, and school wide events. The PTA supports the instructional program by sponsoring field trips, assemblies, art programs, after school classes, Family STEAM Nights, Red Ribbon Week, annual spring luau, and our Read Across America celebration. Our PTA plans a very successful College Week. The goals of this weeklong event are for students to understand how significant learning is beyond high school provide parents with information on college planning, and most importantly, for each Eastwood student to feel that they are college bound.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### School Safety Plan (School Year 2020-2021)

The school has a Positive Support Intervention Plan (PBIS) that clearly articulates student behavior expectations, character traits development, and school wide recognition program. Teachers teach to the behavior expectations of Be Safe, Be Responsible, and Be Respectful. A character trait is highlighted each month. Students are recognized for behavior, school and community spirit, and academic accomplishments in a variety of ways. Students have many opportunities to earn Golden Eagle Tickets for demonstrating positive character traits and for following the school rules. Monthly Student of the Month awards and trimester awards are given in recognition of positive behavior and meeting attendance and academic expectations.

We revise our School Safety Plan annually during the month of January. The plan includes procedures for emergencies, exit routes, and inventories of emergency supplies. We make the plan available on our school Web site and keep copies in the office for parents. We share the plan with all staff during a school wide staff meeting. We practice monthly fire drills and earthquake drills monthly and lockdown drills three times a year.

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

## **Types of Services Funded**

### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
