School Description

El Camino High School is a California Model School with an impressive track record of academic excellence.

El Camino High School maintains a strong elective program, which includes classes in weight training, yearbook publishing, and student newspaper, as well as a strong onsite Regional Occupational Program (ROP) that offers computer applications, web design, retail merchandising, and hospital occupations.

Parents are critical components to the success of students, and only through the combined teamwork of staff, students, and parents can we continue to provide a nurturing school environment which prepares students for college and career.

The purpose of El Camino High School is to provide an alternative education for the at risk students of Norwalk- La Mirada Unified School District. Our mission is to develop within our students an awareness of their responsibilities to become productive, contributing members of society who work enthusiastically toward their full potential.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parents participate in the life of our school, and we depend on their support. Parents can join our School Site Council, ELAC or simply volunteer. Upon enrolling their students, we ask parents to complete a parent volunteer form to indicate the capacity in which they can contribute to the school. Our doors are always open for parents to participate. To become involved in the school, call our Principal, Mark Hunter, at 562-210-2703

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Site administration, district, and site security monitor campus for an hour before classes begin and an hour after dismissal. A district police officer is stationed on our campus daily. The district's use of a canine detection program greatly reduced the incidence of drug possession at our school. We have a closed campus, and visitors must sign in at the office.

Our safety plan is revised each year. The plan includes procedures for emergencies, exit routes, and location of emergency supplies. The plan is reviewed with all staff during a school wide staff meeting held at the beginning of the school. Emergency support team personnel are informed of their duties. We hold fire and emergency drills throughout the year.

Suspensions and Expulsions

Suspensions	5.9	7.3	3.7	3.8	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions			
Expulsions			

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Career Technical Education Programs

Norwalk-La Mirada Unified School District (NLMUSD) CTE pathways are aligned to the CTE Model Curriculum Standards providing a broad course of study for all students. Each pathway is structured within the appropriate industry sector with a coherent sequence of courses that lead to high skill, high wage and in-demand careers.

NLMUSD has maintained strong partnerships with the surrounding postsecondary schools and employers. The pathways are aligned to the local community college certificate and degree programs and many CTE courses are articulated with the local community colleges providing students the opportunity to obtain college credit while in high school. Additionally, there are a number of businesses and community partners supporting CTE. As an example, the Norwalk Education Alliance comprises the City of Norwalk, Norwalk Chamber of Commerce, Southeast Los Angeles Workforce Development Board, Cerritos College, and other organizations. They also support CTE and engage in a variety of work-based learning activities.

The primary representative for CTE in Norwalk-La Mirada Unified is Joanne Jung. She may be contacted at: jjung@nlmusd.org

All CTE offerings are conducted by NLMUSD. There is no ROP center.

There are no CTE pathways offered at El Camino High School.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
