School Description

Welcome to Foster Road Elementary School. Our school has made great progress towards enriching student learning and focusing on individual student needs.

Our school includes PreSchool, Transitional K, and Kindergarten through fifth grade students and is part of the Norwalk-La Mirada Unified School District. Our school is a community center school located in a middle to lower class residential community in La Mirada. Foster Road includes State preschools on its campus as well as special education preschool and special education classes for moderate to severely handicapped students for TK-2. Our site buildings have beautiful murals that create an inviting environment for staff, parents, and students when they are on our campus. In addition we have a thriving garden that is maintained by staff and students creating a quiet beautiful space for reading and learning.

Foster Road Elementary involves all stakeholders in providing the best educational program for our students in a safe, nurturing environment that respects others and is conducive to developing well-balanced, lifelong learners.

We have teachers and support staff that strive to remediate and challenge all students to reach their potential through the use of I-Ready in both reading and math. The i-Ready Math computer program for students is for Kinder through fifth grade students and they are provided lessons at their determined level of performance helping to build up the students' math skills. The i-Ready Reading program functions similarly and is also for Kinder through fifth grade. The students in K-2 take a diagnostic test three times a year, while the 3-5 grade students take two diagnostic tests with the third being deferred due to their taking of state SBAC test. We maintain two fully functional and supported labs that allow teachers and students to access to i-Ready as well as all other district and school site programs which include Reading A-Z and Epic. Classrooms are also equipped with ipads that allow them access to all programs. Teachers provide opportunities for Book Buddies, which pairs upper grades with primary grades for once a week reading time. Special education students are mainstreamed with our regular education students, fostering a more caring inclusive school climate that benefits all of our students.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	45	N/A	35	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

We have many ways for parents to participate in their children's education at our school, and we depend on parents' help to keep our programs running smoothly. Parents can attend our SSC meetings and run for office as a team member with teachers. The Site Council works with administration to help make student achievement decisions. Parents of English Learners are vital to our ELAC parent meetings and to our outreach efforts on behalf of new families. We have monthly parent meetings and trainings to help our parents improve their students' achievement skills. Parents assist as volunteers to help with special projects in the classroom and chaperone on field trips. Through PTA fund-raisers, field trips, assemblies, and other special events are supported throughout the year. We ask all parents to attend Back-to-School Night in the fall, Open House in the spring, and parent-teacher conferences in October and January. We always need and welcome new volunteers! For more information about participating at our school, please contact our office, your child's teacher, PTA board, or talk with the principal, Mr. Salvador Villagomez

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Teachers regularly review the rules for safe, responsible behavior in school and on the playground with their students and parents. Playgrounds are supervised by noon supervision aides at morning recess, and lunch. All students, parents, and staff enter school through the front gate of school which is monitored with a camera and the gate is electronically controlled by front office. All other gates of entry are locked after the school day starts. Visitors must enter the school through the main gate and sign in at the office, where they receive a badge to wear throughout their stay.

We revise our School Safety Plan annually. The plan includes procedures for emergencies, exit routes, and inventories of emergency supplies. Each year we continue to add more emergency supplies to our campus. We share the plan with all staff during staff meetings and with parents at our SSC meetings.

We practice fire drills monthly, and other district disaster throughout the year. We hold trainings for staff on emergency preparedness. We also work closely with the City of La Mirada and have them provide information nights to our community on the topics of disaster preparedness and community watch.

Expulsions			

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	18	18	37

Our staff development has been based on our School Implementation Plan which is focused on Writing. Our plan incorporates Student Discourse strategies and approaches as outlined in the district's #NLMTALKS initiative. Our staff also get targeted professional development on assisting English Learners set goals for meeting their reclassification criteria through the use of resources and instructional practices. Our K-2 teachers are also getting Reader by 9 professional development opportunities. Staff development is planned to align with school-wide goals and objectives that will lead to a more cohesive writing instructional program that will be developed by grade level teams. Foster Road is focusing on improving students' writing by implementing cycles of inquiry based on student current abilities. Staff development is planned to enhance the teachers' skills and help improve student achievement. The school leadership team, the school site council, bilingual advisory committee, and the school staff determine the areas of focus based on current data on student achievement.

Types of Services Funded

The English Language Learner population at Foster Road makes up approximately 30% of our student population. Students in need of primary language support are placed in Sheltered English Instruction classes. All English Language Learners receive a minimum of 30 minutes daily of English Language Development Instruction.

Our Social Economic Disadvantaged population is approximately at 70%. Our students have access to Meet the Masters for enrichment in Arts, Coding is available for enrichment in technology, and Performances/Assemblies that are that are reading and motivational are provided.

We provide intervention services for our struggling students. Based on student performance on i-Ready Reading diagnostic they may qualify for additional support with our intervention TOSA. We also have an ESSS that provides intervention supports for students that might have behavioral concerns. Technology in the computer labs allow for access to I-Ready in scheduled blocks and technology in the classroom allows for access during center rotations within the classroom.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
