School Description

Nuffer Elementary School has been serving children and families in the Norwalk community since 1952. With over 350 students, our vision is “Nuffer Elementary STEAM Academy, a launch pad for global innovators..” Our teachers and parents work together through our School Site Council (SSC), English Learners Advisory Committee (ELAC), and the Parent Teacher Organization (PTO) to support our school’s vision, to implement and monitor programs, and to ensure that all students’ needs are met.

During the past four years, our school has significantly increased its focus on learning. To keep students engaged and achieving at high levels, our teachers use a variety of instructional strategies and resources. Through a systematic approach to intervention, our teachers are able to respond and provide additional support to those students who are not meeting the standards or are struggling with grade level work. With over 140 students who are English Learners, every class provides 30-minutes of English Language Development (ELD) every day to help students easily access the core curriculum and master the California Common Core Standards. As a result of all of these efforts, we have made great gains in student achievement.

Unique to Nuffer Elementary is our Joan Sander Memorial Unit, which is a building dedicated to the education and care of students with special needs. Our school is committed to helping all students with varying degrees of disabilities to reach their individual learning plan goals. We believe that all students can learn and show progress despite the various challenges they may face.

Regardless of which population of students we serve, Nuffer Elementary provides a safe and nurturing environment in which all students can learn and grow. We are committed to providing our students with a high-quality education; and we are confident that by the time our students leave our doors to promote to middle school, we will have prepared the whole child for success.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

We have many ways for parents to participate in the life of our school, and we depend on parents to keep our programs running smoothly. Parents can join our School Site Council (SSC), which works with the school to help monitor student progress and make program and financial decisions. Parents of English learners are encouraged to join our English Learners Advisory Committee (ELAC), which advises the principal and school about the instructional programs that help students with limited English improve their learning and achievement. The Parent Teacher Organization (PTO) organizes school-wide fundraisers to sponsor assemblies, study trips, and special activities such as Red Ribbon Week and College Week. Parent volunteers are always welcome to help with special projects in the classrooms and chaperone field trips. We invite all parents to attend Back-to-School Night in the fall, Open House in the spring, and all parent-teacher conferences.

In order to assist parents in helping their children, Nuffer Elementary provides free parent workshops on topics such as parenting skills, family reading, nutrition, and much more. We believe that parents play an important role in their child's learning and school success. Parents can contact the Main Office for more information about how they can get involved.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

We have a closed campus that is fully fenced. Visitors must enter the school through the reception entrance and sign in at the office, where they receive a visitor's sticker to wear throughout their stay. The principal, supervision staff, and parent volunteers monitor the school grounds for 30 minutes before and after school as well as at all recess and lunch breaks. We revise our School Safety Plan annually; it was last revised in February 2019. The plan includes procedures for emergencies, exit routes, and inventories of emergency supplies. We make the plan available in the office for parents. We share the plan with all staff during a school wide staff meeting. We practice emergency drills each month, which include fire, earthquake, and lockdown drills. The staff is trained on emergency preparedness in November and April. Teachers regularly review the rules for safe, responsible behavior in school and on the playground. We teach and enforce the principles of Character Counts. The staff also began collaborating on developing our Positive Behavior and Instruction Support Plan by aligning Character Counts expectations with our school-wide discipline. We also work closely with Norwalk Public Safety to ensure that students who demonstrate destructive behavior have the opportunity to work with a Safety Officer to redirect their behavior. Nuffer Elementary is a No Bully zone. Teachers are trained to address bullying appropriately, and the topic is continuously addressed with students through school assemblies.

Suspensions and Expulsions

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions			
Expulsions			

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	18	18	37

Almost two hours of Professional Development time is provided to teachers twice a month. During this time, teachers have worked with a consultant from zSpace and Lightspeed to bring engagement to the classroom. The principal will visit classrooms regularly to provide feedback and reinforcement of skills. In addition to STEAM training, teachers have also received training on instructional shifts that are needed to help students meet California Common Core State standards. With the support of Common Core Coaches, teachers learned new math and reading strategies such as Launch/Explore/Summarize and Close Reading. On a monthly basis, the principal and the English Language Development (ELD) Coach visits classrooms to provide feedback on ELD instruction. This additional ELD support contributed to the schools increase in reclassification rates. Based on iReady and CELDT data, the school will continue to emphasize professional development around Common Core instruction with more focus around reading intervention and writing development.

Types of Services Funded

Nuffer Elementary uses its funds to support and assist student learning. Funds have been used to supplement professional development by having teachers attend conferences or seminars to further their education. The intent of this training is to strengthen first good instruction in the classroom so that more students may be successful. For those students who are still struggling, an intervention teacher has been hired to provide 30 minutes of intense small group lessons to target deficiencies. Additionally, a technology clerk has been hired to assist students with web-based intervention during both daily intervention blocks and weekly computer lab visits. Remaining funds are used to provide sub coverage for teachers who need additional time for professional development and for teachers who need to attend student success team meetings to ensure that students receive timely support.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
