School Description

Lampton Elementary School serves approximately 500 students from transitional kindergarten through fifth grade. Our school has received several honors for our exemplary instructional program. Our awards include the California Distinguished School award, Title 1 Academic Achievement Award, and the California Businesses for Education Star School Award. Lampton's campus is always well cared for, and our classrooms are positive and productive places to learn. The school is adorned with State achievement award emblems, three dolphin murals, a beautiful tiled entrance area, and a three-dimensional wall sculpture done by a local artist. It is our mission to develop the personal skills and academic abilities of each individual student.

Our students receive a well-rounded education at Lampton. Teachers engage students in interesting lessons, utilizing many effective teaching strategies. Literacy centers, flexible skill groupings, and active learning strategies abound. Instruction is designed around state and district standards and infused with experiences that integrate subjects and enhance understanding for students. The curricular program is enriched by a strong relationship with the Cerritos Performing Arts Center. They provide teacher training and free tickets for classes to attend live theater, dance and music productions. Most students have had the opportunity to attend at least one free performance each year. Lampton's school wide Positive Behavior Support system has also increased positive behavior on campus. We have been implementing a Playworks model on our playground since 2013-14. A Recess Coach has organized and supervised positive play activities for students during recess and lunch. This program has greatly decreased conflict and bullying on our campus.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	46	N/A	35	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

At Lampton, parents are partners with the school in the education of our students. We have many ways for parents to participate in the life of our school. Parents can help their children succeed by holding high expectations, reading to them, monitoring their homework, providing encouragement, and ensuring that they attend school regularly. Lampton offers several parent education programs each school year, examples include sessions such as Family Math events, and "Mom & Me" Intervention sessions.

Parents can run for election for our School Site Council, which works with the principal and elected staff members to help make financial and program decisions. Parents of English Learners are invited to attend ELAC meetings. Many parents volunteer to help with special projects in the classroom and chaperone on field trips. Still others help by doing supportive tasks at home, like cutting things out for kindergarten students or sewing costumes for a class performance. Our PTA runs at least two annual fund-raisers, as well as several school events, and they always need an extra hand. We ask all parents to attend Back-to-School Night in the fall, Open House in the spring, and parent-teacher conferences at the end of the first and second trimesters.

We always need new volunteers, so stop in and see what you can do. Lampton Elementary School has an open door policy. We are happy to answer questions and provide information or references to anyone seeking assistance. For information about getting involved at our school, please call us at (562)210-3255.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Lampton has a monitored security gate at the main entrance of the school. Once classes have started for the day, parents and visitors must use the gate entry panel to gain authorization to enter the campus. Visitors must enter the school through the security gate and sign in at the office, where they receive a visitors badge to wear throughout their stay. The campus is currently closed due to the Covid 19 Pandemic. When in person instruction resumes, the campus will remain closed to visitors with the exception of essential business that cannot be conducted by phone, email or teleconference.

The School Safety Plan is updated annually and shared with the staff at that time. It was last updated in January 20120 and will be revised again in 2021. The plan includes information on disaster drills, evacuation routes, disaster teams, and the location of first aid supplies. The Safe School Plan is reviewed, revised, and approved annually by the School Site Council and is available for review in the school's main office. We hold practice drills for emergencies such as fire, earthquake, or lock-down situations. Lampton's Positive Behavior expectations are explicitly taught at the beginning and middle of each school year. Teachers regularly review the rules for safe, responsible behavior in school and on the playground.

Suspensions			
Expulsions			

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	18	18	37

In 2018-19, Lampton began its focus on Math Problem Solving. We held 2 days of professional development on the basic components of Cognitively Guided Instruction (CGI) in math. Professional development for teachers was conducted two times per month, during after school workshops. During the school year, we continued this focus by developing problem-solving rubrics and calibrating scoring of student work.

The focus for 2019-20, expanded our work in CGI with 2 additional days of summer training focusing on problem types, and linking math routines to problems as a scaffold. Grade level teachers will experience professional learning "Lab days" and visited a CGI school. TK-2nd grade teachers also received training on Counting Collections, and Choral Counting within a cross-school collaborative Lab Day structure. Teachers ere supported by a trimester of coaching by our Cotsen Alumni Mentor, co-funded by NLMUSD and the Cotsen Foundation.

As 2020-21 began in distance learning, teachers attended a virtual Blended Learning Summit, for professional development on video conferencing, and use of applications for synchronous instruction, student engagement, and assigning asynchronous learning activities. Teachers in grades TK-2 use the Seesaw platform for posting and receiving student assignments, and grades 3-5 use Schoology. Lampton has continued its focus on Cognitively Guided Instruction for math problem solving, with training for teachers on facilitating math discussions. Teachers are supported by a Cotsen Alumni Mentor, funded by NLMUSD and a Cotsen Foundation Grant.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
