### School Description

At Norwalk High School we are extremely proud of the work that our faculty and staff are doing to ensure that all students graduate ready for both college and careers. We are committed to providing with students with an educational experience that provides a rigorous curriculum rooted in the Common Core State Standards, instruction that is engaging and interactive, and personalized guidance and support. Our teachers have been working collaboratively to make sure that this school year will be one of the most successful ever.

One of our school's greatest strengths is our vast array of programs to meet the interests and needs of a diverse student body. We pride ourselves in offering a truly comprehensive high school program that encourages students to become involved in their school community. Our rich academic programs like AVID, small learning communities like the Medical Services Careers Academy, and CTE pathways like our Project Lead the Way-based Engineering, Biomedical, and Computer Science and Culinary Arts curricula allow students to see the relevance of what they are learning, and apply their skills to 21st century problems. Our variety of clubs and athletics offerings also give students a well-rounded high school experience that will provide memories they will never forget.

Finally, we believe very strongly that it takes a community effort to educate our students. Parents are our partners, and we encourage their involvement in everything we do. Through monthly parent meetings, a strong relationship with our Parent Teacher Student Association (PTSA), English Learner Advisory Committee (ELAC) and our Parent Leadership Team (PLT), and other regular events, we encourage our parents to engage with our teachers and staff on a regular basis. I am also proud of our partnership with the City of Norwalk, which provides a tremendous amount of resources to support our students, families and the community we serve.

I am confident that this school year will be the best in school history. The work that we are doing collaboratively with all stakeholders will ensure that Norwalk High School continues to rise for years to come.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 18-19	School 19-20	District 18-19	District 19-20	State 18-19	State 19-20
ELA	38	N/A	47	N/A	50	N/A
Math	21	N/A	35	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2020-21)

A variety of committees rely on parent participation. Parents are encouraged to join our School Site Council (SSC), English Learners Advisory Committee (ELAC), Parent Leadership Team (PLT) and Parent, Teachers, and Students Association (PTSA). The SSC is a decision-making body that requires participation from all stakeholders. The ELAC supports both English Learners and their families. The PTSA provides support for many student activities, organizes teacher appreciation events, and awards scholarships to graduating seniors. Monthly parent meetings - Community of Lancers Achieving Student Success (CLASS) - are engaging ways for parents to learn more about what is happening around our school, to ask questions, and to identify ways to become more involved in their student's education. We also encourage parents to visit our website [www.norwalklancers.org](http://www.norwalklancers.org), to follow school Twitter feeds, and to read all newsletters, mailers, and other communications from the school. Parents can become involved in their children's schooling in a variety of ways: by attending a sporting event or a drama production or by joining a committee.

Many sports teams have parent support groups clubs that raise money and organize events for the athletes. We ask that all parents stay involved in their student's school life throughout high school by attending Back-to-School Night in the fall and Open House in the spring.

Parental involvement and support is vital to the success of our students. It is important that parents ask their students about the classes they are taking, keep up-to-date with their child's progress and meet with the counseling department to ensure the students are on track and making plans for post-secondary education.

Our school website, [www.norwalklancers.org](http://www.norwalklancers.org), is updated weekly and can be used to contact teachers, counselors and administrators. Parents also utilize access to the Parent Portal and are able to view student grades and attendance through the Internet on PowerSchool, our student information system. Parents also have access to Schoology in order to support their students via a virtual learning platform. Please visit our website regularly for updates and information on upcoming events.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

Site administrators and school security officers ensure proper supervision of the campus and school events. We have a close partnership with Norwalk Public Safety and the local sheriff's department, which has helped to reduce graffiti and vandalism on campus.

Our proactive approach to conflict resolution has helped reduce violence on campus. Beginning in the 2007 - 2008 school year, the city of Norwalk and our district partnered to supply our school with a School Resource Officer. This sheriff's deputy is assigned specifically to Norwalk High and John Glenn High and helps maintain a safe environment for the staff and students.

We have a closed campus. All visitors must check in and receive a pass in the front office. Students leaving campus must check out through the attendance office. Only adults indicated on the student's emergency card are authorized to pick up students.

Our School Safety Plan is revised annually and approved by our School Site Council. The plan includes procedures for emergencies, exit routes, and inventories of emergency supplies. We practice fire and earthquake drills three times a year and hold trainings for staff on emergency procedures. Following recent school tragedies, the LA County sheriff's department provided staff training and information on proper procedures in the event of a crisis on campus. In light of the current COVID-19 pandemic, we have adjusted many of our procedures to ensure the health and safety of our students, staff and community.

Our site administrators and security staff meet regularly with local law enforcement and district safety officers to remain current on new information and issues within the surrounding community. We feel that being proactive and prepared is the best way to prevent such tragedies from affecting our campus

**Suspensions and Expulsions**

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions			
Expulsions			

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

**Professional Development (Most Recent Three Years)**

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	18	18	

Norwalk High School prides itself on the amount of professional development that it provides its teachers and staff, and has implemented a comprehensive approach through the development of its School Plan for Student Achievement.

The key focus of the professional development plan is the improvement of instruction. Norwalk High School partners with our District's coaches to train teachers in Professional Learning Communities (PLC), Multi-Tiered Systems of Support (MTSS), Positive Behavior Support Systems (PBIS), the G-2020 Learning Initiative, and Lesson Study.

Teachers in each department also receive support and resources to collaborate on a regular basis. Each team is responsible for working together to develop common assessments, lesson plans, assignments and projects. Teachers also use this time to compare performance data that is used to improve teaching and identify students for support. Teachers within Norwalk's Linked Learning pathways also collaborate frequently to support students who articulate through their programs.

The Norwalk-La Mirada Unified School District also supports Norwalk High School by providing a tremendous amount of professional development. Norwalk High has developed a Leadership Team that attends district trainings, and is responsible for bringing the information back to their colleagues. The district also provides teachers in each department training specific to their curricular and instructional needs on a regular basis.

### **Career Technical Education Programs**

Norwalk-La Mirada Unified School District (NLMUSD) CTE pathways are aligned to the CTE Model Curriculum Standards providing a broad course of study for all students. Each pathway is structured within the appropriate industry sector with a coherent sequence of courses that lead to high skill, high wage and in-demand careers.

NLMUSD has maintained strong partnerships with the surrounding postsecondary schools and employers. The pathways are aligned to the local community college certificate and degree programs and many CTE courses are articulated with the local community colleges providing students the opportunity to obtain college credit while in high school. Additionally, there are a number of businesses and community partners supporting CTE. As an example, the Norwalk Education Alliance comprises the City of Norwalk, Norwalk Chamber of Commerce, Southeast Los Angeles Workforce Development Board, Cerritos College, and other organizations. They also support CTE and engage in a variety of work-based learning activities.

The primary representative for CTE in Norwalk-La Mirada Unified is Joanne Jung. She may be contacted at: [jjung@nlmusd.org](mailto:jjung@nlmusd.org)  
All CTE offerings are conducted by NLMUSD. There is no ROP center.

The following is the list of the CTE pathways offered at Norwalk High School:

- Automotive
- Biomedical (California Partnership Academy)
- Computer Science
- Culinary
- Engineering
- Pharmacy

### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
