Grace Smith School School Accountability Report Card Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2018-19)

At Grace Smith School, we are excited about the accomplishments of our students. Grace Smith School is an 800+ school. The success of our school is accomplished through the efforts of all GSS staff, students, and parents. Grace Smith is proud of our integration of the Apple IPad as part of our instructional learning for our staff and students. The students are into their fourth school year with the iPads and are really pleased with the resources, their reliability, and durability. In addition to the supplemental iPad resource we are also introducing Virtual Reality devices to bring the world to Grace Smith School. We continue to focus our push for academic success and support our academic needs with intervention programs such as, English in a Flash and Read Naturally. Our school continues to support core standards and achievement for all students. Our ASES Program provides an expanded offering of services and continues to exceed daily attendance goals. Parents and community members are an important part of our academic program. We welcome your participation in our school activities and encourage you to become active partners in your students education through involvement with the English Learners Advisory Committee (ELAC), School Site Council (SSC) and our Grace Smith Community Club. Our entire staff looks forward to working with you and our students on another year of academic success.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Year and month in which data were collected: October 2018

The main fact about textbooks that the Williams legislation calls for described whether schools have enough books in core classes for all students. The law also asks districts to reveal whether those books are presenting what the California content standards calls for. This information is far more meaningful when viewed along with the more detailed description of textbooks contained in our School Accountability Report Card (SARC). There you'll find the names of the textbooks used in our core classes, their dates of publication, the names of the firms that published them, and more.

Subject	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
Reading/Language Arts	Houghton Mifflin Harcourt California Journeys Adopted in 2016	Yes	0
Mathematics	McGraw-Hill My Math Adopted in 2015	Yes	0
Science	McGraw-Hill California Science Adopted in 2007	Yes	0
History-Social Science	Houghton Mifflin History-Social Science Adopted in 2006	No	0

^{*} Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

School Facility Conditions and Planned Improvements (Most Recent Year)

Our school is maintained in good repair, according to the criteria established by the Office of Public School Construction. Our deficiencies are minor ones resulting from common wear and tear and/or in the process of being mitigated. We scored between 86 and 100 percent on the 15 categories of our evaluation. With an overall average school rating of 8 categories at 96% (90-98.99%) and school rating of Good.

School Facility Good Repair Status (Most Recent Year)

Using the most recently collected FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

School Facility Good Repair Status (Most Recent Year) Year and month of the most recent FIT report: December 7, 2018					
System Inspected	Repair Status	Repair Needed and Action Taken or Planned			
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good				
Interior: Interior Surfaces	Fair	Room 17 has unspecified deficiences and is noted as not organized. Room 10 is noted as storage clutter. Restrooms west of 11-K-2 rooms are not being used. Principal and Maintenance staff will review for planned clean up.			
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	Room 17 has noted storage not organized. Room 10 is noted as storage clutter. Principal and Maintenance staff will review for planned clean up.			
Electrical: Electrical	Good	Room 17 has no clock. Principal will review for replacement.			
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	It was noted too much pressure in 1 fountain on restrooms west of rooms 2-6. Only 1 of 4 drinking fountains on kindergarten wing are working. Restrooms west of 11 Will need to be adjusted during Winter 2019 maintenance.			
Safety: Fire Safety, Hazardous Materials	Good				
Structural: Structural Damage, Roofs	Good	Broken piece of drywall on south wall near clock. Can be addressed via Winter, 2019 maintenance.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
Subject	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	48.0	45.0	44.0	43.0	48.0	50.0
Mathematics (grades 3-8 and 11)	37.0	55.0	26.0	25.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3—Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group

Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	34	33	97.06	45.45
Male	21	20	95.24	40.00
Female	13	13	100.00	53.85

English Learners	14	14	100.00	50.00
Students with Disabilities		-	-	
Students Receiving Migrant Education Services				

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3—Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Mathematics by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded

English Learners	14	14	100	57.14
Students with Disabilities			-	-
Students Receiving Migrant Education Services				

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students Grades Five, Eight, and Ten

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2017-18)

Grade	Perce	cent of Students Meeting Fitness Standards				
Level	Four of Six Standards	Five of Six Standards	Six of Six Standards			

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

Our School Site Council (SSC) and English Learners Advisory Committee (ELAC) give our parents the opportunity to become involved in the leadership of our school. The two committees meet regularly throughout the school year to address federal and state regulations and student achievement. In addition to site led activities, Grace Smith School actively participates in parent involvement activities provided and coordinated through the Calipatria USD Projects Office. We also have a partnership with a parent organization, the Calipatria Family Resource Center, and the Grace Smith Community Club. This club provides fun activities for our students during special occasions. All parents are encouraged to participate in these organizations or volunteer to help in classrooms. For more information about becoming involved, please contact the site principal at (760) 359-0636.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- · Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Expulsions	0.0	0.0	0.0	0.1	0.2	0.2	0.1	0.1	0.1

School Safety Plan (School Year 2018-19)

Our school facilities and grounds are maintained on a regular basis. To address school safety, staff members monitor our campus before school, after school, and during recess. We have playground equipment in line with current safety standards. We inspect playground equipment regularly and routinely review playground safety rules with students. We also practice fire and earthquake drills throughout the year. We review and update our safety plan annually. In addition, the faculty has weekly opportunities to identify potential safety problems during our weekly staff meetings.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Professional Development (Most Recent Three Years)

Grace Smith staff are provided district and site specific professional development opportunities and collaboration. Working closely with Imperial County Office of Education, staff are kept updated with curriculum and practices aligned with the California Common Core Content Standards. Calipatria USD provides three annual staff development days so teachers can address district initiatives and grade level collaboration. Teachers also meet monthly in grade-level groups to review student work, plan instruction, and review teaching strategies. The focus for the past two years has moved into Common Core and technology. All staff at Grace Smith are using iPads to enhance instruction and receive ongoing training and collaboration to use the iPad in the classroom. In addition to the iPads, Grace Smith School will be introducing a new Virtual Reality System to attempt to bring the world around us a little closer to our students.
