School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Our mission is to provide a well-balanced curriculum, complemented by high-quality instruction, and leadership; to graduate career-oriented learners who are able to cope with the lifelong challenges of our global society. Calipatria High School (CHS) has a rich tradition of academic excellence and school pride. For 100 years, we have prepared our students for careers, the workforce and have sent them on to colleges and universities. This year we continued with Advanced Placement (AP) U.S. History, Language Arts, Spanish Language/Literature, Statistics, and Biology in our repertoire of college preparatory offerings. We have also added numerous CTE courses in order to prepare our students for the future. We continuously work to increase student achievement schoolwide using strategies that address the needs of our diverse student population. These include extra-help programs in language arts and math for students struggling in these areas and tutorial programs created in collaboration with a variety of community partners. Calipatria's curricular emphasis is on meeting grade-level standards in the core subject areas and expected schoolwide learning results. This year we also continued to increase parent and community involvement through a variety of parent workshops and school site committees and organizations. We welcome parents and the community to participate in all school activities. Students enjoy having members of the community participate in their learning experiences.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School 2017-18	School 2018-19	School 2019-20	District 2019-20

Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: October, 2019

The main fact about textbooks that the Williams legislation calls for described whether schools have enough books in core classes for all students. The law also asks districts to reveal whether those books are presenting what the California content standards calls for. This information is far more meaningful when viewed along with the more detailed description of textbooks contained in our School Accountability Report Card (SARC). There you'll find the names of the textbooks used in our core classes, their dates of publication, the names of the firms that published them, and more.

School Facility Conditions and Planned Improvements (Most Recent Year)

Our school is maintained in good repair, according to the criteria established by the Office of Public School Construction. Our deficiencies are minor ones resulting from common wear and tear and/or in the process of being mitigated. We scored between 79 to 100 percent on the 15 categories of our evaluation. With an overall average school rating of 8 categories at 94% (90-98.99%) and school rating of Good.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: December 19, 2019

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	Wood shop has the A/C not working. Principal and maintenance supervisor to address issues in the Winter.
Interior: Interior Surfaces	Fair	Stained ceiling tiles and cracked floor tiles reported for Room 5 and 6. Missing ceiling tile reported for Room 8. Room 12 has an unspecified deficiency. Principal and maintenance supervisor to address issues in the Winter.

System Inspected	Rating	Repair Needed and Action Taken or Planned
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	Room 11 is the Art Room and reports sinks dirty with paint. Room 31, Ag room, needs to be organized. Clean up after working with tools is noted as a deficiency for the Wood Shop. Principal and maintenance supervisor to address issues in the Winter.
Electrical: Electrical	Fair	Light in Girls restroom in the office is out. One light is out in the main entrance. Clock is not working in the teachers lounge. Clock not working in Room 7. Room 30 (lab) has no clock. Light switches don't turn all lights off in the library. Simplex visual alarms off wall-a replacement was ordered. Scoreboard is missing covers in the Old Gym. Spring 2019 maintenance to address clean up.
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	One drinking fountain has low pressure in the office. Boys and Girls drinking fountains reports one drinking fountain has low pressure and one sink has low pressure. Spring 2019 maintenance to address.
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	Old gym has unspecified deficiency noted. Principal and maintenance supervisor to address issues in the Winter.
Overall Rating	Good	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Mathematics (grades 3-8 and 11)	24	25	25	27	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Career Technical Education Programs (School Year 2018-19)

Calipatria High School offers vocational education classes in Agriculture and Agricultural Science, Information Technology, Public Safety, and Hospitality. Our students develop resume writing and interview skills through the regular English and technology courses. Our high school offers courses intended to help students prepare for the university, workforce, military or trade schools. These career technical education (CTE) courses, formerly known as vocational education, are open to all students. The accompanying table shows the percentage of our students who enrolled in a CTE course at any time during the school year. Our CTE program is aligning with workforce and industry standards to ensure our students are prepared for real-world work. Students that are special needs are accommodated in our CTE classes through their IEPs.

Career Technical Education Participation (School Year 2018-19)

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Parents serve on our School Site Council (SSC), English Learner Advisory Committee (ELAC), Career Technology Education Advisory, and school-community organizations. They also attend parent workshops. Our SSC includes parent members; the council approves the school's annual plan and budget expenditures. We strongly encourage parents to participate in all school events and include reminders in our site web page, school newsletters, flyers, and phone calls home. For more information about becoming involved in our school, please contact Joe Derma at (760) 348-2254.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

School Safety Plan (School Year 2019-20)

Our staff monitors school grounds ten minutes before school begins and after dismissal. The staff also monitors the hallways during passing periods. We have a disaster preparedness plan and conduct fire and disaster drills on a regular basis. Most staff members have been trained in the FEMA and National Incident Management System for working with government agencies in the event of natural disasters or emergencies. Also most of our staff is trained in CPR/First Aid techniques. Our site principal is a certified 1st Aide and CPR instructor. We annually review our site safety plan and update it every year. The plan covers disaster procedures, sexual harassment policies, the dress code, discipline policies, and safe-school strategies and programs.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement			4

The major focus of our staff development is increasing student achievement by providing staff with research-based instructional methods and practices that support our students' needs. Staff members improve their teaching skills by participating in conferences and workshops throughout the year and sharing their knowledge with colleagues. Our district offers two to three staff development days annually, providing teachers with a broad variety of teaching strategies and methods. In addition, our staff meets weekly on Wednesday, from 1:45 p.m. to 3:30 p.m., for staff training and planning. We have conducted professional development for all core areas to include Science, Math, ELA and History. We are working in conjunction with our county office of education in the area of Math for the 2018-19 academic year.
