## School Accountability Report Card

### Reported Using Data from the 2018-19 School Year

#### Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2019-20)

Fremont Primary School staff members take great pride in the accomplishments of their students and the relationships they develop over the school year. Academic rigor is an integral part of our students' success, along with an environment designed to support the unique growth of each individual student. As a TK-4 school, we emphasize reading, writing, language arts, and math. Our first through fourth grade students have the opportunity to participate in our After School Education and Safety (ASES) extended day program, which provides them with many means of academic improvement. We offer afterschool support programs in reading, language, and math, as well as homework tutoring. Certificated and classified staff members support our extended-day programs. Kindergarten students after school program focuses on letter identification, and letter sounds. Parents are an essential part of all our endeavors, and we encourage you to join our School Site Council or English Language Advisory Committee. We look forward to working with you and our students on another year of academic success!

Leo Monroy, PRINCIPAL

## Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

**Year and month in which data were collected:** October, 2019

The main fact about textbooks that the Williams legislation calls for described whether schools have enough books in core classes for all students. The law also asks districts to reveal whether those books are presenting what the California content standards calls for. This information is far more meaningful when viewed along with the more detailed description of textbooks contained in our School Accountability Report Card (SARC). There you'll find the names of the textbooks used in our core classes, their dates of publication, the names of the firms that published them, and more.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
<b>English Language Arts/Literacy (grades 3-8 and 11)</b>	31	32	43	45	50	50
<b>Mathematics (grades 3-8 and 11)</b>	28	29	25	27	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in ELA by Student Group

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

### Opportunities for Parental Involvement (School Year 2019-20)

---

We view parents as our partners in their children’s education. Parents support our school in many ways. They volunteer in classrooms, attend our fall Back-to-School Night, parent conferences, and support our homework policy and our afterschool programs. We experience great parental support at our monthly awards assemblies and at student performances. Our School Site Council and English Learner Advisory Committee elected officers help develop and revise the school site plan. Parents are always welcome at our school. To find out more about becoming involved, please contact our school office at (760) 348-5025.

### State Priority: School Climate

### School Safety Plan (School Year 2019-20)

---

Our staff monitors school grounds before and after school and during recess. Only one gate near the school office remains unlocked during school hours to limit access to the school grounds. School playground equipment meets safety standards, and teachers routinely go over playground rules with students. Our strict school-wide discipline plan and strong parental support curtail fighting and bullying. An information packet is sent home at the beginning of the year to notify parents of the procedure to sign in at the office any time they wish to visit their children’s classroom. They also receive information from their children’s teacher at Back to School Night. The School Safety Plan was last updated on November 20, 2019. The most recent site safety improvements have been to eliminate trip and fall hazards on the sidewalks, reduce the elevation difference between the basketball court and playing field, and posted room numbers on the fence to aid in the evacuation process. We hold monthly safety meetings and fire drills, quarterly earthquake drills, and yearly bus evacuation drills.

Topics included Close Reading, Expository Reading, and writing. Teachers continue to receive Common Core State Standard training in Mathematics and provided training for the staff. Training will continue throughout the coming school years. Technology is also a focus of our training. Teachers learned how to access and use new components of the Accelerated Reader and Math / programs including English in a Flash, ST Math, Spelling City, Iread and others. Teachers have received training on the newly adopted Math, Language Arts, Social Studies programs from the publishers. We allot additional time for the district and school site safety plan, as well as CPR and first aid. Our staff and administrators meet weekly to discuss curricula, assessment, teaching strategies, and lesson planning. Teachers meet monthly in grade-level groups to review student work and to plan instruction and assessment for the upcoming month.
