Principal's Message

Ramona Community Montessori School is a rare place for learning. Our alternative school incorporates a non-threatening flexible environment that fosters self-motivation and responsibility for students' own learning. Parents are considered partners in their child's education, working actively with teachers for the good of the student. The transitional kindergarten through 6th grade program provides opportunities for students of all grade levels to interact providing positive role models for our younger students. Our campus offers an industry-standard computer lab, with additional portable electronic devices available in all classrooms. Our library collection is reflective of the breadth of student needs on our campus.

Ramona Community Montessori School is a free public school of choice, meaning that students throughout the district may enroll in our program. The campus offers two alternative schools: Ramona Community Montessori School, a TK-6 instructional program based on the principles of Dr. Maria Montessori, and Mountain Valley Academy, a TK-12 independent study model where students attend class two to five days a week, completing research based projects at home. Our elementary programs earned California Distinguished School recognition in 2014.

The teaching and support staff of Ramona Community Montessori School provide a unique, individualized alternative education for students by offering a choice in learning methodology, curriculum, resources, and experiences from a caring, student-centered, knowledgeable staff. We implement site-based decision making so students can excel academically, technologically, and socially to become productive citizens in society and sustain a life-long love of learning.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (Most Recent Year)

Each school within the Ramona Unified School District is carefully maintained to ensure that campuses are safe and clean. With the completion of multiple recent building projects at various campuses, the District has continued to provide outstanding campus environments for our students which provide for high-quality educational programs. In addition to the District's maintenance department which performs everyday maintenance on over 165 buildings, the District also utilizes its deferred maintenance budget which allows for additional funding to maintain various items, including flooring, roofs, walls, windows, and other major systems within the buildings.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2016-17 CAASPP Results for All Students

ELA	60	58	53	52	48	48
Math	52	44	38	38	36	37

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Science	72	85	66	67	56	54

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Grade Level	2016-17 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6

Male	19	18	94.7	83.3
Female	15	15	100.0	86.7
White	25	24	96.0	91.7
Socioeconomically Disadvantaged	13	13	100.0	61.5

* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

The high level of parent involvement has been recognized as our school's strength. An attitude of interest and pride on the part of the parent is recognized as essential to shaping healthy and inquisitive student attitudes toward learning. Involvement opportunities for parents include classroom volunteers, field trip coordinators and drivers, Children's Night, Parent Teacher Student Association, School Site Council, parent workshops, and various special events at school, such as International Day, History Day, Science Fair, Career Day and Literature Day.

Parents are encouraged to contact their child's teacher or PTSA through our website.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Ramona Community Montessori School recognizes that students and staff have the right to a safe and secure campus where they are free from physical and psychological harm. The school is fully committed to maximizing school safety and to creating a positive learning environment that sets high expectations for student conduct, responsible behavior and respect for others. Ramona Community Montessori School maintains a comprehensive safety plan that identifies major safety concerns including violence prevention strategies and actions to be taken in the event of a crisis.

Campus Safety Officers monitor students at lunch and recess (TK-6). Personnel also monitor gates and campus access areas. Parents and other visitors are directed to the main office to sign in/out and obtain visitor badges. All campus safety/security staff, custodians, and office personnel have two-way radios to ensure immediate communication.

The School Safety Plan includes specific procedures for evacuation, lockdowns, earthquake, intruder, hazardous materials, and dangerous situations on/near campus. All students participate regularly in drills for all of those situations. The Safety Plan includes details for Command Post and all emergency teams. The Safety Plan is reviewed and revised each by our School Site Council and staff.

Professional Development provided for Teachers

Ramona Unified School District is dedicated to providing ongoing and sustainable professional development to its administrators, teachers, and paraprofessionals. In order to effectively implement the new state standards and enhance instructional delivery across the district, our educators participate in professional development at the site, district, and county level. The primary focus of this year's professional development is in the following areas:

- ELA/ELD State Standards
- Mathematics State Standards

- Next Generation Science Standards
- Instructional Focus Leadership/Improvement Science
- Technology Integration

Teachers and the administrator of Ramona Community Montessori School additionally seek opportunities to strengthen their practice around effective strategies for Montessori classrooms. Professional learning is primarily delivered in after school meetings, but also in district sponsored events during the school day (Learning Walks, Lesson Studies, math training, Next Generation Science Standards, Thinking Moves, writers' workshop to name a few). During implementation, teachers are supported through online resources, peer coaching, principal-teacher meetings and discussions of student performance data.

Types of Services Funded

We believe all students can learn, and we recognize that all students learn and retain information in different ways. For students with differing learning styles or disabilities, RUSD has a wide variety of intervention programs. The District provides regular education, categorical programs and additional educational opportunities designed to help all students meet or exceed grade-level standards and to prevent students from falling behind. Federal categorical and additional educational opportunities are funded through the Elementary and Secondary Education Act, which was reauthorized in 2015 as the Every Students Succeeds Act. These programs include, Title I (English Language Arts and Mathematics support); Title II (Improving Teacher Quality); Title III (support for English Language Acquisition). State funding provides supplemental dollars so the District can provide additional service to unduplicated count students, including foster youth, English language learners, homeless youth, and students of low income families. RUSD offers a wide variety of alternative education programs and settings, including the Ramona Community campus which houses the Ramona Community Montessori School (TK-6) and Mt. Valley Academy (TK-12 School/Independent Study); Future Bound (7-12 off campus Independent Study); and Montecito Continuation High School (9-12).

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
