### Principal's Message

It is a privilege to serve as the principal of Mt. Woodson Elementary School, recipient of the California Distinguished School award in 1995 and 2010, the National Blue Ribbon School award in 1997, and the California School Boards Association Golden Bell in 1999. This is an exceptional school with a dedicated staff that strives to provide an outstanding education to each student, everyday. Our commitment to supporting each student academically and emotionally is the heart of our school. We also share a passion for developing good character and social awareness in our students. Our high quality instructional program is enhanced by the support of our PTA and parent volunteers. We work together to support students and make everyday a great day to learn at Mt. Woodson.

Mt. Woodson School is committed to providing a nurturing and inspiring educational program for all of our students. It is our goal that scholars develop into self-regulating learners that can persevere through any challenge. We believe it is our responsibility to prepare all students for career and college readiness, without exception. Our program includes an emphasis on academics for all students, the development of a strong self-esteem, an appreciation of the arts, and an understanding of technology as an important tool.

We ended the 2017- 2018 school year with approximately 475 students in 17 classes ranging from transitional kindergarten through sixth grade. We provide a full inclusion support services program that serves all students with special needs.

We believe our mission is to educate all scholars to higher levels of academic performance in a safe, loving, and healthy environment that promotes respect for self and others. We believe that all students have a right to achieve the mastery of grade level and extended skills. Through developing Self-Regulated Learners, scholars will take interest and responsibility over his or her own learning, ask the questions and seek resources they need to build understanding of skills necessary to be a life-long learner, thinker, and problem-solver.

Tamara Lewis, PRINCIPAL

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

The District's adopted core curriculum is the California Content Standards (CCS). District adopted textbooks and supplemental materials are aligned to the standards.

Textbooks and Instructional Materials Year and month in which data were collected: September 2018	
Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption

### School Facility Conditions and Planned Improvements (Most Recent Year)

Each school within the Ramona Unified School District is carefully maintained to ensure that campuses are safe and clean. With the completion of multiple recent building projects at various campuses, the District has continued to provide outstanding campus environments for our students which provide for high-quality educational programs. In addition to the District's maintenance department which performs everyday maintenance on over 165 buildings, the District also utilizes its deferred maintenance budget which allows for additional funding to maintain various items, including flooring, roofs, walls, windows, and other major systems within the buildings.

School Facility Good Repair Status (Most Recent Year) Year and month in which data were collected: December 2018		
System Inspected	Repair Status	Repair Needed and Action Taken or Planned
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer	Good	
<b>Interior:</b> Interior Surfaces	Poor	Stained ceiling tiles need to be replaced once roof leaks are repaired.
<b>Cleanliness:</b> Overall Cleanliness, Pest/ Vermin Infestation	Good	
<b>Electrical:</b> Electrical	Poor	Lighting issues need to be addressed. The custodial staff changed burnt out light bulbs over the winter break and maintenance has begun replacing ballasts that are not working.
<b>Restrooms/Fountains:</b> Restrooms, Sinks/ Fountains	Good	
<b>Safety:</b> Fire Safety, Hazardous Materials	Good	
<b>Structural:</b> Structural Damage, Roofs	Poor	Roof leaks need to be repaired.
<b>External:</b> Playground/School Grounds, Windows/ Doors/Gates/Fences	Poor	Re-asphalt and re-stripe the playground; close the gap between the asphalt and concrete ramp. Additional softfall is needed at the upper field playground.
<b>Overall Rating</b>	<b>Fair</b>	

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	39.0	46.0	52.0	51.0	48.0	50.0
Math	32.0	38.0	38.0	37.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter

Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	14.3	23.8	36.5

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2017-18 CAASPP Assessment Results - English Language Arts (ELA)

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2018-19)

Mt. Woodson Elementary School strongly supports community involvement through:

- The School Site Council meets multiple times a year and is an important advisory council that reviews the effectiveness of school programs and oversees categorical expenditures.
- Our ELAC is an advisory committee to offer input in the decision-making process for our English Language Learners.
- The PTA Board meets monthly and provides support for school programs and activities.
- Parents are welcome to participate in their child's education by serving as volunteers in the school or at home.
- Mt. Woodson is committed to site-based decision making, and all stakeholders, school staff member and parents are welcome at Group Meetings, which are held every other month.
- Parent involvement coordinator: Michelle Fezzey (760) 788-5120

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan

The Mt. Woodson staff takes great care to provide a positive, safe and caring learning environment. Our school playgrounds are fenced and all gates are locked during school hours. All visitors must enter the school through our office and are required to check in to our RAPTOR online check in system and wear a visitor sticker while on campus.

Mt. Woodson has a thorough comprehensive Safe School Plan which is on file at the school and in the district office. The Safe School Plan was revised during the 2018-2019 school year. Law enforcement and emergency service providers were consulted during the development of the plan. The plan was reviewed with our staff in September 2018 for both our district and school safety plan.

The school staff reviews the Safe School Plan annually. Regularly scheduled fire, lock down, and disaster drills are conducted. Each classroom is equipped with a backpack containing emergency supplies provided by the PTA and an Emergency document posted by each exit door.

**Professional Development provided for Teachers**

Ramona Unified School District is dedicated to providing ongoing and sustainable professional development to its administrators, teachers, and paraprofessionals. In order to effectively implement the new state standards and enhance instructional delivery across the district, our educators participate in professional development at the site, district, and county level. The primary focus of this year's professional development is in the following areas:

- ELA/ELD State Standards
- Mathematics State Standards
- Next Generation Science Standards
- Instructional Focus Leadership/Improvement Science
- Social-Emotional Learning
- Technology Integration

### **Types of Services Funded**

We believe all students can learn, and we recognize that all students learn and retain information in different ways. For students with differing learning styles or disabilities, RUSD has a wide variety of intervention programs. The District provides regular education, categorical programs and additional educational opportunities designed to help all students meet or exceed grade-level standards and to prevent students from falling behind. Federal categorical and additional educational opportunities are funded through the Elementary and Secondary Education Act, which was reauthorized in 2015 as the Every Students Succeeds Act. These programs include, Title I (English Language Arts and Mathematics support); Title II (Improving Teacher Quality); Title III (support for English Language Acquisition). State funding provides supplemental dollars so the District can provide additional service to unduplicated count students, including foster youth, English language learners, homeless youth, and students of low income families. RUSD offers a wide variety of alternative education programs and settings, including the Ramona Community campus which houses the Ramona Community Montessori School (TK-6) and Mt. Valley Academy (TK-12 School/Home Study); Future Bound (7-12 off campus Independent Study); and Montecito Continuation High School (9-12).

### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
