Principal's Message

Cadwallader Elementary School is located in the center of the Evergreen School District in Southeast San Jose. Our school is a cohesive partnership of students, parents, educators, support staff, and community members. Our school community takes pride in providing a quality education in a caring, supportive, and challenging environment. We have rigorous academic expectations combined with a climate that promotes student creativity and respect for cultural diversity. Students are challenged to enthusiastically and willingly develop to their full potential.

With the ever present themes of life long learning and school pride, Cadwallader Elementary School provides all students with a motivating environment in which to learn. This is reflected in the prevalent atmosphere that says extraordinary learning happens here! Teachers are on the forefront of research-based practices that best respond to students' learning needs. All teachers communicate on a regular basis with parents and the support staff. They are open, caring, and dedicated individuals. Our group of highly qualified, effective educators demonstrate a positive attitude toward their profession, the Evergreen School District, and the Evergreen community they serve.

Our API score for the 2012-13 school year was 895. We were deemed a California Distinguished School and a Title 1 Academic Achieving School for the 2009-10 school year. For the 2010-11 school year, we were awarded the distinct honor of being a Title 1 Academic Achieving School for a second year in a row. And, in the Spring of 2014, we were named a Title 1 Academic Achieving School for the third time. We are extremely proud of these accomplishments since it validates our efforts in ensuring that all students receive a well rounded education. We are committed to a continual, sustainable increase in the proficiency levels of our students on standardized tests and Evergreen School District assessments.

School Mission Statement

Cadwallader staff is dedicated to creating a rigorous, high quality, standards based education within a caring and safe learning environment for all students that will promote concept and skill attainment in all academic content areas. Instruction will be differentiated and targeted to meet the needs of every child. Our staff instills in our students being caring and responsible individuals for oneself and our school community. Students are encouraged to work and play cooperatively and to work through challenges to create successful outcomes. Cadwallader's highly effective, motivated school community which includes staff, students, parents and community members have a supportive alliance which promotes excellence in education.

Community & School Profile

Evergreen School District, located in the City of San Jose, is comprised of fifteen elementary schools and three middle schools. Once a small farming city, San Jose became a magnet for suburban newcomers between the 1960s and the 1990s, and is now the third largest city in California. The city is located in Silicon Valley, at the southern end of the San Francisco Bay Area, and is home to more than 973,000 residents.

Cadwallader Elementary School is centrally located within the district's borders. In the 2013-14 school year, the school served about 400 students in grades kindergarten through six on a traditional calendar schedule. The chart displays school enrollment broken down by ethnicity.

The school provides a family-oriented, nurturing, and safe place for students to learn, grow, and develop intellectually and socially. Teachers, staff, and administrators continue to act on the principle that students come first.

About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school at (408) 270-4950.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2014-15)

Evergreen School District held a Public Hearing on October 9, 2014, and determined that each school within the district has sufficient and good quality textbooks and instructional materials pursuant to the settlement of Williams vs. the State of California.

All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. All textbooks and instructional materials used within the district must be aligned with the California State Content Standards and Frameworks, with final approval by the Board of Trustees. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. The table displays information collected in September 2014 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. The district does not have a formal textbook adoption for Health or for Visual and Performing Arts.

School Facility Conditions and Planned Improvements (Most Recent Year)

Cadwallader Elementary School, originally constructed in 1966, is currently comprised of 20 permanent classrooms, eight portable classrooms, a computer lab, a library, a cafeteria/multipurpose room, a staff lounge, and three playgrounds. Over the past five years, the school has been painted, the parking area has been upgraded, and improvements to electrical and data circuits have been completed. Other upgrades include rubber matting installed on the playgrounds, new track lighting in the multipurpose room, and a new hot water heater. The chart displays the results of the most recent facilities inspection.

Cleaning Process:

Cadwallader Elementary School provides a safe and clean environment for students, staff, and volunteers. The district has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with the school’s custodial staff to develop sanitation schedules that ensure a clean, safe, and functional learning environment.

Maintenance & Repair:

A scheduled maintenance program is administered by Cadwallader Elementary School’s custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by Evergreen School District to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received.

Deferred Maintenance Budget:

The State School Deferred Maintenance Program provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. In the Budget Act of July 2009, the State Legislature provided school districts with flexibility in using these funds to meet general fund needs. In an effort to mitigate the effects of declining state revenues, the Evergreen School District has taken advantage of this flexibility. The district will utilize bond funds and other appropriate sources to ensure its facilities are clean, safe and in good repair.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its successor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

Parent participation in the school's improvement is ensured through the collaborative efforts of the School Site Council (SSC), the English Language Advisory Council (ELAC), and the Parent Teacher Association (PTA). The PTA is an organization that seeks to unite the school staff and community through positive activities. The SSC meets regularly to monitor the instructional program and give input regarding the School Site Plan.

The parents as partners events provide monthly parent involvement activities. There are also ample classroom volunteer activities. Parents are encouraged to participate in the ABC Program and/or CHAPS through Project Cornerstone, which involves parents in reading activities within the classroom. Another Cornerstone program the district has promoted is the "FunVisor" program where parents join the students during break times to engage children in constructive and fun activities. These programs promote caring adult interactions and form a base for parents as partners school events.

Parents have also gotten involved in the Walk and Roll program that the City of San Jose is sponsoring through a multi-year grant. Monthly, parents walk to school with their students to be involved in a schoolwide event, to get some healthy exercise, and to help with the traffic congestion around the school. Parents are key to the success of this program and have volunteered monthly to lead walking school buses to school. This year, parents have also volunteered to help with the direction of traffic in the front of the school.

Our Parent Resource Center is an area where parents will check out resources on any subjects pertaining to the development of their child, go online to research websites that might be useful, and also just to network with other parents in the community.

Cadwallader also receives support from numerous local businesses and community organizations. Continual program support and donations from Evergreen Community Church, SaveMart, Target, Walmart, Panda Express, Wells Fargo Bank, and the City of San Jose have added to the quality of instruction and have enhanced our school environment.

Contact Information

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact the school at (408) 270-4950.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The safety of students and staff is a primary concern of Cadwallader Elementary. Students are supervised before school, during recesses, and after school by teachers and the administrator. Lunch supervision is provided by noon-duty aides and parent volunteers. All visitors to the campus must sign in at the main office and wear a visitor's pass at all times during their stay on school grounds. There is also a designated area for student drop-off and pick-up at the front of the school and the side of the field.

The School Site Safety Plan was last updated and reviewed in November 2014. Any and all revisions to the plan are immediately communicated to classified and certificated staff. Key elements of the Safety Plan focus on the following:

- School rules & procedures
- Sexual harassment policy
- Current status of school crime
- Notification to teachers
- Child abuse reporting procedures
- Schoolwide dress code
- Policies related to suspension/expulsion
- Disaster procedures/routine & emergency drills
- Safe ingress & egress of pupils, parents, & school employees

The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, disaster, and lockdown drills are conducted on a rotating basis throughout the school year.

Types of Services Funded at Cadwallader Elementary School

In addition to general state funding, all schools within Evergreen School District received state and federal categorical funding for the following support programs:

- LCAP funds or Supplemental Funds
- Title I, Targeted Assistance (for these schools: Cadwallader, Dove Hill, Holly Oak, Katherine Smith, Montgomery, and O.B. Whaley)
- Title II, Staff Development
- Title III, Limited English Proficient

Professional Development provided for Teachers at Cadwallader Elementary School

Throughout the year, staff members build teaching skills and concepts through participation in conferences and workshops off site such as Readers and Writers Workshop trainings. On site, all teachers have participated in professional development for Visual Thinking Strategies as we transition to Common Core Standards. This is part of a three year professional development plan. Annually, the district has sponsored a staff development day where teachers are offered a broad-based variety of professional growth opportunities in curriculum, teaching strategies, and methodologies. Throughout the year, teachers across the district also participate in monthly professional development that is tailored to their grade levels.
