Principal's Message

Quimby Oak Middle School, in the Evergreen School District, was established in 1968 and is located at the base of the Evergreen foothills in southeast San Jose. Quimby Oak attained the status of a California Distinguished School in 1992, 1996, 2001, and 2013.

We encourage and expect our students to strive to do their best. We know that within a well-defined, consistent, structured environment, each child has the capability to achieve academic success and, thus, develop a positive self-esteem.

We hope and intend that students will take advantage of the opportunities for reading and writing, will realize the necessity for problem solving, will interact with other students and staff members in a positive, mature manner, and will develop the skills needed to adapt to the demands of a rapidly changing world.

School & Community Profile

Evergreen School District, located in the City of San Jose, is comprised of fifteen elementary schools and three middle schools. Once a small farming city, San Jose became a magnet for suburban newcomers between the 1960s and the 1990s, and is now the third largest city in California. The city is located in Silicon Valley, at the southern end of the San Francisco Bay Area, and is home to more than 973,000 residents.

Quimby Oak Middle School is located in the northeast section of the district's borders. The school provides a family-oriented, nurturing, and safe place for students to learn, grow, and develop intellectually. Teachers, staff, and administrators continue to act on the principle that students come first. In the 2013-2014 school year, the school served 986 students in grades 7-8 on a traditional calendar schedule.

About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school at (408) 270-6735.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2014-15)

Evergreen School District held a Public Hearing on October 9, 2014, and determined that each school within the district has sufficient and good quality textbooks and instructional materials pursuant to the settlement of Williams vs. the State of California.

All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. All textbooks and instructional materials used within the district must be aligned with the California State Content Standards and Frameworks, with final approval by the Board of Trustees. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. The table displays information collected in September 2014 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. The district does not have a formal textbook adoption for Health or for Visual and Performing Arts.

School Facility Conditions and Planned Improvements (Most Recent Year)

Quimby Oak Middle School, originally constructed in 1968, is currently comprised of 34 permanent classrooms, eight portable classrooms, two computer labs, a library, a gymnasium, a staff lounge, and an athletic field.

The school has been thoroughly modernized over the past decade. Renovations occurred in 2007 and included remodeling of the science classrooms, student restrooms, upgrading of campus sidewalks, and new construction of the library, faculty room, and office. The blacktop was expanded in fall 2008 and eight new portables were added for the Math Department over the summer of 2008. In 2012, a room was remodeled into a Project Based Learning classroom. The chart displays the results of the most recent facilities inspection.

Cleaning Process:

Quimby Oak Middle School provides a safe and clean environment for students, staff, and volunteers. The district has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with the school’s custodial staff to develop sanitation schedules that ensure a clean, safe, and functional learning environment.

Maintenance & Repair:

A scheduled maintenance program is administered by Quimby Oak Middle School’s custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by the district to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received.

Deferred Maintenance Budget:

The State School Deferred Maintenance Program provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. In the Budget Act of July 2009, the State Legislature provided school districts with flexibility in using these funds to meet general fund needs. In an effort to mitigate the effects of declining state revenues, the Evergreen School District has taken advantage of this flexibility. The district will utilize bond funds and other appropriate sources to ensure its facilities are clean, safe and in good repair.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its successor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

Quimby Oak parents are involved in many important activities vital to the success of our school program. Parents are key participants within our year-round fundraising program and as chaperones during field trips, athletic activities, and student body functions.

The Quimby Oak Booster Association and elected members support all aspects of the school program. Parents are elected members of the:

- School Site Council (SSC)
- District Advisory Committee (DAC)
- English Language Advisory Committee (ELAC)
- District English Language Advisory Committee (DELAC)
- Parent, Teacher, and Student Association (PTSA)

Contact Information

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact the school at (408) 270-6735.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The safety of students and staff is a primary concern of Quimby Oak Middle School. Students are supervised before school, during break, and after school by teachers and administrators. Lunch supervision is provided by noon-duty aides and administrators. All visitors to the campus must sign in at the main office and wear a visitor's pass at all times during their stay on school grounds. There is also a designated area for student drop-off and pick-up at the front of the school.

The School Site Safety Plan was last reviewed and updated in March 2013 by the School Site Council. Any and all revisions to the plan are immediately communicated to classified and certificated staff. Key elements of the Safety Plan focus on the following:

- School rules & procedures
- Sexual harassment policy
- Current status of school crime
- Notification to teachers
- Child abuse reporting procedures
- Schoolwide dress code
- Policies related to suspension/expulsion
- Disaster procedures/routine & emergency drills
- Safe ingress & egress of pupils, parents, & school employees

The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, disaster, and lockdown drills are conducted on a rotating basis throughout the school year.

Types of Services Funded at Quimby Oak Middle School

In addition to general state funding, all schools within Evergreen School District received state and federal categorical funding for the following support programs:

- Economic Impact Aid
- School & Library Improvement Program
- Title I, Targeted Assistance (for these schools: Cadwallader, Dove Hill, Holly Oak, Katherine Smith, Montgomery, and O.B. Whaley)
- Title II, Staff Development
- Title III, Limited English Proficient

Professional Development provided for Teachers at Quimby Oak Middle School

Staff members build teaching skills and concepts through participation in conferences and workshops throughout the year. For the past three years, the district has sponsored three staff development days annually where teachers are offered a broad-based variety of professional growth opportunities in curriculum, teaching strategies, and methodologies.
