### Principal's Message

Holly Oak Elementary School is one of 18 schools in the Evergreen School District and opened in 1967. The school prides itself on providing students a high quality education within the context of a caring and nurturing environment. We received the California Distinguished School award for the third time (1995, 2004, 2010), and in 2011, we received the Title I Achieving School Award. Our PTA received the 2010 PTA of the Year award.

This statement articulates our mission:

At Holly Oak Elementary School, we are dedicated to providing our students an excellent education within a caring and nurturing environment. We hold high expectations for our students and provide them with the support they need to meet those expectations. High standards and a commitment to respecting the dignity of others are evident on our playground, in our classrooms, and throughout our wider community.

### Community & School Profile

Evergreen School District, located in the City of San Jose, is comprised of fifteen elementary schools and three middle schools. Once a small farming city, San Jose became a magnet for suburban newcomers between the 1960s and the 1990s, and is now the third largest city in California. The city is located in Silicon Valley, at the southern end of the San Francisco Bay Area, and is home to more than 973,000 residents.

Holly Oak Elementary School is centrally located within the district's borders. In the 2014-15 school year, the school served approximately 635 students in grades transitional kindergarten through six on a traditional calendar schedule. The chart displays school enrollment broken down by ethnicity.

The school provides a family-oriented, nurturing, and safe place for students to learn, grow, and develop intellectually. Teachers, staff, and administrators continue to act on the principle that students come first.

### Discipline & Climate for Learning

Students at Holly Oak Elementary School are guided by specific rules and classroom expectations that promote respect, cooperation, courtesy and acceptance of others. The goal of the school's discipline program is to provide students with opportunities to learn self-discipline through a system of consistent rewards and consequences for their behavior.

The district has adopted the "Discipline with Dignity" program, which all schools utilize. Additionally, a partnership with Project Cornerstone has been forged, which promotes research-based developmental assets as a guiding framework for the support and healthy development of all children. The school supplements with Peace Patrol, Talk-it-Out, and the Anti-Bully Squad.

Parents and students are informed of school rules and discipline policies at the beginning of the school year through the Parent-Student Handbook. Ongoing school-to-home communication is facilitated through weekly newsletters, Back-to-School Night, Open House, parent-teacher conferences, e-mails, and the school website.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school at (408) 270-4975 or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2015-16)

Evergreen School District held a Public Hearing on October 9, 2014, and determined that each school within the district has sufficient and good quality textbooks and instructional materials pursuant to the settlement of Williams vs. the State of California.

All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. All textbooks and instructional materials used within the district must be aligned with the California State Content Standards and Frameworks, with final approval by the Board of Trustees. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. The table displays information collected in September 2014 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. The district does not have a formal textbook adoption for Health or for Visual and Performing Arts.

### School Facility Conditions and Planned Improvements (Most Recent Year)

Holly Oak Elementary School, originally constructed in 1967, is currently comprised of 20 permanent classrooms, 12 portable classrooms, a library, a cafeteria/multipurpose room, a staff lounge, and two playgrounds.

Recent improvements include the modernization of seven portables, and the addition of five portables. The 12 portables were placed in a new location to create a new "courtyard" feel to the campus, and all have modern technology capabilities. Both playgrounds were resurfaced, and the two playground areas were increased in size. An outdoor teaching amphitheater was added to the campus. Security fencing was added, giving the ability to better monitor who comes and goes from the campus. The school also recently planted 25 trees around the campus. The chart displays the results of the most recent facilities inspection.

#### Cleaning Process:

Holly Oak Elementary School provides a safe and clean environment for students, staff, and volunteers. The district has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with the school's custodial staff to develop sanitation schedules that ensure a clean, safe, and functional learning environment.

#### Maintenance & Repair:

A scheduled maintenance program is administered by Holly Oak Elementary School's custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by the district to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received.

#### Deferred Maintenance Budget:

The State School Deferred Maintenance Program provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. In the Budget Act of July 2009, the State Legislature provided school districts with flexibility in using these funds to meet general fund needs. In an effort to mitigate the effects of declining state revenues, the Evergreen School District has taken advantage of this flexibility. The district will utilize bond funds and other appropriate sources to ensure its facilities are clean, safe and in good repair.

**B. Pupil Outcomes**

**State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

**C. Engagement**

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

**Opportunities for Parental Involvement**

Holly Oak Elementary School appreciates parent involvement in their child's education. Many opportunities for parental participation are offered, including:

- English Learners Advisory Committee (ELAC)
- Parent Advisory Council
- Parent University
- Parent Teacher Association (PTA)
- School Site Council (SSC)
- Science Fair Volunteers
- Project Cornerstone
- Lunch Bunch
- School-wide BBQ

- Walk-a-thon
- Classroom Volunteers
- Field trip volunteers

The school receives additional support from numerous community businesses and service organizations, including, but not limited to:

- McDonald's
- Office Depot
- SaveMart/Lucky's
- Target
- UAW
- Kohls
- Starbucks
- Walmart

**State Priority: School Climate**

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates, pupil expulsion rates; and other local measures on the sense of safety.

**School Safety Plan**

The safety of students and staff is a primary concern of Holly Oak Elementary School. Students are supervised before school, during recess, and after school by teachers and administrators. Lunch supervision is provided by noon-duty aides and parent volunteers. All visitors to the campus must sign in at the main office and wear a visitor's pass at all times during their stay on school grounds. There is also a designated area for student drop-off and pick-up at the front of the school.

The School Site Safety Plan was last reviewed and updated in September 2015 by the Emergency Response Team (ERT). Any and all revisions to the plan are immediately communicated to classified and certificated staff.

Key elements of the Safety Plan focus on the following:

- School rules & procedures
- Sexual harassment policy
- Current status of school crime
- Notification to teachers
- Child abuse reporting procedures
- Schoolwide dress code
- Policies related to suspension/expulsion
- Disaster procedures/routine & emergency drills
- Safe ingress & egress of pupils, parents, & school employees

The school also created new emergency evacuation routes and new routines for monitoring adults on campus.

The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, disaster, and lockdown drills are conducted on a rotating basis throughout the school year.

### Professional Development provided for Teachers

Staff members build teaching skills and concepts through participation in conferences and workshops throughout the year. This year teachers are the primary architects of their professional development. One area of focus is the new math adoptions - Eureka in primary grades, Bridges in fourth and fifth grades, and College Preparatory Math in sixth grade. Another is Language Arts, particularly the implementation of Sobrato Early Academic Language (SEAL) in grades TK, K and 1st grades this year and including second and third grades next year. Expeditionary Learning in sixth grade is the focus of their professional development in language arts. Nine minimum-day Thursdays this year are dedicated as site staff development days, and are planned with feedback and input from teachers. Teachers use this time to examine student work to determine program effectiveness and to strategize on ways to improve instruction. Holly Oak teachers are provided a 50 percent FTE Instructional Coach and a 50 percent FTE SEAL coach to assist in the implementation of the CCSS and to provide assistance with incorporating technology into classroom instruction. Two Wednesday a month faculty meetings are replaced with teacher planning sessions.

### Types of Services Funded

In addition to general state funding, all schools within Evergreen School District received state and federal categorical funding for the following support programs:

- Economic Impact Aid
- School & Library Improvement Program
- Title I, Targeted Assistance (for these schools: Cadwallader, Dove Hill, Holly Oak, Katherine Smith, Montgomery, and O.B. Whaley)
- Title II, Staff Development
- Title III, Limited English Proficient

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
