Principal's Message

Katherine Smith Elementary School is located in the northern section of the district's borders. In the 2011-12 school year, the school served 682 students in grades K-6 on a traditional calendar schedule. Teachers, staff, and administrators continue to act on the principle that students come first. Katherine Smith Elementary School opened in 1962 and over the last fifty years has had a rich and diverse history with the Evergreen School District. The second school established in the District, it has been recognized as both a California Distinguished School (1987 and 2002) and a National Blue Ribbon School of Excellence (1988). Looking to the future, our children need to be prepared for an ever changing world. Katherine Smith School has been redesigned with that mission in mind—to create the most engaging and excellent education for our children—an education to serve them in the twenty-first century where we need to communicate, think critically, collaborate, and be innovative.

At Katherine Smith, we want to preserve the great tradition of this school while creating an innovative and fresh environment that looks to the future for inspiration. Staff at Katherine Smith dedicate themselves to a consistently improving the curriculum to engage students through purposeful, project-based approaches, integrating instructional technology to enact new knowledge, and creating a strong school culture to empower children to be great citizens of the world.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school at (408) 270-6751 or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2015-16)

Evergreen School District held a Public Hearing on October 9, 2014, and determined that each school within the district has sufficient and good quality textbooks and instructional materials pursuant to the settlement of Williams vs. the State of California.

All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. All textbooks and instructional materials used within the district must be aligned with the California State Content Standards and Frameworks, with final approval by the Board of Trustees. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. The table displays information collected in September 2014 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. The district does not have a formal textbook adoption for Health or for Visual and Performing Arts.

School Facility Conditions and Planned Improvements (Most Recent Year)

Katherine Smith Elementary School was originally constructed in 1962. School facilities are currently comprised of 20 permanent classrooms, 15 portable classrooms, a S.T.E.M. (Science, Technology, Engineering, and Math) lab, a library, two staff parking lots, drop-off and pick-up areas, and a recently constructed office and library. The Katherine Smith campus recently received new grass for the playground and designated Physical Education areas, landscaping throughout the school grounds, an outdoor teaching amphitheater, play matting for the two play structures, a community garden, a canopy covering the main entrance to the school, new paint, and interior classroom upgrades including SmartBoards, new cabinetry, and network wiring. The chart displays the results of the most recent facilities inspection.

Cleaning Process:

Katherine Smith Elementary School provides a safe and clean environment for students, staff, and volunteers. The district has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with the school's custodial staff to develop sanitation schedules that ensure a clean, safe, and functional learning environment.

Maintenance & Repair:

A scheduled maintenance program is administered by Katherine Smith Elementary School's custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by the district to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received.

Deferred Maintenance Budget:

The State School Deferred Maintenance Program provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. In the Budget Act of July 2009, the State Legislature provided school districts with flexibility in using these funds to meet general fund needs. In an effort to mitigate the effects of declining state revenues, the Evergreen School District has taken advantage of this flexibility. The district will utilize bond funds and other appropriate sources to ensure its facilities are clean, safe and in good repair.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

The following are ways in which parents and community members can volunteer their time:

- Parent representation on parent advisory groups, including Parent Teacher Association, School Site Council (SSC), District and School Leadership Team (DSLTT), English Language Acquisition Committee (ELAC), and Parent Safety Committee
- In-class and direct contact with children through tutoring, volunteering in the classroom, and/or as field trip chaperones
- Family involvement activities, such as Harvest Festival, Back-to- School Night and Exhibition Night (Open House), fundraising, Canned Food Drive, Movie Nights, and Holiday Family assistance
- Family Learning Workshops and Parent University — We encourage families to attend our family curriculum workshops and annual mini-conference
- Weekly Parent Pride meeting held every Wednesday that school is in session.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates, pupil expulsion rates; and other local measures on the sense of safety.

School Safety Plan

The safety of students and staff is a primary concern of Katherine Smith Elementary School. Students are supervised before school, during recess, and after school by teachers and administrators. Lunch supervision is provided by noon-duty aides. All visitors to the campus must sign in at the main office and wear a visitor's pass at all times during their stay on school grounds. There is also a designated area for student drop-off and pick-up at the front of the school.

The School Site Safety Plan was last reviewed and updated in September 2012 by the Emergency Response Team (ERT). Any and all revisions to the plan are immediately communicated to classified and certificated staff. Key elements of the Safety Plan focus on the following:

- School rules & procedures
- Sexual harassment policy
- Current status of school crime
- Notification to teachers
- Child abuse reporting procedures
- Schoolwide dress code
- Policies related to suspension/expulsion
- Disaster procedures/routine & emergency drills
- Safe ingress & egress of pupils, parents, and school employees

The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, disaster, and lockdown drills are conducted on a rotating basis throughout the school year.

Professional Development provided for Teachers

Staff members build teaching skills and concepts through participation in conferences, workshops, and staff development meetings throughout the year. For the past three years, the district has sponsored three staff development days annually where teachers are offered a broad-based variety of professional growth opportunities in curriculum, teaching strategies, and methodologies which include innovative STEM (Science, Technology, Engineering, and Math) and PBL (Project-Based Learning) to increase critical thinking, communication, collaboration, and creativity.

Types of Services Funded

In addition to general state funding, all schools within Evergreen School District received state and federal categorical funding for the following support programs:

- Economic Impact Aid
- School & Library Improvement Program
- Title I, Targeted Assistance (for these schools: Cadwallader, Dove Hill, Holly Oak, Katherine Smith, Montgomery, and O.B. Whaley)
- Title II, Staff Development
- Title III, Limited English Proficient

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
