Principal's Message

John J. Montgomery Elementary School was built in 1975. It is located in a community near the foothills in southeast San Jose. We take pride in the appearance of our school, and there is adequate classroom space for all students. Our students take responsibility for maintaining a clean school and safe environment.

In 1995 and 2000, we were selected as one of the California Distinguished Schools. Again, we increased our Academic Performance Index (API) score and met the state growth target. We were eligible to receive funds through the Governor's Performance Award Program. We are proud of the quality programs we offer and encourage students to be lifelong learners.

School Mission Statement

We, the staff of John J. Montgomery School, are committed to the process of educating the whole child - academically, socially, physically, and emotionally. We value the individual and cultural differences that each child brings to our campus. All students have equal access to a rigorous curriculum with high expectations necessary for successful transition from one grade to the next. All students are responsible for their learning and behavior within a safe school community. All students have opportunities to develop both technical and critical thinking skills to make them productive participants in the global community.

School Vision Statement

Montgomery Elementary School is committed to empowering all students to be successful learners and valiant problem solvers. We provide a safe environment in which every child develops confidence and experiences success. We embrace our motto "Knowledge is Power" and believe in the ability of every child to become an inspired life-long learner.

Community & School Profile

Evergreen School District, located in the City of San Jose, is comprised of fifteen elementary schools and three middle schools. Once a small farming city, San Jose became a magnet for suburban newcomers between the 1960s and the 1990s, and is now the third largest city in California. The city is located in Silicon Valley, at the southern end of the San Francisco Bay Area, and is home to more than 973,000 residents.

Montgomery Elementary School is located on the western side of the district's borders. In the 2013-2014 school year, the school serves 663 students in grades pre-K through 6 on a traditional calendar schedule. The chart displays school enrollment broken down by ethnicity.

The school provides a family-oriented, nurturing, and safe place for students to learn, grow, and develop intellectually. Teachers, staff, and administrators continue to act on the principle that students come first.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school at (408) 270-6718 or the district office.

2014-15 Student Enrollment by Grade Level				
Grade Level	Number of Students			
Kindergarten	71			
Grade 1	52			
Grade 2	81			
Grade 3	84			
Grade 4	93			
Grade 5	97			
Grade 6	109			
Total Enrollment	587			

2014-15 Student Enrollment by Group				
Group	Percent of Total Enrollment			
Black or African American	1.7			
American Indian or Alaska Native	0.3			
Asian	31.2

Socioeconomically Disadvantaged	62.7			
English Learners	38.5			
Students with Disabilities	6.1			

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials						
John J. Montgomery Elementary	13-14	14-15	15-16			
With Full Credential		25				
Without Full Credential		0				
Teaching Outside Subject Area of Competence		0				
Evergreen Elementary School District	13-14	14-15	15-16

Districtwide							
All Schools	99.3	0.7					
High-Poverty Schools	98.4	1.6					
Low-Poverty Schools	99.8	0.2					

^{*} High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2015-16)

Evergreen School District held a Public Hearing on October 9, 2014, and determined that each school within the district has sufficient and good quality textbooks and instructional materials pursuant to the settlement of Williams vs. the State of California.

All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. All textbooks and instructional materials used within the district must be aligned with the California State Content Standards and Frameworks, with final approval by the Board of Trustees. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. The table displays information collected in September 2014 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. The district does not have a formal textbook adoption for Health or for Visual and Performing Arts.

	Textbooks and Instructional Materials Year and month in which data were collected: October 9, 2014						
Core Curriculum Area	Textbooks and Instructional M	aterials/Year of Adoption					
Reading/Language Arts	Adopted in 2009 (Grade K-6): MacMillan/McGraw Hill The textbooks listed are from most recent adoption: Percent of students lacking their own assigned textbook:	Yes 0.0%					
Mathematics	Adopted in 2008 (Grade K): Harcourt Adopted in 2008 (Grade 1-5): Houghton Mifflin Adopted in 2008 (Grade 6): Glencoe (MacMillan/McGraw Fine textbooks listed are from most recent adoption: Percent of students lacking their own assigned textbook:	Yes					
Science	Adopted in 2007 (Grade K): Pearson Scott Forseman Adopted in 2007 (Grade 1-5): MacMillan/McGraw Hill Adopted in 2007 (Grade 6-8): Holt, Rhinehart, Winston The textbooks listed are from most recent adoption: Percent of students lacking their own assigned textbook:	Yes 0.0%					
History-Social Science	Adopted in 2006: (Kinder): Pearson Scott Forseman Adopted in 2006: (Grade 1-6): Houghton Mifflin The textbooks listed are from most recent adoption: Percent of students lacking their own assigned textbook:	Yes 0.0%					

School Facility Conditions and Planned Improvements (Most Recent Year)

Montgomery Elementary School, originally constructed in 1975, is currently comprised of 29 permanent classrooms, a Special Day Class pre-school portable, an adult English Language Development (ELD) portable, a computer lab, a library, a cafeteria/multipurpose room, a staff lounge, and two playgrounds. Over the past few years, a new two-story classroom building has been constructed, the front office was thoroughly renovated, and teaching walls were added to the primary building. Additionally, the district passed a facilities bond measure in 2006 that will allow for future modernization. The chart displays the results of the most recent facilities inspection.

Cleaning Process

Montgomery Elementary School provides a safe and clean environment for students, staff, and volunteers. The district has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with the school's custodial staff to develop sanitation schedules that ensure a clean, safe, and functional learning environment.

Maintenance & Repair:

A scheduled maintenance program is administered by Montgomery Elementary School's custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by Evergreen School District to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received.

Deferred Maintenance Budget:

The State School Deferred Maintenance Program provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. In the Budget Act of July 2009, the State Legislature provided school districts with flexibility in using these funds to meet general fund needs. In an effort to mitigate the effects of declining state revenues, the Evergreen School District has taken advantage of this flexibility. The district will utilize bond funds and other appropriate sources to ensure its facilities are clean, safe and in good repair.

School Facility Good Repair Status (Most Recent Year) Year and month in which data were collected: 11/24/2015						
System Inspected		Repair	Status		Repair Needed and

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

Parents and the community can be actively involved in the school's educational programs through the following:

- Back-to-School Night
- English Learner Advisory Committee (ELAC)
- Open House
- Parent-Teacher Association (PTA)
- School Site Council (SSC)
- Title I Mini-Conference & Title I Family Nights

The school receives support from numerous local businesses and community organizations. Support and donations from PG&E, Target, and Office Depot have greatly added to the quality of instruction and overall school environment.

Contact Information

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact the school at (408) 270-6718.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

Pupil suspension rates, pupil expulsion rates; and other local measures on the sense of safety.

School Safety Plan

The safety of students and staff is a primary concern of Montgomery Elementary School. Students are supervised before school, during recess, and after school by teachers and administrators. Lunch supervision is provided by noon-duty aides and parent volunteers. All visitors to the campus must sign in at the main office and wear a visitor's pass at all times during their stay on school grounds. There is also a designated area for student drop-off and pick-up at the front of the school. The School Site Safety Plan is reviewed yearly and updated by the Emergency Response Team (ERT). Any and all revisions to the plan are immediately communicated to classified and certificated staff. Key elements of the Safety Plan focus on the following:

- School rules & procedures
- Sexual harassment policy
- Current status of school crime
- Notification to teachers
- Child abuse reporting procedures
- Schoolwide dress code
- Policies related to suspension/expulsion
- Disaster procedures/routine & emergency drills
- Safe ingress & egress of pupils, parents, & school employees

The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, disaster, and lockdown drills are conducted on a rotating basis throughout the school year.

4th-6th grade students participate in the Project Cornerstone program where they development leadership skills and help create a school environment that is positive and safe for all.

Suspensions and Expulsions

Nurse	.16			
Speech/Language/Hearing Specialist	.77			
Resource Specialist				
Other	as needed			
Average Number of Students per Staff Member				
Academic Counselor				

One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Professional Development provided for Teachers

Staff members build teaching skills and concepts through participation in conferences and workshops throughout the year. collaboration is the strategy and work that most influences instruction and supports the training that teachers receive. For the past three years, the district has sponsored three staff development days annually where teachers are offered a broad-based variety of professional growth opportunities in curriculum, teaching strategies, and methodologies. Evergreen School District provides many professional development opportunities for Montgomery staff such as training in Professional Learning Communities and Culturally and Linguistically Responsive Teaching and Learning. Montgomery staff has participated in Visual Thinking Strategies (VTS) teacher training and coaching for the past two years. Step Up to Writing is widely visible in classrooms thanks to the training and focus the staff has given to the program. School administration and site leadership work hand in hand to decide on teacher professional development opportunities every year.

Types of Services Funded

In addition to general state funding, all schools within Evergreen School District received state and federal categorical funding for the following support programs:

- Economic Impact Aid
- School & Library Improvement Program
- Title I, Targeted Assistance (for these schools: Cadwallader, Dove Hill, Holly Oak, Katherine Smith, Montgomery, and O.B. Whaley)
- Title II, Staff Development
- Title III, Limited English Proficient

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
