### Principal's Message

Silver Oak Elementary School, a 2012 recipient of California Distinguished School honors, is a unique and exceptional community of learners. Supported by the collaborative efforts of teachers, parents, support staff and each other, our students continue to thrive. They are civic-minded, deep thinking individuals, who care for each other and their own learning. We are proud that they are our future!

While our 2012-13 Academic Performance Index (API) has remained stable at 977, this measure does not begin to reflect the culture and climate that had to be established before this success could be realized. Silver Oak is distinctive not only for who we are and what we do, but for the way we put it all together. We have never lost sight of our original vision – a strong commitment that all students can and will learn in a caring environment.

As we move forward and examine the way content is delivered to our students, there exists through an array of exciting technological tools, a tremendous opportunity for a shift in our classrooms where students are empowered to navigate their own learning. The result will be an even more powerful child-centered curriculum utilizing 21st Century teaching and learning. Our goal is for our students to demonstrate proficiency in the three Rs, but also the four Cs: creativity, communication, critical thinking and collaboration. This is our vision...this is our challenge.

### School Mission Statement

The mission of Silver Oak Elementary School is to develop the intellectual, physical, and emotional capacities of each child to the fullest extent possible so that each can lead a fulfilling life as a productive worker, citizen, and individual in our society.

Students will be supported in thinking creatively and critically, and be able to adapt to change. They will develop skills in acquiring, filtering, processing, and using information to make effective decisions and to communicate with others. They will develop self-esteem by participating in a caring school community which appreciates diversity, tolerance, mutual respect, cooperation toward team goals, and a love for learning that will last a lifetime.

Silver Oak will explore new horizons beyond traditional modes of instruction. Using technology is an important tool that will assist students in actively participating in their own learning. Teachers guide the learning process, set goals, and evaluate outcomes. Students will be responsible co-owners of the learning process.

Silver Oak School will foster a learning environment to enhance every student's ability to make sense of and take an active part in the world of the 21st century.

### Community & School Profile

Evergreen School District, located in the City of San Jose, is comprised of fifteen elementary schools and three middle schools. Once a small farming city, San Jose became a magnet for suburban newcomers between the 1960s and the 1990s, and is now the third largest city in California. The city is located in Silicon Valley, at the southern end of the San Francisco Bay Area, and is home to more than 973,000 residents. Silver Oak Elementary School is located at the southern-most point of the district's borders. In the 2012-13 school year, the school served 797 students in grades K-6 on a traditional calendar schedule. The school provides a family-oriented, nurturing, and safe place for students to learn, grow, and develop intellectually. Teachers, staff, and administrators continue to act on the principle that students come first.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school at (408) 223-4515 or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2015-16)

Evergreen School District held a Public Hearing on October 9, 2014, and determined that each school within the district has sufficient and good quality textbooks and instructional materials pursuant to the settlement of Williams vs. the State of California.

All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. All textbooks and instructional materials used within the district must be aligned with the California State Content Standards and Frameworks, with final approval by the Board of Trustees. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. The table displays information collected in September 2014 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. The district does not have a formal textbook adoption for Health or for Visual and Performing Arts.

### School Facility Conditions and Planned Improvements (Most Recent Year)

Silver Oak Elementary School, originally constructed in 1994, is currently comprised of 22 permanent classrooms, 13 portable classrooms, a computer lab, a library, a cafeteria/multipurpose room, a staff lounge, and two playgrounds. Playmats were installed in both the kindergarten and playground Big Toy Play areas during the summer of 2009. In the summer of 2010, the G Wing portables received permanent cement foundations. The school has installed a permanent outside overhead structure with tables and benches underneath. The chart displays the results of the most recent facilities inspection.

#### Cleaning Process:

Silver Oak Elementary School provides a safe and clean environment for students, staff, and volunteers. The district has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with the school's custodial staff to develop sanitation schedules that ensure a clean, safe, and functional learning environment.

#### Maintenance & Repair:

A scheduled maintenance program is administered by Silver Oak Elementary School's custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by the district to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received.

#### Deferred Maintenance Budget:

The State School Deferred Maintenance Program provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. In the Budget Act of July 2009, the State Legislature provided school districts with flexibility in using these funds to meet general fund needs. In an effort to mitigate the effects of declining state revenues, the Evergreen School District has taken advantage of this flexibility. The district will utilize bond funds and other appropriate sources to ensure its facilities are clean, safe and in good repair.

**B. Pupil Outcomes**

**State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### Opportunities for Parental Involvement

Silver Oak Elementary School encourages parent and community involvement in a variety of ways:

- |  |   |  |
|--|---|--|
| • Annual school-wide musical productions | • Fitness Fun Run   | • Safe School Plan Committee   |
| • Art Fair                               | • Jump Rope for Heart   | • Science Fair & Family Bingo Night                                    |

The school also receives support from numerous local professional groups, businesses and community organizations. Support and donations from local realtors, doctors, San Jose Symphony, San Jose Sharks, Math Enrichment, YMCA, and Office Depot have greatly added to the quality of instruction and overall school environment.

#### Contact Information

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact the school at (408) 223-4515 or visit the school website at <http://so.schoolloop.com/>.

#### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates, pupil expulsion rates; and other local measures on the sense of safety.

#### School Safety Plan

The safety of students and staff is a primary concern of Silver Oak Elementary. Students are supervised before school, during recess, and after school by teachers and administrators. Lunch supervision is provided by noon-duty aides and parent volunteers. All visitors to the campus must sign in at the main office and wear a visitor's pass at all times during their stay on school grounds. There is also a designated area for student drop-off and pick-up at the front of the school.

The School Site Safety Plan was last reviewed and updated in December 2012 by the Emergency Response Team (ERT). Any and all revisions to the plan are immediately communicated to classified and certificated staff. Key elements of the Safety Plan focus on the following:

- School rules & procedures
- Sexual harassment policy
- Current status of school crime
- Notification to teachers
- Child abuse reporting procedures

- Schoolwide dress code
- Policies related to suspension/expulsion

### Types of Services Funded

In addition to general state funding, all schools within Evergreen School District received state and federal categorical funding for the following support programs:

- Economic Impact Aid
- School & Library Improvement Program
- Title I, Targeted Assistance (for these schools: Cadwallader, Dove Hill, Holly Oak, Katherine Smith, Montgomery, and O.B. Whaley)
- Title II, Staff Development
- Title III, Limited English Proficient

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### Professional Development provided for Teachers

Staff members build teaching skills and learn and apply new concepts through participation in conferences, workshops and peer observations throughout the year. All staff meet at least twice yearly with the Principal, at which time professional growth goals are set and revisited at the end of the year.

For the past three years, the district has sponsored three staff development days annually where teachers are offered a broad-based variety of professional growth opportunities in curriculum, teaching strategies, and methodologies as well as five District workgroup days. The District also provides a trainer-of-trainers model which includes the training of teachers in key curricular areas with the expectation that this expertise will be brought back to the staff.

On site, teachers teach teachers and also participate in weekly professional development sessions as a standard practice during faculty meetings and grade level meetings. Site-inservices occur every fourth Thursday at which time site goals are established and supported through appropriate professional development workshops. A grade level Leadership Team assists the Principal in making key decisions around the professional development needs of the staff.
