Principal's Message

The Norwood Creek Staff and we take great pride in the education that we offer our students. We set high expectations for every child and provide the support and enrichment each child needs to reach those expectations. We present a rich curriculum that educates the whole child.

Norwood Creek's school motto is, 'Leaders for Life.' As such, we believe that all children must be given access to a comprehensive core of knowledge, skills, and attitudes that will foster a love for learning, develop respect for self and other, and provide the basis for a lifetime of learning and leadership. Our focus ensures that all our students receive the best education possible. We want to also commend the on-going teamwork and dedication of our teachers, students, parents, and community.

It is our hope that our school's ever-evolving web page will provide you with the information you are seeking. If, after your visit however, you have additional questions or would like to speak with us in person, we can be reached at (408) 270-6727.

School Mission Statement

Norwood Creek cultivates an innovative community of learners who engage creatively with passion and purpose to achieve academic and person success.

The Norwood Creek School community is committed to academic excellence. We believe that all children can learn in a supportive environment and that the teacher's role is to facilitate learning. We believe that learning should be joyful and that questions are as important as answers. We believe in preparing students to learn in the ever-changing 21st century. We believe in the necessity of involving students in decision-making and shared responsibility for making the classroom a good place to be and to learn. We believe that the school must be a safe haven where the dignity of every person is respected. We believe that students need to learn to give to others and to their community, and that parents and the larger community must be involved in educating our children. These beliefs form from the basis of the school's goals, of which we have three:

- To engage all students in powerful, meaningful 21st century learning experiences and a rich thinking curriculum.
- To develop every child's social, ethical, emotional, physical, and intellectual potential.
- To involve parents in their children's education.

Community & School Profile

Evergreen School District, located in the city of San Jose, is comprised of fifteen elementary schools and three middle schools. Once a small farming city, San Jose became a magnet for suburban newcomers between the 1960s and the 1990s, and is now the third largest city in California. The city is located in Silicon Valley, at the southern end of the San Francisco Bay Area, and is home to more than 973,000 residents.

Norwood Creek Elementary School is located in the northeastern quadrant of the district's borders. The school provides a family-oriented, nurturing, and safe place for students to learn, grow, and develop intellectually. Teachers, staff, and administrators continue to act on the principle that students come first.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Evergreen School District held a Public Hearing on October 18, 2018, and determined that each school within the district has sufficient and good quality textbooks and instructional materials pursuant to the settlement of Williams vs. the State of California.

All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. All textbooks and instructional materials used within the district must be aligned with the California State Content Standards, with final approval by the Board of Trustees. Textbooks and supplementary materials are typically adopted according to a cycle developed by the California Department of Education. The table displays information collected in September 2018 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. The district does not have a formal textbook adoption for Health or for Visual and Performing Arts.

The California State Board of Education adopted science programs at its November 2018 public meeting. Evergreen will review materials in 2019 to determine next steps. The California State Board of Education adopted Social Science materials at its November 2017 public meeting aligned to the new California Framework. The California Social Science standards remain unchanged.

Pursuant to California Education Code (EC) Section 60210, a school district may utilize instructional materials not adopted by the SBE, so long as the materials are aligned to state standards and a majority of the participants of any review process conducted by the district are classroom teachers who are assigned to the subject area or grade level of the materials being reviewed.

School Facility Conditions and Planned Improvements (Most Recent Year)

Norwood Creek Elementary School, originally constructed in 1981, is currently comprised of 36 permanent and portable classrooms, a conference area, the main office, a library, a cafeteria, a staff lounge, a play structure, a recreational lawn area, and one playground, in addition to the kindergarten play area. The office/multi-use building renovation was completed in February of 2012. The multi-use building contains a new stage and sound and projection system. The chart displays the results of the most recent facilities inspection.

Cleaning Process:

Norwood Creek Elementary School provides a safe and clean environment for students, staff, and volunteers. The district has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with the school's custodial staff to develop sanitation schedules that ensure a clean, safe, and functional learning environment.

Maintenance & Repair:

A scheduled maintenance program is administered by Norwood Creek Elementary School's custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods.

Additionally, a scheduled maintenance program is administered by the district to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received.

Deferred Maintenance Budget:

The State School Deferred Maintenance Program provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. In the Budget Act of July 2009, the State Legislature provided school districts with flexibility in using these funds to meet general fund needs. In an effort to mitigate the effects of declining state revenues, the Evergreen School District has taken advantage of this flexibility. The district will utilize bond funds and other appropriate sources to ensure its facilities are clean, safe and in good repair.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	67.0	66.0	63.0	65.0	48.0	50.0
Math	66.0	67.0	60.0	61.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter

Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	18.1	21.9	46.7

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

It is our collective belief that education is a community affair and as the old African expression says, "It takes a village to teach a child." Our community members work collaboratively with the staff as partners supporting and expanding student learning and strengthening the curriculum. To this extent, parents have a variety of means to become more educated regarding Norwood Creek School and the programs involving its students.

1. Parent Evenings – Parents are invited and encouraged to attend Family Math, Family Literacy Night, Curriculum Night, Back-to-School Night, Project Cornerstone, Kindergarten Orientation, PTA Back-to-School Social, Movie Nights, and PTA meetings.
2. Committee Opportunities – Parents are encouraged to become members and attend School Site Council, English Language Advisory Committee, District Advisory Committee, and Parent Advisory Committee.
3. Ongoing Communication – Parent and teacher communication is supported through the school website, weekly newsletters, Student/Parent Handbook, parent/teacher conferences, progress reports, report cards, Rubrics, district & state assessment results, weekly grade print out for some grade levels, notes, school loop, e-mails, and phone calls.
4. District and school information is available in Spanish and Vietnamese and is translated into other languages upon request. Translators are also available for parent/teacher conferences as needed.

Contact Information

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact the school at (408) 270-6727.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The safety of students and staff is a primary concern of Norwood Creek Elementary. Students are supervised before school, during recess, and after school by teachers and administrators. Lunch supervision is provided by noon-duty aides and staff members. All visitors to the campus must sign in at the main office and wear a visitor’s pass at all times during their stay on school grounds. There is also a designated area for student drop-off and pick-up at the front of the school. The School Site Safety Plan was last updated, reviewed, approved and shared with students and staff in January 2019. Any and all revisions to the plan are immediately communicated to classified and certificated staff.

Key elements of the Safety Plan focus on the following:

- School rules & procedures
- Sexual harassment policy
- Current status of school crime
- Notification to teachers
- Child abuse reporting procedures
- Schoolwide dress code
- Policies related to suspension/expulsion
- Disaster procedures/routine & emergency drills
- Safe ingress & egress of pupils, parents, & school employees

The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school’s disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, disaster, and lockdown drills are conducted on a rotating basis throughout the school year.

Professional Development provided for Teachers

Staff members build teaching skills and concepts through participation in conferences and workshops throughout the year. For the past three years, the district has sponsored three staff development days annually where teachers are offered a broad-based variety of professional growth opportunities in curriculum, teaching strategies, and methodologies. At the site level, teachers are participating in PLCs to look at student work to drive our instruction. These PLCs occur monthly. Additional Professional Development occurs throughout the month at our Wednesday and Thursday Staff Meetings and Staff Development Days.

Types of Services Funded

In addition to general state funding, all schools within Evergreen School District received state and federal categorical funding for the following support programs:

- LCAP funds or Supplemental Funds
- Title I, Targeted Assistance (for these schools: LeyVa, Dove Hill, Holly Oak, Katherine Smith, Montgomery, and O.B. Whaley)
- Title II, Staff Development
- Title III, Limited English Proficient

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
