PRINCIPAL'S MESSAGE

Welcome to William Henry Harrison K-8 Elementary School. Our school was fortunate to receive a three-year School Improvement Grant from the federal government, and we have chosen the Transformation Model as our required school reform model. This is appropriate because our school is, indeed, undergoing a transformation. We are transforming our school into a functioning professional learning community through focused teacher collaboration, aligned instructional practices, and data-driven decision making. I will work with our staff to provide quality education, set high expectations, and create a caring community for all students. I will work with the parents and staff to create an environment where students feel safe, comfortable, and respected.

Dan Wright, Principal

HARRISON SCHOOL MISSION

Learning is our core purpose.

HARRISON SCHOOL VISION

Harrison Elementary provides a well-rounded education including core subjects, technology, fine arts, athletic competitions, academic competitions and other opportunities to excel. Students exit the school performing at grade level or above and are prepared for academic and personal success at the next level.

HARRISON SCHOOL COLLECTIVE COMMITMENTS

Harrison values community.

Harrison values the extraordinary.

Harrison values a student-centered culture.

Harrison values professionalism.

About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school at (209) 933-7205.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2014-15)

The main fact about textbooks that the Williams legislation calls for described whether schools have books in core classes for all students. The law also asks districts to reveal whether those books are what the California content standards calls for. This information is far more meaningful when along with the more detailed description of textbooks contained in our School Accountability Report Card (SARC). There you'll find the names of the textbooks used in our core classes, their dates of publication, the names of the firms that published them, and more

School Facility Conditions and Planned Improvements (Most Recent Year)

Harrison School opened in 1950 and was remodeled in 1999. Our school has approximately 625 students and 24 classroom teachers. There are 14 permanent classrooms, 16 portable classrooms, a multipurpose room, a library, a computer lab and an administration building. Harrison also has a preschool classroom which is located in a portable classroom with a separate and secure playground apparatus and a small field area.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

A scheduled maintenance program is administered by the district to ensure that all classrooms, restrooms, and facilities are well-maintained and in good repair. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

More facts about the condition of our school buildings are available in an online supplement to this report called for by the Williams legislation of 2004. What you will find is an assessment of more than a dozen aspects of our buildings: their structural integrity, electrical systems, heating and ventilation systems, and more. The important purpose of this assessment is to determine if our buildings and grounds are safe and in good repair. If anything needs to be repaired, this assessment identifies it and targets a date by which we commit to make those repairs. The guidelines for this assessment were written by the Office of Public School Construction (OPSC) and were brought about by the Williams legislation. You can look at the six-page Facilities Inspection Tool used for the assessment on the Web site of the OPSC.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its successor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

Harrison recognizes that parents and the community play an important role in the success and education of their students. We have established partnerships with community businesses and organizations to increase parent participation. Harrison offers multiple opportunities and programs to encourage parent involvement, including, but not limited to:

- Academic Parent-Teacher Teams meet three times annually
- Annual Teacher-Parent-Student Goal-Setting Conference
- Parent-Teacher Organization
- School Site Council (SSC)
- English Language Advisory Committee (ELAC)
- Annual Open House/Back to School Night
- Monthly Parent Coffee Hour
- Family Health Centers and programs when available
- Dental Services are provided several times per year
- Influenza Immunizations
- Nurse's services 2 days per week
- State Preschool Program (ages 0-4)
- Student Assistance Program (SAP)
- STEP-Up After School Program
- Two Counselors:

Grade K-6 counseling services are available three days per week

Grade 7-8 counseling services are available five days per week

- English Language Learner instruction and support (ELD)

Harrison believes that the parents and guardians can support the learning environment of the school and their students by:

- Encouraging daily student attendance at school
- Monitoring completion of student homework
- Monitoring and limiting television viewing and video games
- Participating in the decision-making process in school organizations and committees
- Planning and participating in Academic Parent-Teacher Team Meetings
- Volunteering in the classroom

Parents and community members who wish to become a part of the school community and participate should contact Aracely Vargas, School Improvement Grant Parent Liaison at (209) 933-7205 extension 33314.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Harrison School places a strong emphasis on providing a safe environment for all students and staff members. The school’s custodial team ensures the school facilities are in compliance with all federal and state health and safety regulations. Table tops, door handles, sinks, and toilets are cleaned daily to maintain a healthy environment. During each vacation break, a deep cleaning process occurs. A site inspection checklist is completed quarterly by the head custodian and submitted to Risk Management, to ensure the site is safe and free from hazards. A site review with our district’s Internal Evaluation Instrument (IEI) occurs annually.

A Comprehensive School Safety Plan, which is reviewed annually by the School Site Council, helps to provide a secure, peaceful and clean environment for the school community. The school’s Disaster Preparedness Plan identifies procedures to follow during emergencies and natural disasters. Fire Drills are conducted with all staff and students on a monthly basis, with other emergency drills quarterly. In the event of a school emergency, the principal activates the Emergency Response Team, including notification of the appropriate site and district personnel to resolve the emergency and safely secure or evacuate the students, based upon the site and district Readiness and Emergency Management for Schools (REMS) guidelines. Parents are contacted in a timely manner through the ParentLink message system to inform them of any important safety announcement.

Every effort is made to ensure students are monitored while on campus throughout the school day. All visitors must sign in at the office and receive proper authorization to be on campus, and must display their passes at all times. Harrison School is committed in assuring that our playgrounds are safe for all students. We have a full time assistant principal, a full time campus safety assistant, and four part-time playground supervisors to provide supervision before school, at recesses, and after school. Teachers also provide additional supervision during recesses and after school dismissal.

Professional Development provided for Teachers at Harrison Elementary

The primary staff development focus was on the Common Core State Standards (CCSS) Units of Study developed by SUSD teachers through the Rigorous Curriculum Design Process. The content was selected due to the full implementation of the CCSS in California in 2014-2015 and the related CAASP state assessment to be implemented in spring of 2015.

Professional development in the core standards and units of instruction was initially provided through full day off site professional development training sessions. Two full day sessions were provided in 2013-2014 and two are planned for 2014-2015. Additionally, onsite coaching is provided.

On-going teacher support is provided through site-based ELA and Math coaches, staff PLC collaboration meetings, data team meetings.
