School Description

The Pacific Law Academy provides a supportive, student-centered college preparatory environment in which all students will develop the academic skills, career/technical skills, and community awareness qualities that will allow them to transition to a university, community college or a professional career. We focus on providing a high quality, rigorous core curriculum with knowledgeable educational professionals. Our students are required to take four years of mathematics and science courses as well as three years of a foreign language to complement their graduation requirements and meet the A - G UC/CSU expectations. Additionally, we are partnered with the University of the Pacific which adds to the complement of courses we offer by providing a college level research/college bridge class during the Spring semester. Our Law theme gives us the opportunity to offer students a glimpse into the legal world as well as participate in real-world activities such as Mock Trial.

About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school at (209) 933-7475.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2014-15)

The main fact about textbooks that the Williams legislation calls for described whether schools have books in core classes for all students. The law also asks districts to reveal whether those books are what the California content standards calls for. This information is far more meaningful when along with the more detailed description of textbooks contained in our School Accountability Report Card (SARC). There you'll find the names of the textbooks used in our core classes, their dates of publication, the names of the firms that published them, and more

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

Parents are an invaluable resource for Pacific Law Academy and they are encourage to participate on our campus. We invite parents to our campus whenever they would like to stop by; in addition, the principal hosts a "Tiger Talk Tuesday" open forum the first Tuesday of each month for parents to meet and have an open dialogue about any school topic in an informal setting. We invite parents to attend our Student Success Team meetings, our Back-to-School night in the Fall, our Freshman Parent Night, Senior Parent Night, our Open House in the Spring, Academic Assemblies, Rally's, and our Carnival at the end of the school year. Parents are also asked to participate in the governance of our school through School Site Counsel as well as in the reflective process of the WASC (Western Association of Schools of and Colleges) self evaluation which occurs every three to six years. We believe that it takes all of our involvement to support our students and give them the best opportunity for success.

State Priority: School Climate

- Pupil suspension rates;
- Pupil expulsion rates; and
