School Description

Vision: Pittman Charter community prepares students to become academically successful, inquisitive life-long learners who continue to develop their individual and civic responsibilities toward global citizenship. Our mission is to prepare life-long learners for the 21st century by providing a comprehensive education. In addition to a curriculum of language arts, mathematics, and social studies, we included technology and the arts, inquiry-based hands-on science, and offer an option in Spanish Dual- Immersion. In a safe and inclusive environment, Pittman staff strives to develop creative and critical thinkers in strong partnership with our families and community. Adrienne Machado, PRINCIPAL

About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school at (209) 933-7496.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2014-15)

The main fact about textbooks that the Williams legislation calls for described whether schools have books in core classes for all students. The law also asks districts to reveal whether those books are what the California content standards calls for. This information is far more meaningful when along with the more detailed description of textbooks contained in our School Accountability Report Card (SARC). There you'll find the names of the textbooks used in our core classes, their dates of publication, the names of the firms that published them, and more

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its successor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

Our school recognizes that parents and the community play an important role in the success and education of their students. We have established partnerships with community businesses and organizations to increase parent participation. Each school offers several opportunities and programs to encourage parent involvement.

- After School Programs
- Counseling services
- Valley Community Counseling Services 2 days a week
- English Language Advisory Committee (ELAC)
- English Language Learner instruction and support (ELD)
- Family Health Centers and programs when and where available
- Parent Coffee Hour and Parent Academy
- Parent/Student conferences (twice per year)
- Parent Teacher Student Association (PTSA)
- Spanish Dual Immersion K-5
- Education Pre-school Program (ages 0-5)
- School Site Council (SSC)
- The school believes that the parents and guardians can support the learning environment of the school and their students by:
 - Monitoring student attendance
 - Monitoring completion of student homework
 - Monitoring and regulating television viewing
 - Participating in the decision making process in school organizations and committees
 - Planning and participating in activities at home that support classroom learning
 - Volunteering in the classroom
 - Parents and community members who wish to become a part of the school community and participate are encouraged to contact the school's office.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Our school places a strong emphasis on ensuring the safety of all students and staff members. The school's custodial team ensures the school facilities are in compliance with all federal and state health and safety regulations. Each year a deep-cleaning process occurs during a close of school, either during the summer or other extended breaks. In the event of a facility plant emergency, the principal notifies appropriate site and district personnel to resolve the emergency and safely secure or evacuate the students, based upon the site and district emergency preparedness plans. A site review with the district Internal Evaluation Instrument (IEI) occurs annually. A comprehensive School Safety Plan, which was recently reviewed by the School Site Council, helps to provide a secure, peaceful and clean environment for the school community. The Plan is communicated to both students and staff on a regular basis. The school's Disaster Preparedness Plan identifies procedures to follow during emergencies and natural disasters. Emergency drills are conducted on campus on a regular basis. Every effort is made to ensure students are monitored while on campus throughout the school day. Yard supervisors, teachers, site administrators and school staff provide supervision for students before, during, and after school. The playground is safe for all students. All gate entrances are locked during the school day to prevent unauthorized access. All visitors must sign in at the office and receive proper authorization to be on campus, and must display their passes at all times.

Professional Development provided for Teachers at Pittman Charter

Teachers take some time each year to improve their teaching skills and to extend their knowledge of the subjects they teach. Here you'll see the amount of time each year we set aside for their continuing education and professional development. Professional development is critical to the success of our school. Teachers have been trained last year and this year on the common core state standards through West Ed. There has been follow-up coaching with West Ed to ensure that best practices have been implemented and teachers are teaching the common core to the best of their ability. In addition, almost all of our staff have had 6 days of Equity and Access training through University of the Pacific. There has also been the opportunity to have coaching to ensure that this program has been faithfully implemented. Some teachers at our site have been trained with GLAD - Guided Language Acquisition by Design. Because of our dual immersion program and our high percentage of English Learners site wide we feel this program is critical to our success. We continue to review these strategies through our summer trainings and monthly staff meetings. Our dual immersion teachers have had the opportunity to go to either CAFE - California Association of Bilingual Education or a Two-Way Conference devoted to the dual immersion program in the summer for 3 days. Teachers are supported through our language arts and math coaches who are at our site two days a week.
