Principal's Message

I am proud to be the principal of Rio Calaveras Elementary School, a community of dedicated, knowledgeable professionals, responsible, smart students, and caring, concerned parents.

The staff, students, and parents collaborate to ensure a challenging curriculum, high academic standards, and a safe school environment for our students. Our students have worked hard to continue improving and excelling on state testing. We are proud to continue our tradition of excellence in education and continue to hold high expectations for all of our students in academics and behavior. With the Common Core State Standards Rio is continuing to provide students with a Rigorous Curriculum Design and differentiate our instruction to meet student needs. We are excited to be able to participate in the new Standards and encouraged by the rigorous instruction it allows us to provide.

Rio Calaveras Elementary School students participate in a number of contests such as Academic Pentathlon, and Young Author's Faire, winning numerous awards. The community and our students' families attend Back-to-School Night, Academic Achievement Assemblies, a Spring Showcase, Multicultural Fair, Literacy Night, Science Night, our annual Fun Run, Kennedy Games, Parent Dinners, parent meetings and other family functions.

Gina Hall, PRINCIPAL

MISSION STATEMENT:

Rio Calaveras School provides academic programs that reflect high expectations for all students in a positive learning environment. Academic programs focus on mastery of the standards and build critical thinking skills through rigorous, engaging and evolving curriculum.

As a community of students, teachers, parents, staff and supporters, we will have a positive impact in the future of our community.

About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school at (209) 933-7270.

2013-14 Student Enrollment by Grade Level

Grade Level	Number of Students
Kinder.	118
Gr. 1	126
Gr. 2	124
Gr. 3	128
Gr. 4	123
Gr. 5	107
Gr. 6	121

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

Rio Calaveras Elementary	12-13	13-14	14-15
Fully Credentialed	37	37	36
Without Full Credential	0	0	1
Teaching Outside Subject Area of Competence	0	0	0

Stockton Unified School District	12-13	13-14	14-15
Fully Credentialed	◆	◆	1472
Without Full Credential	◆	◆	65
Teaching Outside Subject Area of Competence	◆	◆	7

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2014-15)

The main fact about textbooks that the Williams legislation calls for described whether schools have books in core classes for all students. The law also asks districts to reveal whether those books are what the California content standards calls for. This information is far more meaningful when along with the more detailed description of textbooks contained in our School Accountability Report Card (SARC). There you'll find the names of the textbooks used in our core classes, their dates of publication, the names of the firms that published them, and more

Textbooks and Instructional Materials

Year and month in which data were collected: September 23, 2014

Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption
Reading/Language Arts The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0	ENGLISH LANGUAGE ARTS K-12 Teacher developed Units of Study aligned to Common Core State Standards Adopted in 2014
Mathematics The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0	K-8 Math, Algebra I & Geometry Teacher developed Units of Study aligned to Common Core State Standards Adopted in 2014
Science The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0	FOSS (Full Option Science System) Adopted in 2007 Earth Science Adopted in 2007 Life Science Adopted in 2007 Physical Science Adopted in 2007
History-Social Science The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0	K-5 Scott Foresman Adopted in 2006 6-8 Glencoe: Discovering Our Past Adopted in 2006

School Facility Conditions and Planned Improvements (Most Recent Year)

Each school site has classrooms, a multipurpose room, a library and an administration building. The number of classrooms at each school site varies, depending on enrollment and available space. Rio Calaveras School is a fairly new school site. It was built in 1999.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

A scheduled maintenance program is administered by the district to ensure that all classrooms, restrooms, and facilities are well-maintained and in good repair. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

More facts about the condition of our school buildings are available in an online supplement to this report called for by the Williams legislation of 2004. What you will find is an assessment of more than a dozen aspects of our buildings: their structural integrity, electrical systems, heating and ventilation systems, and more. The important purpose of this assessment is to determine if our buildings and grounds are safe and in good repair. If anything needs to be repaired, this assessment identifies it and targets a date by which we commit to make those repairs. The guidelines for this assessment were written by the Office of Public School Construction (OPSC) and were brought about by the Williams legislation. You can look at the six-page Facilities Inspection Tool used for the assessment on the Web site of the OPSC.

School Facility Good Repair Status (Most Recent Year)
Year and month in which data were collected: 9/3/2014

System Inspected	Repair Status			Repair Needed and Action Taken or Planned
	Good	Fair	Poor	
Systems: Gas Leaks, Mechanical/HVAC, Sewer	[X]	[]	[]	multi purpose/ kitchen: cooler not working in kitchen, ceiling has water leak, floor tile separating and coming up.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its successor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Results for All Students - Three-Year Comparison

Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)								
	School			District			State		
	11-12	12-13	13-14	11-12	12-13	13-14	11-12	12-13	13-14
Science	61	50	49	35	34	34	60	59	60

* Science (grades 5, 8, and 10) assessments include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA). Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Socioeconomically Disadvantaged	5	2	-13
English Learners	34	-29	20
Students with Disabilities			

* "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information

SOURCE: California Department of Education

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

Each school recognizes that parents and the community play an important role in the success and education of their students. Many schools have established partnerships with community businesses and organizations to increase parent participation. Each school offers several opportunities and programs to encourage parent involvement:

- After School Programs
- Counseling services when available
- English Language Advisory Committee (ELAC)
- English Language Learner instruction and support (ELD)
- Parent/Student conferences when possible
- Parent/Teacher organizations –PTA
- School Site Council (SSC)

The school believes that the parents and guardians can support the learning environment of the school and their students by:

- Monitoring student attendance
- Monitoring completion of student homework
- Monitoring and regulating television viewing and gaming
- Participating in the decision making process in school organizations and committees
- Planning and participating in activities at home that support classroom learning
- Volunteering in the classroom
- Monitoring student dress based on Uniform and Dress Code
- Monitor and encourage nightly reading

Parents and community members who wish to become a part of the school community and participate should call the school's office.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Our schools place a strong emphasis on ensuring the safety of all students and staff members. The school's custodial team ensures the school facilities are in compliance with all federal and state health and safety regulations. Each year a deep cleaning process occurs during a close of school, either during the summer or other extended breaks. In the event of a facility plant emergency, the principal notifies appropriate site and district personnel to resolve the emergency and safely secure or evacuate the students, based upon the site and district emergency preparedness plans. A site review with the district Internal Evaluation Instrument (IEI) occurs annually.

A comprehensive School Safety Plan, which was reviewed by our teachers and our School Site Council, helps to provide a secure, peaceful and clean environment for the school community. The school's Disaster Preparedness Plan identifies procedures to follow during emergencies and natural disasters. Emergency drills are conducted on a regular basis.

Every effort is made to ensure students are monitored while on campus throughout the school day. Yard supervisors, teachers, site administrators and school staff provide supervision for students before and during school. The playground is safe for all students. All visitors must sign in at the office and receive proper authorization to be on campus, and must display their passes at all times.

Our staff and students are trained in emergency operations through drills and table top exercises as well as classroom discussions. Students are informed of expectations during each drill by their teachers prior to us having the drills and are reminded each time they are repeated. Our staff is trained at staff meetings and we have practice drills monthly.

Our staff and students participate in a Positive Behavior Plan across all grade levels at Rio Calaveras. Students are taught lesson that provide them with expectations for behavior in the classroom and all common areas such as playgrounds, bathrooms, halls, and cafeteria at the beginning of every school year. Expectations are taught and practiced over the first two weeks of each new school year and reviewed with students by classroom teachers when we return from every school break. The three tenets for behavior at Rio Calaveras are Safe, Respectful and Responsible. Our mascot is a river otter and our students earn "Otter Be Awesome" tickets for good behavior that goes into a weekly drawing for prizes. Rio has had very little instances where we have had to call in the authorities since implementing this plan. This plan is reviewed annually with teachers, staff, students and parents and throughout the year as needed.

Suspensions and Expulsions

School	11-12	12-13	13-14
Suspensions Rate	3.2	10.2	9.5
Expulsions Rate	0.0	0.0	0.0
District	11-12	12-13	13-14
Suspensions Rate	5.2	11.0	10.1
Expulsions Rate	0.1	0.0	0.1
State	11-12	12-13	13-14
Suspensions Rate	5.7	5.1	4.4
Expulsions Rate	0.1	0.1	0.1

* The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment x 100.

Types of Services Funded at Rio Calaveras Elementary

The following is a list of Federal and State funded programs that may be available to schools in the district:

- Title I Helping Disadvantaged Students Meet Standards
- Title I Homeless
- Title I Migrant Education
- Title II Improving Teacher Quality
- Title III Limited English Proficient Students
- Beginning Teacher Support and Assessment (BTSA)
- Extended Day Programs
- English Language Acquisition Program (ELAP)

Professional Development provided for Teachers at Rio Calaveras Elementary

Teachers take some time each year to improve their teaching skills and to extend their knowledge of the subjects they teach. Here you'll see the amount of time each year we set aside for their continuing education and professional development. Teachers receive a minimum of 2 hours per month for professional development and collaboration with planning time. The school site also provides staff with at minimum of 3 days per year to meet as a grade level, outside of the classroom for data disaggregation, professional development and planning. Teachers participate in Professional Development for any new adoptions and have recently been training on English Language Arts and Math Common Core State Standards, ST Math, English Language Development instructional strategies and Compass/Odyssey English Language Arts and Math. Teachers are trained on intervention programs if they deliver the program in their classroom.
