### **School Description**

**Vision:** George Washington School is committed to Students' college and career successes by implementing Common Core Standards and AVID strategies with a focus on collaboration and organization.

**Mission:** George Washington School creates a challenging learning environment that promotes high standards using Common Core instruction. Lifelong learning skills are fostered through technology and research-based instructional strategies including the AVID College Readiness System. George Washington School encourages sportsmanship, school spirit, and pride through daily goals and educational accomplishments. We urge parents and community members to actively participate in our students' learning and success.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school at (209) 933-7320 or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2015-16)

The main fact about textbooks that the Williams legislation calls for described whether schools have books in core classes for all students. The law also asks districts to reveal whether those books are what the California content standards calls for. This information is far more meaningful when along with the more detailed description of textbooks contained in our School Accountability Report Card (SARC). There you'll find the names of the textbooks used in our core classes, their dates of publication, the names of the firms that published them, and more

### School Facility Conditions and Planned Improvements (Most Recent Year)

Our school is in good repair, according to the criteria established by the Office of Public School Construction. Our deficiencies are minor ones resulting from common wear and tear, and there are few of them. We scored between 90 and 99 percent on the 15 categories of our evaluation.

**B. Pupil Outcomes**

**State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

**C. Engagement**

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

**Opportunities for Parental Involvement**

Washington School recognizes the important role parents and the community play in the educational success of our students. Community outreach and business partnerships orchestrate multiple opportunities for parents/guardians to become actively involved in supporting Washington's students. The following list outlines opportunities for involvement on campus:

Classroom Volunteer

After School Step-Up Program  
 Early Childhood Education workshops  
 English Language Advisory Committee (ELAC)  
 English Language Development (ELD)  
 MESA Chaperone  
 Parent Coffee Hour  
 Student Study Team Meetings (SST)  
 Parent/Student conferences when possible  
 Teacher Conferences  
 Parent/Teacher Association (PTA)  
 School Readiness Program (ages 0-5)  
 School Site Council (SSC)  
 Parent Compact participation

Washington School understands that all parents may not be able to support students by physically being on campus, but we still believe that parents and guardians can support our learning environment and their students by the following: Monitoring student attendance, monitoring completion of student homework, monitoring and regulating television viewing; participating in the decision making process in school organizations and committees, planning and participating in activities at home that support classroom learning; volunteering in the classroom, and participation in fundraising programs.

Parents/guardians who wish to participate in George Washington Elementary School's leadership teams(s) school committees, school activities, or become volunteers may contact Mrs. Castillo at 933-7320.

**State Priority: School Climate**

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates, pupil expulsion rates; and other local measures on the sense of safety.

**School Safety Plan**

At George Washington Elementary School, a strong emphasis on ensuring the safety of all students and staff members is embedded within the school day. A comprehensive School Safety Plan, which was recently reviewed by the School Site Council, helps to provide a secure, peaceful and clean environment for the school community. The school's Disaster Preparedness Plan identifies procedures to follow during emergencies and natural disasters. Emergency drills are conducted on a regular basis. Our School Inspection Checklists for Elementary Schools is done quarterly and it is used to detect and correct unsafe conditions. If needed, we submit work orders promptly so corrective action can be taken.

Every effort is made to ensure students are monitored while on campus throughout the school day. Yard supervisors, teachers, site administrators, campus security assistant and school staff provide supervision for students before, during and after school. The playground is safe for all students. All visitors must sign in at the office and receive proper authorization to be on campus, and must display their passes at all times. Visitors must return to the office and sign out upon leaving the school.

The school's custodial team ensures the school facilities are in compliance with all federal and state health and safety regulations. Each year a deep cleaning process occurs during a close of school, either during the summer or other extended breaks. In the event of a facility plant emergency, the principal notifies appropriate site and district personnel to resolve the emergency and safely secure or evacuate the students, based upon the site and district emergency preparedness plans. A site review with the district Internal Evaluation Instrument (IEI) occurs annually.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### Professional Development provided for Teachers

Teachers take time each year to improve their teaching skills and to extend their knowledge of the subjects they teach. Here you'll see the amount of time each year we set aside for their continuing education and professional development. Teachers meet weekly as a PLC and collaborate student data, Common Core Units, teaching strategies, English Learners Catch-up Plan, curriculum and receive on-going coaching and support from the ELA/Math Coach and Principal, also on-going training. Teachers also meet with the principals during Academic Conferences to discuss students' data and goals.
