School Description

Madison Elementary School is a standards-based learning community of students, staff, and families. Our goal is to provide a safe, nurturing environment. We hold high expectations for all learners' growth and development that will empower them to become respectful and productive citizens with life choices.

We provide our learners with access and the ability to utilize technology and to broaden their knowledge and understanding of the world around them. Our goal is to provide students with research based instruction to help them master the rigorous California content standards. Administration and staff work to develop strategies to assist all learners to be achievers. We believe in students being proficient in various forms of communication.

We are building a learning community for the success of all students and to strengthen the home connection. With positive understanding of our cultural diversity, we are providing students with guidance in how to demonstrate and produce positive characteristics. We are preparing our students to be both academically and emotionally responsible to become lifelong learners.

Madison knows that when parents and the school work together as a team, children grow academically, emotionally, and socially. Student achievement goes up, and everyone is proud of the type of education their children receive. Madison's door is open to ideas, suggestions, and assistance in making it a place where all feel welcome and are a part of their children's education. Please join us in making this the school you wish your child to have.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school at (209) 933-7240 or the district office.

2014-15 Student Enrollment by Grade Level	
Grade Level	Number of Students
Kindergarten	71
Grade 1	105
Grade 2	102
Grade 3	91
Grade 4	93
Grade 5	65
Grade 6	60
Grade 7	87
Grade 8	61
Total Enrollment	735

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials			
Madison Elementary	13-14	14-15	15-16
With Full Credential	31	30	26
Without Full Credential	2	2	7
Teaching Outside Subject Area of Competence	0	0	0
Stockton Unified School District	13-14	14-15	15-16
With Full Credential	♦	♦	1437
Without Full Credential	♦	♦	133
Teaching Outside Subject Area of Competence	♦	♦	12

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2015-16)

The main fact about textbooks that the Williams legislation calls for described whether schools have books in core classes for all students. The law also asks districts to reveal whether those books are what the California content standards calls for. This information is far more meaningful when along with the more detailed description of textbooks contained in our School Accountability Report Card (SARC). There you'll find the names of the textbooks used in our core classes, their dates of publication, the names of the firms that published them, and more

Textbooks and Instructional Materials Year and month in which data were collected: September 2015	
Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption
Reading/Language Arts	ENGLISH LANGUAGE ARTS K-12 Teacher developed Units of Study aligned to Common Core State Standards Adopted in 2014 The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0
Mathematics	K-8 Math, Algebra I & Geometry Teacher developed Units of Study aligned to Common Core State Standards Adopted in 2014 The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0
Science	FOSS (Full Option Science System) Adopted in 2007 Earth Science Adopted in 2007 Life Science Adopted in 2007 Physical Science Adopted in 2007 The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0
History-Social Science	K-5 Scott Foresman Adopted in 2006 6-8 Glencoe: Discovering Our Past Adopted in 2006 The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0

School Facility Conditions and Planned Improvements (Most Recent Year)

The main building of Madison School was originally built in 1950. Portable classrooms were added at various times to accommodate a growing enrollment. The school exterior was painted in 2008.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Cleaning Process and Schedule

A scheduled maintenance program is administered by the district to ensure that all classrooms, restrooms, and facilities are well-maintained and in good repair. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

More facts about the condition of our school buildings are available in an online supplement to this report called for by the Williams legislation of 2004. What you will find is an assessment of more than a dozen aspects of our buildings: their structural integrity, electrical systems, heating and ventilation systems, and more. The important purpose of this assessment is to determine if our buildings and grounds are safe and in good repair. If anything needs to be repaired, this assessment identifies it and targets a date by which we commit to make those repairs. The guidelines for this assessment were written by the Office of Public School Construction (OPSC) and were brought about by the Williams legislation. You can look at the six-page Facilities Inspection Tool used for the assessment on the Web site of the OPSC.

School Facility Good Repair Status (Most Recent Year)				
Year and month in which data were collected: 6/29/2015				
System Inspected	Repair Status			Repair Needed and Action Taken or Planned
	Good	Fair	Poor	
Systems: Gas Leaks, Mechanical/HVAC, Sewer	X			
Interior: Interior Surfaces			X	boys & girls restrooms: paint peeling on wall in girls RR. library: missing & stained ceiling tile. Multipurpose/kitchen: missing & loose ceiling tile. P-2: floor tile cracked needs to be replaced. P-5: bottom of door damage, carpet worn. rm 16: rips on walls, internet outlet hanging needs to be secured. rm 4: stained ceiling tile. rm 8: stained ceiling tile.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	X			
Electrical: Electrical		X		P-14: missing outlet cover. P-25: missing outlet cover.

		X		

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2014-15 CAASPP Results for All Students			
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)		
	School	District	State
ELA	13	23	44
Math	9	17	33

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

Madison School recognizes that parents and the community play an important role in the success and education of their students. Partnerships are established with community businesses and organizations to increase parent participation. Several opportunities and programs are offered to encourage parent involvement.

- After School Programs
- Counseling services when available
- English Language Advisory Committee (ELAC)
- English Language Learner instruction and support (ELD)
- Parent/Student conferences when possible
- Parent/Teacher organizations (PTSA)
- School Site Council (SSC)

Madison believes that the parents and guardians can support the learning environment of the school and their students by:

- Monitoring student attendance
- Monitoring completion of student homework
- Participating in the decision making process in school organizations and committees
- Planning and participating in activities at home that support classroom learning
- Volunteering in the classroom

Parents and community members who wish to become a part of the school community and participate should call the school's office.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates, pupil expulsion rates; and other local measures on the sense of safety.

School Safety Plan

Our school places a strong emphasis on ensuring the safety of all students and staff members. The school's custodial team ensures the school facilities are in compliance with all federal and state health and safety regulations. Each year a deep cleaning process occurs during a close of school, during the summer or other extended breaks. In the event of a facility plant emergency, the principal notifies appropriate site and district personnel to resolve the emergency and safely secure or evacuate the students, based upon the site and district emergency preparedness plans. A site review with the district Internal Evaluation Instrument (IEI) occurs annually.

A comprehensive School Safety Plan helps to provide a secure, peaceful and clean environment for the school community. The school's Readiness and Emergency Management for Schools (REMS) Plan identifies procedures to follow during emergencies and natural disasters. Emergency drills are conducted on a regular basis. Our safety plan is reviewed and updated every year in Aug. This year our plan was updated on Aug 17, 2015.

Every effort is made to ensure students are monitored while on campus throughout the school day. Yard supervisors, security monitors, teachers, site administrators and school staff provide supervision for students before, during and after school. The playground is safe for all students. All visitors must sign in at the office, present photo identification and receive proper authorization to be on campus, and must display their passes at all times.

Suspensions and Expulsions			
School	2012-13	2013-14	2014-15
Suspensions Rate	11.15	13.63	19.98
Expulsions Rate	0.00	0.11	0.00
District	2012-13	2013-14	2014-15
Suspensions Rate	10.96	10.09	9.39
Expulsions Rate	0.02	0.08	0.08
State	2012-13	2013-14	2014-15
Suspensions Rate	5.07	4.36	3.80
Expulsions Rate	0.13	0.10	0.09

Professional Development provided for Teachers

The primary staff development focus was on the Common Core State Standards (CCSS) Units of Study developed by SUSD teachers through the Rigorous Curriculum Design Process. The content was selected due to the full implementation of the CCSS in California in 2014-2015 and the related CAASP state assessment to be implemented in spring of 2015.

Professional development in the core standards and units of instruction was initially provided through full day off site professional development training sessions. Two full day sessions were provided in 2014-2015 and two are planned for 2015-2016. Additionally, onsite coaching is provided.

On-going teacher support is provided through site-based instructional coach, program specialist, instructional rounds, training and implantation of intervention programs, staff PLC collaboration meetings, data team meetings.

Academic Counselors and Other Support Staff at this School

Number of Full-Time Equivalent (FTE)	
Academic Counselor	0
Counselor (Social/Behavioral or Career Development)	1
Library Media Teacher (Librarian)	0.04
Library Media Services Staff (Paraprofessional)	0
Psychologist	1.3
Social Worker	0.08
Nurse	0.2
Speech/Language/Hearing Specialist	1.5
Resource Specialist	0.6
Other	2
Average Number of Students per Staff Member	
Academic Counselor	

* One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Types of Services Funded

The following is a list of Federal and State funded programs that may be available to schools in the district:

- Title I Helping Disadvantaged Students Meet Standards
- Title I Homeless
- Title I Migrant Education
- Title II Improving Teacher Quality
- Title III Limited English Proficient Students
- Beginning Teacher Support and Assessment (BTSA)
- Extended Day Programs
- English Language Acquisition Program (ELAP)

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

FY 2013-14 Expenditures Per Pupil and School Site Teacher Salaries				
Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Restricted	Unrestricted	
School Site	5127.31	1581.64	3545.67	57383.62
District	◆	◆	4983.64	\$61,632
State	◆	◆	\$5,348	\$72,971
Percent Difference: School Site/District			-28.9	-6.2
Percent Difference: School Site/ State			-24.4	-18.9
