Principal's Message

Monroe enjoys a rich history of academic and cultural excellence that is the result of a collegial partnership between the school staff and parents who provide a diversity of experiences for the students.

As the principal of Monroe K-8 School, my leadership is filled with exciting challenges that not only align with the district's initiatives, but will refine our school wide focus towards becoming a high-performing school. Our school is a K-8 school with full-day kindergarten and Preschool classes. Our goal is to provide an academically rigorous learning environment with mastery of the Common Core grade level standards in reading, writing, and mathematics which forms the foundation of the instructional program for all of our students. We continue to maximize our instructional minutes through targeted instruction and implementation of research-based instructional strategies. Monroe Teachers continue to grow professionally as they attend on-going Professional Learning Community site team meetings, teacher collaboration, district staff development and receive in class support from the program specialist. Common Formative assessments, benchmark tests and the Diagnostic Reading Assessment are given to students throughout the year to monitor their academic progress, and the data is used to academically group students and drive teachers' instruction to meet the needs of our Monroe students. The Administrator and Monroe's PBIS Team provide a safe and orderly campus where your student may focus his/her energy on learning. We will also provide instructional support to our staff in order for them to have what they need to teach effectively. All students have the opportunity to meet their maximum potential with the guidance and support of Monroe School's well trained teaching and support staff. Monroe's K-8 School is currently going for AVID certification to support student learning and close the achievement gap by preparing all students for college readiness and success in a global society.

Monroe continues to build a strong collaboration and partnerships with our parents and families of the students we teach. Parents involvement and participation is needed and valued. Communication is a vital component to the success of our students. Information can be found on our website, bulletins, notices, parent link and marquee. Monroe looks forward to working with you to create new opportunities and new accomplishments for our students this year.

Together we will promote a powerful, cohesive partnership which actively involves faculty, students, parents, and the community.

Mary Lou Rios, PRINCIPAL

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school at (209) 933-7250 or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials			
Monroe Elementary	13-14	14-15	15-16
With Full Credential	18	18	19
Without Full Credential	1	0	1

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2015-16)

The main fact about textbooks that the Williams legislation calls for described whether schools have books in core classes for all students. The law also asks districts to reveal whether those books are what the California content standards calls for. This information is far more meaningful when along with the more detailed description of textbooks contained in our School Accountability Report Card (SARC). There you'll find the names of the textbooks used in our core classes, their dates of publication, the names of the firms that published them, and more

Textbooks and Instructional Materials	
Year and month in which data were collected: September 2015	
Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption
Reading/Language Arts	ENGLISH LANGUAGE ARTS K-12 Teacher developed Units of Study aligned to Common Core State Standards Adopted in 2014 The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0
Mathematics	K-8 Math, Algebra I & Geometry Teacher developed Units of Study aligned to Common Core State Standards Adopted in 2014 The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0
Science	FOSS (Full Option Science System) Adopted in 2007 Earth Science Adopted in 2007 Life Science Adopted in 2007 Physical Science Adopted in 2007 The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0
History-Social Science	K-5 Scott Foresman Adopted in 2006 6-8 Glencoe: Discovering Our Past Adopted in 2006 The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0

School Facility Conditions and Planned Improvements (Most Recent Year)

Age of buildings

Each school site has classrooms, a multipurpose room, a library and an administration building. The number of classrooms at each school site varies, depending on enrollment and available space. Several sites have portable class rooms to accommodate increased enrollment.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Cleaning Process and Schedule

A scheduled maintenance program is administered by the district to ensure that all classrooms, restrooms, and facilities are well-maintained and in good repair. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

The custodians will check all common areas for cleanliness and vandalism.

The common areas will be cleaned daily by the school custodians, and maintained by students through site expectations.

Noon duty supervisors will assist in the preparation and cleaning of the cafeteria.

The Campus Safety Assistant (CSA) will assist in the maintenance of behavior and number of infractions in the hallways, restrooms, and playground.

Staff assigned for yard and after school duty will assist in enforcing rules and procedures on the playground and in common areas.

Students and staff will take responsibility for maintaining safe, clean, and litter/graffiti-free common areas.

Daily communication between the Principal and Head Custodian to ensure the site physical plant is maintained appropriately. Any deficiency noted on the site inspection will be put into a work order, with attention to the

Risk Management Department.

Monroe has an annual visit from the San Joaquin County Office of Education to conduct Williams Act visit monitoring curriculum and the physical environment for compliance purpose.

The campus will be secured daily, with one main entrance which is monitored by office staff.

Check-in procedures for all visitors will be in place, complete with sign in logs, visitor badges, and Megan's

Law clearance for volunteers.

More facts about the condition of our school buildings are available in an online supplement to this report called for by the Williams legislation of 2004. What you will find is an assessment of more than a dozen aspects of our buildings: their structural integrity, electrical systems, heating and ventilation systems, and more. The important purpose of this assessment is to determine if our buildings and grounds are safe and in good repair. If anything needs to be repaired, this assessment identifies it and targets a date by which we commit to make those repairs. The guidelines for this assessment were written by the Office of Public School Construction (OPSC) and were brought about by the Williams legislation. You can look at the six-page Facilities Inspection Tool used for the assessment on the Web site of the OPSC.

School Facility Good Repair Status (Most Recent Year)				
Year and month in which data were collected: 6/16/2015				
System Inspected	Repair Status			Repair Needed and Action Taken or Planned

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

Parents receive standardized report cards quarterly. Standards and research-based instruction information is provided to parents during Back-to-School-Night, ELAC meetings, and parent conferences. Students are given incentives for parents attending meetings. Home contact is made by the counselor, teachers, administrators, office staff, and specialists. Themed-event nights and community sponsored events are also used as incentive to get parents more involved in the Monroe Renaissance Awards Assemblies are held quarterly to celebrate student achievement. Announcements and important information are communicated via Connect Ed, an automated phone dialer system.

Monroe offers a parenting class for parents. This class empowers parents with the skills to create a home environment with structure and discipline that promotes learning. Also provides parents with skills, resources, and books for building Family Literacy.

Title I Parent Education is facilitated by the Instructional Specialist. Through the Parent Coffee Connection, which is held once a quarter educates parents in academic, behavior, and social development. Parent Coffee Connection is provided to parents in both English and Spanish. Community agencies and other family resources provide information and training. The Parent Involvement Policy is located in the Analysis of Current Instruction section of the Single Plan for Student Achievement. A parent/student/teacher three-way compact is sent home at the beginning of each year for parents and students to sign and return. Parents and community members who wish to become a part of the school community and participate should call the school's office.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates, pupil expulsion rates; and other local measures on the sense of safety.

School Safety Plan

Monroe updated its REMS Safety Plan August 2012 to adjust to the reduction in support staff. Monroe places a strong emphasis on ensuring the safety of all students and staff members. The school's custodial team ensures the school facilities are in compliance with all federal and state health and safety regulations. Each year, a deep cleaning process occurs during a close of school, either during the summer or other extended breaks. In the event of a facility plant emergency, the principal notifies appropriate site and district personnel to resolve the emergency and safely secure or evacuate the students, based upon the site and district emergency preparedness plans. A site review with the district Internal Evaluation Instrument (IEI) occurs annually.

A comprehensive School Safety Plan, which will be reviewed on 10/1/13 by the School Site Council, helps to provide a secure, peaceful and clean environment for the school community. The school's Disaster Preparedness Plan identifies procedures to follow during emergencies and natural disasters. Emergency drills are conducted on a regular basis.

Every effort is made to ensure students are monitored while on campus throughout the school day. Yard supervisors, teachers, site administrator and school staff provide supervision for students before and during school. The playground is safe for all students. All visitors must sign in at the office and receive proper authorization to be on campus, and must display their passes at all times.

Suspensions and Expulsions			
School	2012-13	2013-14	2014-15
Suspensions Rate	19.40	9.57	4.83
Expulsions Rate	0.00	0.00	0.00
District	2012-13	2013-14	2014-15
Suspensions Rate	10.96	10.09	9.39
Expulsions Rate	0.02	0.08	0.08
State	2012-13	2013-14	2014-15
Suspensions Rate	5.07	4.36	3.80
Expulsions Rate	0.13	0.10	0.09

Types of Services Funded

The following is a list of Federal and State funded programs that may be available to schools in the district:

- Title I Helping Disadvantaged Students Meet Standards
- Title I Homeless
- Title I Migrant Education
- Title II Improving Teacher Quality
- Title III Limited English Proficient Students
- Beginning Teacher Support and Assessment (B TSA)
- Extended Day Programs
- English Language Acquisition Program (ELAP)

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Professional Development provided for Teachers

The primary staff development focus was on the Common Core State Standards (CCSS) Units of Study developed by SUSD teachers through the Rigorous Curriculum Design Process. The content was selected due to the full implementation of the CCSS in California in 2014-2015 and the related CAASP state assessment to be implemented in spring of 2015.

Professional development in the core standards and units of instruction was initially provided through full day off site professional development training sessions. Two full day sessions were provided in 2013-2014 and two are planned for 2014-2015. Additionally, onsite coaching is provided.

On-going teacher support is provided through site-based ELA and Math coaches, staff PLC collaboration meetings, data team meetings.

FY 2013-14 Expenditures Per Pupil and School Site Teacher Salaries				
Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Restricted	Unrestricted	
School Site	5010.69	726.73	4283.96	59217.18
District	◆	◆	4983.64	\$61,632
State	◆	◆	\$5,348	\$72,971
Percent Difference: School Site/District			-14.0	-3.2
Percent Difference: School Site/ State			-8.7	-16.3
