- Academic Recognition
- PBIS

Parent Involvement and Learning Opportunities:

- Family Nights
- Academic Conferences
- Parent Coffee Hour
- Parent Workshops
- Volunteer

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school at (209) 933-7305 or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2015-16)

The main fact about textbooks that the Williams legislation calls for described whether schools have books in core classes for all students. The law also asks districts to reveal whether those books are what the California content standards calls for. This information is far more meaningful when along with the more detailed description of textbooks contained in our School Accountability Report Card (SARC). There you'll find the names of the textbooks used in our core classes, their dates of publication, the names of the firms that published them, and more

**B. Pupil Outcomes**

**State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### Opportunities for Parental Involvement

Van Buren School recognizes that parents and the community play an important role in the success and education of their students. Many schools have established partnerships with community businesses and organizations to increase parent participation. Each school offers several opportunities and programs to encourage parent involvement.

After School Programs

Counseling services

English Language Advisory Committee (ELAC)

English Language Learner instruction and support (ELD)

Parent/Student conferences when possible

Parent/Teacher organizations (PTA/PTO/PTC)

School Readiness Program (ages 0-5)

School Site Council (SSC)

The school believes that the parents and guardians can support the learning environment of the school and their students by:

Monitoring student attendance

Monitoring completion of student homework

Monitoring and regulating television viewing and use of technology and social medias

Participating in the decision making process in school organizations and committees

Planning and participating in activities at home that support classroom learning

Volunteering in the classroom

Parents and community members who wish to become a part of the school community and participate should call the school's office.

#### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates, pupil expulsion rates; and other local measures on the sense of safety.

#### School Safety Plan

Our school places a strong emphasis on ensuring the safety of all students and staff members. The school's custodial team ensures the school facilities are in compliance with all federal and state health and safety regulations. Each year a deep cleaning process occurs during school breaks, either during the summer or other extended breaks. In the event of a facility plant emergency, the principal notifies appropriate site and district personnel to resolve the emergency and safely secure or evacuate the students, based upon the site and district emergency preparedness plans. A site review with the district Internal Evaluation Instrument (IEI) occurs annually. A comprehensive School Safety Plan, which was updated on September 22, 2015 by the Positive School Environment Implementation Team and Administration is annually reviewed by the School Site Council, helps to provide a secure, peaceful, and clean environment for the school community. The school's Disaster Preparedness Plan identifies procedures to follow during emergencies and natural disasters. Emergency drills are conducted on a regular basis. Every effort is made to ensure student movement and transitions are monitored while students are on campus throughout the school day. Yard supervisors, teachers, site administrators and school staff provide supervision for students before, during, and after school. The playground is safe for all students. All visitors must sign in at the office and receive proper authorization to be on campus, and must display their passes at all times. Van Buren has a full time counselor and a Valley Community Counseling therapist one day a week,

### Professional Development provided for Teachers

Teachers take some time each year to improve their teaching skills and to extend their knowledge of the subjects they teach. Here you'll see the amount of time each year we set aside for their continuing education and professional development.

Teachers meet weekly to collaborate with their Professional Learning Teams. Teachers also attend grade level training in the core curriculum and ELD provided by the district to increase their knowledge of district wide initiatives. The Instructional coach works with all teachers to implement the District Units of Study curriculum for ELA, math, and ELD. They work with teachers on implementing site tier two intervention strategies of CAFE and Read Naturally.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
