### **School Description**

Principal, Shelley Spessard

Primary Years Academy of International Education is an authorized K-5 International Baccalaureate (IB) World School. We are a public school and SUSD Specialty School Program which uses an IB inquiry model of teaching and learning. Our students learn how to question and explore the world around them while gaining the skills necessary to be successful internationally-minded citizens in the 21st century. Students work in an environment which supports their academic, social, and physical needs through a rigorous program of study. Primary Years Academy is a community of students, parents, teachers, and administrators working together as a team.

### **Vision**

In harmony with SUSD and IB philosophies, Primary Years Academy develops, active, caring, and inquiring life long learners who help create a better and more peaceful world through intercultural understanding and respect.

### **Mission**

The mission of Primary Years Academy is to empower compassionate global thinkers that ask questions and take action. Be IB!

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

The main fact about textbooks that the Williams legislation calls for described whether schools have books in core classes for all students. The law also asks districts to reveal whether those books are what the California content standards calls for. This information is far more meaningful when along with the more detailed description of textbooks contained in our School Accountability Report Card (SARC). Here you'll find the names of the textbooks used in our core classes and their dates of publication.

### School Facility Conditions and Planned Improvements (Most Recent Year)

Primary Years Academy shares a campus with El Dorado Elementary School. The El Dorado School buildings were remodeled in 2009-2010. The campus is in new condition, with updated and clean restrooms, and classrooms. In 2012, the parking lot lines and curbs for drop-off zones were repainted. In 2014, solar panels/overhead shade for parking were installed in the parking lot. PYA and El Dorado School are working with community volunteers to refurbish and establish the school garden.

The Primary Years Academy campus occupies the northern section of the school. It includes rooms 30-31, 32, 33, 41-45, 47-53, 105-109. During the 2018-2019 school year, Primary Years Academy utilizes 15 of the 15 classrooms and three office spaces.

Stockton Unified takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, we utilize the facility survey instrument developed by the State of California OPSC. The full report is available upon request.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	54.0	59.0	26.0	28.0	48.0	50.0
Math	40.0	47.0	20.0	21.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	16.0	22.0	30.0

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2017-18 CAASPP Assessment Results - English Language Arts (ELA)

<b>English Learners</b>	35	35	100.00	54.29
<b>Students with Disabilities</b>	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The achievement level percentages are calculated using only students who received scores.

### **C. Engagement**

#### **State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### **Opportunities for Parental Involvement (School Year 2018-19)**

Primary Years Academy parents are encouraged and expected to be involved in the school. Families are required to volunteer or participate in school events for a minimum of 15 hours per year. Parents, with authorization, may volunteer in the classroom, assist during field trips, take material home to prep, help monitor during lunch and recess, and assist during book fairs, and other events. Parents are invited to attend monthly IB parent meetings, PTA meetings and events, school committee meetings and Family Nights. Parents who volunteer on the school grounds must be fingerprinted and have a current TB test. Information on how to obtain this authorization is available in the office. The school informs parents about what they can do to assist the school through teacher letters, school newsletters, PTA flyers, phone messages via School Messenger, and on the school web page.

Parents are members of the School Site Council and ELPAC (English Learner Parent Advisory Committees), the PTA Parent-Teacher Association, International Baccalaureate Policy Committees, and the Safety Committee.

Parents are invited to their child’s classroom when the students’ are giving oral presentations, attend student led conferences, invited to attend awards and attendance assemblies as well as several music and performance presentations throughout the year. Parents are invited to the promotion ceremony for the 5th-grade students.

The full Parental Involvement Policy document is attached.

The contact person for the 2018-2019 school year is Principal Shelley Spessard

#### **State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan

Primary Years Academy has developed a Positive Behavior Support model for students in common areas such as restrooms, playground, hallways, and the cafeteria. All students have been taught the expected behavior and students are rewarded with "Falcon Feather" coupons for demonstrating that behavior. A Falcon Feather prize raffle is held bi-monthly. Teachers are assigned yard duty during the morning recesses and the principal, counselor, campus security assistant, and parent volunteers monitor the cafeteria and lunch recess. The STEP-Up after school program is monitored by the after-school coordinator and the University of the Pacific's Jacoby Center staff. A ratio of 20:1 is maintained for each of the groups in the after-school program. The campus gates are locked until 1:55 when students are released to their parents. The gates are relocked until 3:00 when the after-school students begin to be picked up from the afterschool program.

Parents are encouraged to volunteer at the school. All volunteers must have their fingerprints approved and on file at the Stockton Unified School District Police Department and they must have a current TB test on file with the school. Any parent or guardian who is visiting their child's classroom or attending a meeting or awards assembly, must sign in at the main office and wear a visitor badge for the length of time that they are on the campus.

The School Safety Plan for Primary Years Academy was reviewed and discussed during the PYA faculty meeting on October 3, 2018, and at the School Site Council meeting on October 16, 2018. The School Site Council will vote to approve the Safety Plan on October 16, 2018.

All students and staff are given opportunities throughout the year to practice and prepare for emergencies. Teachers, office staff, and the Campus Safety Monitor received training on the Emergency Response Plan before school began (July 30, 2018) and in two faculty meetings during the year. Fire drills are conducted monthly whereas duck and cover drills and lockdown drills are each practiced 4 times a year. The district police department selects a variety of schools to practice whole school evacuations and earthquake drills.

The full document, 2018-2019 PYA School Safety Plan, is attached.

### Professional Development provided for Teachers

During the 2013-18 school years, professional development was provided to the faculty in the following focus areas:

- The development and revision of International Baccalaureate Units of Inquiry which integrate the priority California Common Core Standards for English language Arts, Science, Social Studies, Math and ELD Standards.
- Project Lead the Way Science curriculum and the Next Generation Science Standards.
- The development of a K-5th grade articulated writing process.
- Professional Learning Communities: How effective collaboration ensures student success.

Professional Development was offered after school during paid collaboration time, in release time during the school day as well, and at off-site in conferences. All of the above areas for focus were selected due to the full implementation of the Common Core State Standards in California and the related CAASPP state assessment, as well as the need to adhere to the implementation of a true IB program.

All new PYA teachers and administrators receive initial IB training in their first year here, and every teacher attends IB training at least every other year.

In 2015-16, nine teachers, 1 IB coordinator and 1 administrator attended twelve, three-day IB training, Also, three teachers, 1 administrator and 1 IB coordinator attended a one-day regional IB Roundtable.

In 2016-2017, six teachers and 1 IB Coordinator attended 5, three-day training. Also, four teachers and 1 IB coordinator attended a one-day regional IB Roundtable.

In 2017-2018, One Principal, twelve teachers and 1 IB coordination attended three- day IB trainings and 11 teachers, one administrator and the IB coordinator attended two-day Making Math Real Training.

Since 2013, 17 teachers have received 45, three-day IB training and 9 have attended IB Roundtable workshops.

Additional PD on technology use and programs is provided to all teachers each year after school.

On-going teacher support is provided through the on-site IB Coordinator/Program Specialist and in vertical and horizontal team PLC collaboration and data team meetings. The district's Technology, Curriculum, and Research Offices provide multiple opportunities for teachers to attend after-school or summer workshops. Teachers have also attended training with the San Joaquin County Office of Education.

### Types of Services Funded

The following is a list of Federal and State funded programs that may be available to schools in the district:

- Title I Helping Disadvantaged Students Meet Standards
- Title I Homeless
- Title I Migrant Education
- Title II Improving Teacher Quality
- Title III Limited English Proficient Students
- Teacher Induction Program
- Extended Day Programs
- English Language Acquisition Program (ELAP)

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
